A Commitment to Action: Countering Social Isolation and Loneliness of Older Adults

This Public Forum will challenge us to renew our commitment to work on behalf of vulnerable and underserved older adults in Montgomery County.

- This event will illustrate the need for advocacy, action and inclusion of the County's diverse population, especially those who have been traditionally underserved.
- Presenters are subject matter experts who will share best practices, innovations, and policy solutions.
- Attendees will be able to ask questions and learn about local and national success stories and initiatives.
