Veterans Health Administration – LGBTQ+ Health Program

Washington DC VA Medical Center
Janet Kelley, Special Emphasis Program Manager
Email: Janet.Kelley@va.gov
Email: LGBTQProgram@va.gov

The Department of Veterans Affairs (VA) welcomes all Veterans, families, caregivers, and survivor beneficiaries, including diverse gender identities and sexual orientations. LGBTQ+ refers to lesbian, gay, bisexual, transgender, queer/questioning identities. The ‘+’ sign also captures identities beyond LGBTQ, including pansexual, asexual, agender, gender diverse, nonbinary, gender-neutral, and other identities. LGBTQ+ Veterans have faced stigma and discrimination, which can affect health. As a healthcare institution, we need to make sure that LGBTQ+ Veterans know that they are welcome at Veterans Health Administration (VHA). There is an LGBTQ+ Veteran Care Coordinator (LGBTQ+ VCC) at every facility to help you get the care you need. VHA policies require that your health care is delivered in an affirming and inclusive environment and that VHA employees respect your identity.
