Legislation establishing the Maryland Veterans Trust Fund was passed during the 2009 Session of the Maryland General Assembly and signed into law on May 19th, 2009. In 2013, the legislation was amended and the Trust is now a 501(c)(3) fund. The legislation authorizes the DVMF to receive donations, and then make grants and loans to veterans and their family members who are in dire financial situations, or to private organizations that help veterans (homeless programs, substance abuse programs, etc.). The Trust Fund gives citizens, businesses, and other organizations a way to express their support to veteran causes through their donations and contributions.
