Graduate Transition Program: Custom-tailored learning community program for students with special needs exiting high school. Two-year tuition-based, credit-free certificate program.

Challenge Program: Courses for adults with developmental disabilities to help them function more independently in their homes, at work, and in the community.

Transitions Training for Independence: Designed to provide students, ages 19 to 20, enrolled in Montgomery County Public Schools an opportunity to complete their public education on the college campus. Students continue to address their individual goals and develop lifelong learning routines in an academic setting with their same age peers.

Drivers Education: Designed for drivers with learning disabilities.
