Serving MD, DC, VA, DE, PA, WV.  
The Center provides services to youth and adults who are deaf-blind according to the definition of deaf-blindness in the Helen Keller Act. Support services for youth and adults who are deaf-blind, their families and the professionals who serve them across the country are provided through our system of field services. Staff provide information, training and support through core services including assistive technology training, communication training, independent living training, orientation and mobility training, and vocational training.  
**Regional Representatives** - Provide information, support and advocacy nationwide to individuals with combined vision and hearing loss, their families and the professionals who support them  
**Senior Adult Services** - Senior Adult Specialist provides information, support, advocacy and training to seniors, age 55 and better, with combined vision and hearing loss, their families and the professionals who serve them. Through the Confident Living Program, offered at HKNC headquarters, and the Confident Living Program On the Road, seniors learn about: self advocacy; creative solutions to performing daily tasks; low and high tech devices; local resources and more.  
**Community Services Program** - A team of rehabilitation professionals provide home- and work-based services to youth and adults who are deaf-blind living in the 5 boroughs of New York City, Westchester and Long Island.  
**Residential Program** – Located in Sands Point, NY. Develop invaluable skills and strategies to help you in every area of your daily life – from managing your home and communicating with loved ones to traveling safely and succeeding on the job.  
**Youth Programs** – Summer programs for deaf-blind young adults ages 16 to 23. Work one-on-one with experts in assistive technology, vocational training, mobility and more. Share experiences with other deaf-blind students in small peer-group sessions.
