Email: ChildFind@mcpsmd.org

www.montgomeryschoolsmd.org/departments/special-education/programs-services/child-find.aspx

Single point of entry providing free developmental screening for children from three years of age to kindergarten age. Non-resident families with children who attend a preschool or childcare center located in Montgomery County may also contact the Child Find unit regarding developmental concerns about their child. Child Find is also the single point of entry for families moving into Montgomery County whose preschool-age child was previously identified with a disability and has a current Individualized Education Program (IEP). Parentally placed private school students' parents or guardians with school-aged students (5 - 21 years of age) may contact Mrs. Anna E. Szilagyi-Weichbrod at 240-740-3855 (V) or via email at anna_e_szilagyi-weichbrod@mcpsmd.org for a Child Find referral packet. Parents of children between birth and two years, 10 months of age should contact Montgomery County Infants and Toddlers Program to request an evaluation if they have concerns about their child's development at 240-777-3997(V) or complete the online referral at <https://referral.mditp.org>.

Infants and Toddlers Program - Montgomery County Public Schools

1401 Rockville Pike, Suite 200
Rockville, MD 20852
240-777-3997 (V) - Childbirth through 34 ½ months
301-947-6080 (V) - Children 34 ½ months and older
www.montgomeryschoolsmd.org/departments/special-education/programs-services/infants-and-toddlers/
Local system of early intervention services for children birth through 34 ½ months of age and their families. When an infant or toddler is suspected of having a developmental delay, a referral is made to the program. Children are eligible if they meet the following criteria: demonstrate at least a 25% delay in one of the developmental domains, have atypical development or have a high probability condition that would likely result in developmental delays. The program includes a developmental assessment; a review of family concerns; priorities and resources; meetings with the family to develop an individualized family service plan; service coordination to ensure that the individual and his or her family receive needed services which may include but are not limited to physical therapy, occupational therapy, audiology, health/medical services, nursing services, nutrition services, psychological services including specialized play groups or therapy sessions, counseling, speech and language assistance, special instructional services, transportation, and parenting skills development; and ongoing evaluation of the child's progress and his or her changing enrichment needs. All services are provided at no cost. To apply for services, visit <https://referral.mditp.org>.

Jewish Social Service Agency – Psychological Testing

240-800-JSSA (V)
Email: info@jssa.org
www.jssa.org/services/mental-health/psychologicaltesting
Services include psychosocial evaluation and functional assessments, counseling for children and their sibling(s), neuropsychological, psychological and psychoeducational testing, age-appropriate social skills therapy groups, support groups and parenting workshops, skill development for managing challenging behaviors, counseling for children with special needs (including autism, Asperger's and other pervasive developmental disorders), and consultation services for early childhood professionals.
