1. Meeting called to order
2. Minutes attached for approval.
3. Review and vote on AIC's current and new proposals.

We need your input! This meeting is your chance to review AIC's budget priorities in detail.

To date, two budget priorities have been proposed for the AIC Committee and are attached.

- An initiative to support older adults with online health benefits. Attached
- To provide support for the development of villages that serve a higher proportion of ethnic minorities and low-income residents. Attached

If you have an additional budget priority you'd like the Aging in Community to consider, please specify what it is. Focus areas that support older adults to age in place include transportation and mobility plans, County housing and zoning policies, issues related to Villages, outdoor spaces, technology, employment, safety, and security. Please complete the attached form and email it to betsycarrier1@gmail.com no later than September 5th so it can be distributed to AIC committee members before the meeting.

4. Review of new projects and engagement of the Commissioner in these projects

- Feasibility of developing a partnership with MCPS that focuses on exposing students in the building trades to universal design. Brief video
- Update on Urban Institute housing projects
- Developing a work group to identify the short-term and long-term data needs of the Commission, identify the sources of the data needed and any gaps, and to develop a plan for the Commission to access needed data.

5. County update

6. Adjourn
