Programs are designed to support students who need additional help with basic academic skills, GED® test preparation, English language development, computer literacy, and US Citizenship. Participants may receive additional guidance and advising services to assist with transitioning to college, careers, and entry level employment.

American Sign Language (ASL) Certificate Program 
Montgomery College 
- Pauline Laster, M.S., Associate Professor of ASL 
- 301-637-2935 (Video Relay Service) 
- E-mail: pauline.laster@montgomerycollege.edu 
- E-mail: pauline.laster@gmail.com 
- https://cms.montgomerycollege.edu/EDU/Department2.aspx?id=101834 

The certificate program in American Sign Language is designed to provide students with a foundation in ASL and would benefit those pursuing business or other service-oriented fields where they might be called upon to communicate directly with Deaf clients. The program also serves students preparing to enter an Interpreter Training Program; students whose first language is ASL and who desire to learn the structure and syntax of the language; and students desiring to improve their understanding of Deaf culture to better communicate with Deaf family, friends, neighbors, and community.

Going To College
www.going-to-college.org
Website contains information about living college life with a disability. It’s designed for high school students and provides video clips, activities and additional resources that can help you get a head start in planning for college. Website was developed under a grant from the Office of Special Education Programs, Office of Special Education and Rehabilitative Services, U.S. Department of Education.

Gudelsky Institute for Technical Education
Montgomery College - Rockville Campus
51 Mannakee Street
Rockville, MD 20850
240-567-7905 (V)
www.montgomerycollege.edu/Departments/giterv
Instructional programs in four primary areas: automotive technology, building and construction technology, computer publishing and print management, and workforce technologies. Credit and non-credit courses taught via classroom and lab training, on-site and off-site customized contract training, apprenticeship training, and long or short-term training.

Heath Resource Center - George Washington
University Graduate School of Education and Human Development
E-mail: askheath@gwu.edu
www.heath.gwu.edu
Web-based clearinghouse on postsecondary education for individuals with disabilities that serves as an information exchange of educational resources, support services and opportunities. The HEATH Resource Center gathers, develops and disseminates information in the form of resource papers, fact sheets, website directories, newsletters, and resource materials.

Literacy Council of Montgomery County
21 Maryland Avenue, Suite 320
Rockville, MD 20850
301-610-0030 (V)
E-mail: info@literacycouncilmcmd.org
www.literacycouncilmcmd.org
Basic Literacy tutoring program works with adults who speak and understand English, but are reading and writing below a fourth grade level. The (ESL) tutoring program works with adults who speak English at a low level; it teaches reading, writing, listening comprehension, and speaking. Also offer English conversation classes and computer-based instruction. Offer entry pre-testing for the Maryland iPathways program, a free, teacher-supported online learning program for GED® (General Educational Development) test preparation offered to Maryland residents. Programs are free or low-cost, and students are able to move from one program to another as their skills progress or their needs change. LCMC offers individual, small-group, and classroom options.

Montgomery College Challenge Program
Karla Nabors, Program Director
240-567-1660 (V)
E-mail: karla.nabors@montgomerycollege.edu
http://cms.montgomerycollege.edu/wdce/ce/challenge.html
Provides unique open enrollment enrichment courses for adults with developmental disabilities to help them function more independently in their homes, at work, and in the community. The courses are designed to enhance skills, develop new skills, and/or hone skills students may have already acquired. Of equal importance, students will have the opportunity to increase their social and community awareness by learning at Montgomery College. Students work very closely with Disability Support Services, (DSS) counselor to confidentially disclose their disability so that they received the appropriate accommodations to be successful in the classroom. This program is offered on the Rockville campus of Montgomery College.
