301-585-6556 (V)

ACSGW collects food donations from throughout the community and keeps it available at their center at 501 Sligo Avenue for people who need some assistance. Community members needing assistance can come to the center and discuss their needs with a case worker during their regular hours (Monday - Thursday from 10:00am - 2:30pm). People needing food must first visit the center to talk with a case manager to explain their need and provide the information necessary to ensure they meet current qualifications. You can request an appointment with a case manager by calling or by using the online form on the website. Qualified clients can visit the center once a month for food. People who qualify can receive food the same day. As often more food is provided than a person can carry, it is advised that the person bring a shopping cart or someone else with them to help carry the food home. Food available varies throughout the month. Typically, nonperishable food is available such as canned goods and pasta, as well as perishable food such as fruits and vegetables. Meat and poultry are sometimes available as well as bread.

Food distribution program. Food boxes are shared at our warehouse daily and through a network of satellite locations. Many of these satellite locations serve seniors living in subsidized housing. If you need food, you will speak with one of our referral representatives, who will ask you some simple questions: 1. whether you are a Montgomery County resident; 2. whether your income falls below what is necessary to be self-sufficient; and 3. which day and location is most convenient for you to pick up your food. Please call Manna’s main office during regular business hours. They need to receive your call by 3:00 pm the day before you would like to receive food, so they can have your order ready. When you come to pick up food, you need a photo ID with your current Montgomery County address or provide a document that proves you currently reside in the county. If you cannot pick up your food on the day scheduled, you must call Manna in order to reschedule your pickup. If you need to schedule a pickup outside of Manna’s normal business hours, call 311 to contact the Department of Health and Human Services. You can also get a referral from hundreds of referral agencies that work with Manna. Ask your case manager, social worker or pastor.
