301-424-5203 (TTY)

E-mail: [syaffe-oziel@ttlc.org](mailto:syaffe-oziel@ttlc.org)

[www.ttlc.org/family\\_hearing\\_center](http://www.ttlc.org/family_hearing_center)

Serve all ages, from newborn infants to seniors. Offer individual recommendations and counseling for hearing aids and hearing aid fittings based on communication needs. Hearing aid services include: digital hearing aid technology and devices; free consultations and hearing aid demonstrations; electroacoustic hearing aid analysis; demonstration and sales of hearing aid accessories and assistive listening devices; trial period with all new hearing aids; and a walk-in clinic for hearing aid problems most Fridays 12:00 p.m. to 2:00 p.m. Offer a full range of hearing services including: newborn and pediatric hearing testing; adult testing; team testing (difficult-to-test children and adults); otoacoustic emissions; auditory processing disorder evaluation; and bilingual testing (Spanish, Hebrew, and Arabic). Screenings can be scheduled at senior centers, schools, childcare centers, and places of employment through community screenings and education program. Educational talks on hearing loss, coping strategies and hearing aid technology can also be presented to an organization or group. Help Others Hear program provides free hearing aids to children and adults who could not otherwise afford them.

**Hearing and Speech Agency (HASA)**

Harry & Jeanette Weinberg Building

5900 Metro Drive

Baltimore, MD 21215

410-318-6780 (V)

E-mail: [hasa@hasa.org](mailto:hasa@hasa.org)

[www.hasa.org](http://www.hasa.org)

Private, non-profit organization that provides hearing and speech services, offers an information resource center, and advocates for people of all ages with communication disorders/disabilities. Services include hearing tests, hearing aids, hearing-aid repair, speech-language evaluations and therapy, auditory-oral therapy, oral deaf education, pre- and post-cochlear implant services, occupational and physical therapy, special education, sign language and oral interpreting, sign language classes, deaf awareness seminars, social work, and parent support groups. Financial aid applications are available.

**Humanim – Deaf Services**

6355 Woodside Court

Columbia, MD 21046

410-381-7171 (V)

1-888-374-8342 (Toll Free)

E-mail: [info@humanim.com](mailto:info@humanim.com)

<http://humanim.org/what-we-do/human-services/deaf-services/>

Offer a variety of vocational supports that address the specific needs of individuals who are deaf and have a developmental disability. Supported Employment services are offered in a bilingual environment (American Sign Language and English), and focus on matching an individual's unique interests and skills to the hiring needs of employers. Once employed, retention specialists continue to work with individuals and employers to ensure job success, through case management, job coaching, advocacy, and other job supports. Services include: Employment Discovery and Customization, Job Readiness Training, Job Development, and Supported Employment.

### **Jewish Social Service Agency (JSSA)**

#### **Deaf and Hard of Hearing Services**

200 Wood Hill Road  
Rockville, MD 20850  
301-838-4200 (V)

[www.jssa.org/get-help/individuals-with-special-needs/deaf-and-hard-of-hearing-services/](http://www.jssa.org/get-help/individuals-with-special-needs/deaf-and-hard-of-hearing-services/)

Provide counseling and care management services for children, teens and adults who are deaf and hard of hearing. Specialized programs include: individual, family and group counseling for all ages, case management services, psychiatric evaluations and medication management, career and employment services, workshops and support groups, community education and advocacy, and referrals to other community resources. JSSA clinical social workers, therapists and supported employment specialists are fluent in ASL.

### **Kendall Demonstration Elementary School**

#### **Gallaudet University**

800 Florida Avenue, NE  
Washington, DC 20002  
202-651-5206 (V)  
202-250-2761 (Videophone)

<http://www3.gallaudet.edu/kdes.html>

Located on Gallaudet's campus. Serve deaf and hard of hearing students from birth through age 15, beginning with the Parent-Infant Program and ending in grade 8. Support services are available to all students including speech, audiological, counseling, social work, psychological, occupational and physical therapy, and medical and health services. Also offer an extensive after-school program. Tuition is free.

### **Laurent Clerc National Deaf Education Center**

#### **Gallaudet University**

800 Florida Avenue, NE  
Washington, DC 20002  
202-651-5855 (V/TTY)

E-mail: [clerc.center@gallaudet.edu](mailto:clerc.center@gallaudet.edu)

[www3.gallaudet.edu/clerc-center.html](http://www3.gallaudet.edu/clerc-center.html)

Centralized source of accurate, objective information provides information, training, and technical assistance for parents and professionals to meet the needs of deaf and hard of hearing children. The work of the Clerc Center is guided by the Education of the Deaf Act, which sets forth our mission: To raise the achievement of deaf and hard of hearing students ages birth-21 nationwide by supporting the families and professionals who work with these students. This support is in turn guided by public input gathered from educators, professionals, and families working with deaf and hard of hearing children. Info To Go collects, develops and disseminates informational materials on communication, education, parenting, organizations, services/programs, and more. All of the informational materials are available to download, free of charge.

