## Reserved Spaces

All Accessible Parking Space access aisles are unencumbered (e.g., no containers, dumpsters, snow, ice, etc.) Snow and ice fall under Montgomery County Winter Pedestrian Safety Act of 2001. The law also makes obstruction of accessible parking spaces by snow or ice punishable by fines up to $100 for the first offense and $150 for subsequent offenses.

## Signage (Please complete this section)

There is a visible sign to identify each accessible parking space.

Free-standing signs are mounted at least 7 feet above the ground.

Flush-mounted signs (i.e., on a building structure or a wall) are at least 6 feet but no more than 10 feet above the ground.

Signs have the international symbol of access and the words “Reserved Parking.”

Van-accessible spaces are identified with a supplemental “Van Accessible” sign.

“No Parking in Access Aisle” sign is posted on “Reserved Parking” space post with arrow pointing to access aisle or “No Parking in Access Aisle” sign is on separate post in front of access aisle.

Signs posted are identified with a supplemental “Maximum Fine $250” sign for Montgomery County and Gaithersburg, $100 for City of Rockville, and $255 for Takoma Park.

Revised April 26, 2017
**Accessible Parking Spaces for Cars**

Accessible parking spaces for cars have at least a 60-inchwide access aisle located adjacent to the designated parking space. The access aisle is just wide enough to permit a person using a wheelchair to enter or exit the car. Two accessible parking spaces may share a common access aisle These parking spaces are designated as reserved by a sign showing the symbol of accessibility and a supplemental sign indicating “Maximum Fine $250” located on level ground not exceeding 1:50 (2%) in all directions. [MCC-Sec. 31-26A(c)]

**Van-Accessible Parking Spaces**

Van-accessible parking spaces are the same as accessible parking spaces for cars except for three features needed for vans:

1. a wider access aisle (96") to accommodate a wheelchair lift;
2. vertical clearance (98") to accommodate van height at the van parking space, the adjacent access aisle, and on the vehicular route to and from the van-accessible space,
3. an additional sign that identifies the parking spaces as "van accessible."
4. Each van accessible parking space aisle shall have a “No Parking in Access Aisle” sign.

**Location**

Accessible parking spaces serving a particular building shall be located on the shortest accessible route of travel from adjacent parking to an accessible entrance. In parking facilities that do not serve a particular building, accessible parking shall be located on the shortest accessible route of travel to an accessible pedestrian entrance of the parking facility. In buildings with multiple accessible entrances with adjacent parking, accessible parking spaces shall be dispersed and located closest to the accessible entrances.
