

# Commission on Veterans Affairs Orientation Outline 2021

## **What is the Commission on Veterans Affairs (CVA)?**

The Montgomery County Commission on Veterans Affairs was established by County legislation in 2008 with the goal of the Commission to provide advice to the County Executive and County Council on the status of programs and services related to the needs of Veterans. Veterans have made an important contribution to the community by their service in the Armed Forces of this Nation, and Montgomery County is committed to showing its commitment and support for all veterans and their families.

## **Duties of the Commission on Veterans Affairs**

The Commission duties include:

1. research, assemble, analyze and disseminate information and educational materials relating to activities and programs that will assist in meeting the needs of veterans and their families;
2. institute and conduct educational and other programs, meetings, and conferences to promote the rights and opportunities for veterans;
3. advise the Executive and the Council on the status of programs and services in the State and County related to the needs of veterans and their families; and
4. assist in planning appropriate public acknowledgement of the contributions made by veterans and assist in planning commemoration activities recognizing the contributions made by veterans.

## **Lobbying**

The word "lobby" is defined as "to conduct activities (as engaging in personal contacts or the dissemination of information) with the objective of influencing public officials and especially members of a legislative body with regard to legislation and other policy decisions. The Commission was established to advise the Executive and the Council on the status of programs and services in the State and County impacting veterans and their families but may also engage in advocacy or lobbying activity at the state or federal levels with approval by the Office of Intergovernmental Affairs. **See Lobbying Chart from the Office of County Executive and the Office of the County Attorney.**

## **Representation**

CVA members may represent the CVA at meetings or when giving testimony on legislation or other matters, only when they are authorized to do so by the Chair. CVA members may not identify the CVA with a position unless it is an established position of the CVA.

## **Required Meetings**

At the call of the Chair, but not less than 9 times per year.

As possible, we adjust meeting dates in order to accommodate days of major religious observances. A staff person needs to be in attendance at all official Commission or Committee meetings.

### **Terms of Appointment**

While the law establishing the CVA states that members serve 3-year terms, Article XI, Section 2-148 (a)(1) of the County Code, which applies to all County boards, committees and commissions, states that “no individual should ordinarily serve more than 2 consecutive full terms...” Further, section 2-148 (a)(2) states that “[A]ny individual who has served 2 full terms on a group is not eligible to serve on the same group until one year has elapsed. The appointing authority [the County Executive] may waive this restriction if: (A) no other qualified applicant is available; or (B) other unique circumstances justify the reappointment of the particular individual.”
