Learning Disabilities

Montgomery County, Maryland ('the County') cannot guarantee the relevance, completeness, accuracy, or timeliness of the information provided on the non-County links. The County does not endorse any non-County organizations' products, services, or viewpoints. The County is not responsible for any materials stored on other non-County web sites, nor is it liable for any inaccurate, defamatory, offensive or illegal materials found on other Web sites, and that the risk of injury or damage from viewing, hearing, downloading or storing such materials rests entirely with the user. Alternative formats of this document are available upon request.

This is a project of the Montgomery County Commission on People with Disabilities. To submit an update, add or remove a listing, or request an alternative format, please contact: DHHSWebsite@montgomerycountymd.gov, 240-777-1246 (V), MD Relay 711.

Learning Disabilities Association of Montgomery County

301-933-1076 (V)

E-mail: ldamc@ldamc.org

www.ldamc.org

Grassroots, non-profit organization of 30,000 members, including individuals with learning disabilities, their families, and the professionals who work with them. LDA of America, and the local LDA affiliates, are dedicated to identifying causes and promoting prevention of learning disabilities. LDA also focuses on enhancing the quality of life for all individuals with learning disabilities and their families by encouraging effective identification and intervention, fostering research and protecting their rights under the law. Educate parents and young adults for their role as advocate/self-advocate. Connect parents and young adults with learning disabilities to community resources. Offer programs and events, workshops, member social events, and an annual conference. Offer mentoring for new teachers working with individuals with learning disabilities. Make resource listings for local professionals who are knowledgeable about learning disabilities.

Understood

www.understood.org

For parents whose children, ages 3 to 20, are struggling with learning and attention issues. Share resources and tips to help parents work constructively with schools, professionals and others in the community. Weekly e-newsletters.
