The County will provide sign language interpreter services, including American Sign Language, Pidgin Signed English, Oral Interpreting, Cued Speech, Tactile Interpreting and Certified Deaf interpreting as well as CART upon request. Requests should be made to the program sponsoring the event or to the ADA Compliance Team with as much notice as possible (a lead time of 3 business days will help us to engage the most highly qualified interpreters for the job). **Video**

Relay Phones (Video Relay Service, or VRS) -

Several of the County Public Libraries maintain video relay phones—instruments that send and receive sounds and a moving picture at the same time—for public use. A user can sign (or talk) over one of these phones to another person with a similar phone or can make calls through a Video Relay Service to call any telephone. They are currently available for public use at four libraries: Rockville Memorial (2nd floor), Germantown (upper level), Gaithersburg, and Silver Spring.
