Center-Based Respite Days for children with disabilities or special needs, and their siblings, including military and wounded warrior families. These fun, activity oriented respite days support the child and family by providing one-on-one interaction between children and trained volunteers. The activities take place monthly at The Harry and Jeanette Weinberg Inter-Generational Center in Silver Spring and include magicians, face painters, clowns, petting zoos and other engaging, hands-on activities. Volunteers also benefit from being able to make a direct and lasting impact on the lives of families in the Program.

In-Home Respite Care for Military Families who have at least one child diagnosed with highly specialized medical or educational needs. The program places highly trained respite providers in the families’ homes to provide up to 40 hours of respite care per month. The military respite program is available for Navy and Air Force families.

Adult Day Services: Provide support to aging veterans who have served our country from World War II to today’s conflicts. Veterans at risk of institutionalization due to disabilities, Alzheimer’s disease and other medical conditions can find socialization, medical care and hope at the Morris & Gwendolyn Cafritz Foundation Adult Day Services in the Harry and Jeanette Weinberg Inter-Generational Center in Silver Spring. This program helps keep our veterans in the community by preventing unnecessary nursing home placement.

Keystone Program – Yellow Ribbon Fund, Inc.

The Keystone Program provides transitional services and training to caregivers, at any point in their journey: health and wellness education and events; life skills development and educational opportunities; family retreats; peer-to-peer support and networking.

- **Respite**: Through Keystone Chapters across the country, as well as their National Virtual Chapter, they provide a supportive network and “home base” for caregivers. The Keystone Program provides a variety of ways to stay connected through virtual and live events for caregivers and family members such as: fellowship and encouragement of other caregivers; virtual and live events; supportive network and resources; and caregiver and Family retreats.

- **Health & Wellness**: The Keystone Program provides fun, interactive events and activities for mental breaks, fitness and wellness classes to keep caregivers healthy and recharged, and fellowship with other caregivers so they know they are not alone in their journeys. Health and wellness opportunities include: enrichment classes: healthy cooking, exercise & fitness; peer-to-peer mentoring; and monthly activities for self-care and camaraderie.

- **Education**: The Keystone Program offers monthly webinars featuring informative and relevant topics, presented by experts in their field.

Service that pays for a person to come to a Veteran's home or for a Veteran to go to a program while their family caregiver takes a break. While a Veteran gets Respite Care, the family caregiver can run errands or go out of town for a few days without worrying about leaving the Veteran alone at home. The program is for Veterans who need skilled services, case management and help with activities of daily living. Examples include help with bathing, dressing, fixing meals or taking medicines. This program is also for Veterans who are isolated or their caregiver is experiencing burden. Respite Care can be used in combination with other Home and Community Based Services. Respite Care services may be available up to 30 days each calendar year.
