Age 14 - 21

- Meet the high school Transition Support Teacher (TST).
- Attend annual IEP meetings. Identify goals (post-secondary education, employment, independent living, career exploration, self-advocacy, travel training, social skills, volunteering, vocational skills/certificates).
- Apply for or update Maryland Developmental Disabilities Administration (DDA) eligibility status (age 14 - 21).
- Apply to the Maryland Division of Rehabilitation Services (DORS). DORS can help with vocational assessment, training and employment resources. Ask about PETS - pre-employment transition services - for students with disabilities age 14 - 22 who are still enrolled in secondary school.
- Register with WorkSource Montgomery for employment assistance. Prior work experience is a great advantage in finding and keeping a job!
- Obtain a Maryland ID card at Motor Vehicle Administration office or consider Developmental Driver Education Program at Montgomery College.
- Investigate travel training, Montgomery County Call 'n’ Ride, Metro Access, reduced fares on public transit.
- Post-secondary education
  - Identify colleges with supports or programs for students with documented disabilities. NOTE: Colleges expect the student not the parent to take the lead in requesting accommodations.
  - Investigate college options for students with intellectual disabilities through ThinkCollege.net; find out about financial aid here https://fafsa.ed.gov/
- Health care
  - Develop a plan to change from pediatric to adult service providers for physical and mental health care.
  - How long can a young adult stay on the family health care plan? What documentation is needed?
  - Investigate options through the Affordable Care Act.
  - If you have mental health concerns, contact the Mont Cty Dept of Health and Human Services Local Behavioral Health Authority.

Age 18 - 21

- Social Security
  - Apply to the Social Security Administration for Supplemental Security Income (SSI) which entitles the individual to Medicaid/Medical Assistance in Maryland. Under age 18, family income assets are considered in determining eligibility. At age 18, only the individual’s income/assets are considered, even if the student is living with a parent or other family member.
  - Ask about other Social Security programs or search on www.ssa.gov:
    - Student Earned Income Exclusion
    - Impairment Related Work Expenses
    - PASS (Plan to Achieve Self-Support)
    - Ticket to Work
    - Medicaid for working people (1619b)
    - Medicaid waiver for home and community based services (1915c)
    - Request a Medicaid card
    - Workforce Innovation and Opportunity Act (WIOA)
- The age of majority in Maryland is 18.
  - Individuals are entitled to make their own decisions, unless under guardianship. Work with health care providers and others to maintain parental access to vital information; investigate guardianship as needed.
  - Register to vote.
  - Males register with the Selective Service. www.sss.gov 1-888-655-1825
- Transitioning Youth Initiative
  - Students leaving school at age 21 who are eligible for DDA may be able to receive limited services through the Transitioning Youth Initiative. DDA should assign each student a Coordinator of Community Services (CCS) by the start of the graduation/exit year. Work with the CCS case manager to visit/interview potential providers and identify choices by October of the graduation/exit year.
  - Ask about DDA waiver programs, DORS programs, LEAP awards, Low Intensity Support Services (LISS) and Respite Services.
- ABLE Savings Accounts - ablenrc.org/ or info@ablenrc.org
