www.montgomeryschoolsmd.org/departments/special-education/programs-services/child-find.aspx
Single point of entry providing free developmental screening for children from three years of age to kindergarten age. Parents of students in kindergarten through age 21 should contact their neighborhood school to request an evaluation. Non-resident families with children who attend a preschool or child care center located in Montgomery County may also contact the Child Find unit regarding developmental concerns about their child. Child Find is also the single point of entry for families moving into Montgomery County whose preschool-age child was previously identified with a disability and has a current Individualized Education Program (IEP). Parentally placed private school students' parents/guardians with school-aged students (5-21 years of age) may contact Mrs. Anna E. Szilagyi-Weichbrod at 240-740-3855 or via e-mail at anna_e_szilagyi-weichbrod@mcpsmd.org for a Child Find referral packet. Parents of children between birth and two years, 10 months of age should contact Montgomery County Infants and Toddlers Program to request an evaluation if they have concerns about their child's development at 240-777-3997.

Infants and Toddlers Program – Montgomery County – Child Care Resource and Referral Center

1401 Rockville Pike, 2nd Floor
Rockville, MD 20852
240-777-3997 (V) - Child birth through 34 ½ months
301-947-6080 (V) - Children 34 ½ months and older
www.montgomerycountymd.gov/infantsandtoddlers

Local system of early intervention services for children birth through thirty four and a half months of age and their families. When an infant or toddler is suspected of having a developmental delay, a referral is made to the program. Children are eligible if they meet the following criteria: demonstrate a 25% delay in one of the developmental domains, have atypical development or have a high probability condition that would likely result in developmental delays. The program includes a developmental assessment; a review of family concerns; priorities and resources; meetings with the family to develop an individualized family service plan; service coordination to ensure that the individual and his or her family receive needed services which may include but are not limited to physical therapy, occupational therapy, audiology, health/medical services, nursing services, nutrition services, psychological services including specialized play groups or therapy sessions, counseling, speech and language assistance, special instructional services, transportation, and parenting skills development; and ongoing evaluation of the child's progress and his or her changing enrichment needs. These services are provided in a family centered practice model where families participate with service providers to learn skills and strategies to support their children's development. All services are provided at no cost.

Jewish Social Service Agency

Early Childhood Services

301-816-2633 (V)
E-mail: info@jssa.org
www.jssa.org
