Aging in Place

Community Forum

Saturday, October 17th, 2015

10-12pm

Rockville Senior Center, Carnation Room

1150 Carnation Dr, Rockville, MD 20850

Have you heard about the village movement?

The principle of the **Village Movement** is simple: Communities form **inter-generational** organizations to provide volunteer help and access to services that support neighbors' choice to stay at home as long as possible.

Over 70 representatives of nonprofits, local government, city residents and businesses have come together to develop a plan to strengthen our community and make Rockville a place to thrive for all ages.

To make this initiative a reality we need to hear from you. Join us and bring a friend! Refreshments will be served!