### **Library Services for People who are Deaf and Hard of Hearing – Montgomery County Public Libraries**

240-777-0001 (V)  
240-777-0902 (TTY)

Email: [MCPL.DeafAccess@montgomerycountymd.gov](mailto:MCPL.DeafAccess@montgomerycountymd.gov)

<http://montgomerycountymd.libguides.com/deaf>

Library and literacy services are available to the deaf and hard of hearing community through a wide range of materials, library programs and telecommunication services. Many books, closed captioned videos or DVDs, and periodicals about deaf culture, hearing loss, deaf history, and communication options can be borrowed from the Rockville Memorial Library or another Montgomery County library branch. Items can be sent to other libraries for pick up. At the Rockville Memorial Library, books, magazines, and videos or DVDs for parents, teachers, and child care providers are available on the first floor in the Children's Resource Collection. Materials related to employment, rehabilitation, and coping with adult onset deafness or other disabilities can be found on the second floor of the Rockville Memorial Library. MCPL offers services that make library programs accessible to its deaf and hard of hearing customers:

- **Interpreting Services:** Montgomery County Public Libraries has a contract through Montgomery County Government to provide sign language or oral interpreting or cued speech transliteration services for deaf and hard of hearing individuals for all library sponsored programs. Five (5) work days notice is requested. Complete the interpreter request form.
- **Sign-Interpreted Programs:** You may check on the availability of a list of sign-interpreted library programs by contacting the Coordinator of Library Services to the Deaf and Hard of Hearing Community.
- **Hearing Assistive Technology:** Audio induction loop, a hearing assistive technology, are available in library meeting rooms that can be used during a library sponsored program. When you request the audio loop, a microphone will then be reserved. To make this arrangement, contact the library three (3) work days in advance.
- **Videophones:** Three Video Phone Booths have been installed. They are available at the Germantown Library, the Rockville Memorial Library and the Silver Spring Library.

### **Listening Center at Johns Hopkins**

443-997-6467 (V)

[www.hopkinsmedicine.org/otolaryngology/specialty\\_areas/listencenter/index.html](http://www.hopkinsmedicine.org/otolaryngology/specialty_areas/listencenter/index.html)

Offers comprehensive approach to cochlear implantation and develops resources needed to provide patients with optimal access to sound and spoken language. Also serve as a major research and training center for medical and educational professionals working with individuals with hearing loss. Locations in Baltimore and Bethesda. Call to schedule an appointment.

### Maryland's Assistive Technology Program

Workforce Technology Center  
2301 Argonne Drive, Room T-17  
Baltimore, MD 21218  
410-554-9230 (V)  
1-800-832-4827 (Toll Free)  
1-866-881-7488 (TTY)  
E-mail: [mdtap@mdtap.org](mailto:mdtap@mdtap.org)  
[www.mdtap.org](http://www.mdtap.org)

Provides assistive technology services available to every Maryland resident with a disability, providing tools to help Marylanders with disabilities and seniors enjoy the same rights and opportunities as other citizens. The free services include equipment demonstrations, equipment loans, a device-exchange program, training, and public awareness initiatives. Website features an online library of accessible technology and applications for smartphones. There are two low-interest financing programs for the purchase of assistive technology and provide access to cooperative buying discounts on AT purchases. Staff can also assist individuals with referrals to vendors, comparison price shopping or funding sources, and connecting them to local representations that can provide training. MD TAP is a program of the Maryland Department of Disabilities and coordinates with two regional offices to deliver these free AT services to Marylanders across the state. **On-Line Assistive Technology Classified Ads:** For individuals to view and post gently used assistive technology for sale, free or needed - [www.myatprogram.org](http://www.myatprogram.org)

### Maryland Relay Services

Department of Information Technology  
Telecommunications Access of Maryland  
301 West Preston Street, Suite 1008A  
Baltimore, MD 21201  
1-800-552-7724 (V/TTY)  
443-453-5970 (Videophone)  
Maryland Relay: 711  
Maryland Residents: 1-800-735-2258 (V/TTY)  
Spanish Line: 1-800-877-1264 (V/TTY)  
E-mail: [moreinfo@mdrelay.org](mailto:moreinfo@mdrelay.org)  
[www.mdrelay.org](http://www.mdrelay.org)

Provides free service to call TTY users. Services include traditional relay (TTY), hearing carry-over and speech-to-speech, captioned telephone, Braille TTY, and Spanish Relay. Distribute free amplified phones, ring signalers, TTYs, and other assistive devices to qualified applicants who have difficulty using the telephone. Applications available online. **Maryland Relay Partner** program provides free training to businesses on how to place and receive Relay calls.

### Maryland School for the Deaf

[www.msd.edu](http://www.msd.edu)  
**Frederick Campus**  
101 Clarke Place  
P.O. Box 250  
Frederick, MD 21705-0250  
301-360-2000 (V)  
301-360-2001 (TTY)  
240-575-2966 (Videophone)  
E-mail: [frederick@msd.edu](mailto:frederick@msd.edu)

**Columbia Campus**  
P.O. Box 894  
8169 Old Montgomery Road  
Columbia, MD 21044  
E-mail: [columbia@msd.edu](mailto:columbia@msd.edu)  
410-696-3027 (V)  
410-480-4501 (TTY)  
410-696-7449 (Videophone)

Provide free public education for children from birth through age 21 who are deaf and hard of hearing, reside in Maryland, and meet the admissions criteria. Utilize a general education curriculum as well as the voluntary state curriculum. Students are immersed in educational, developmental, and extra-curricular activities.

### Maryland Sheriffs' Association - Deaf Visor Cards

410-659-8329 (V)  
E-mail: [execdir@mdsheriffs.org](mailto:execdir@mdsheriffs.org)  
The card states "DRIVER IS DEAF" and gives the driver instructions on how to use it in the event of a routine traffic stop to help prevent miscommunication. Print the card online, fold it in half and place it in the windshield when the vehicle is being operated by a deaf driver. When needed, the card will inform the officer that the individual has special communication needs due to hearing loss and is not intentionally failing to respond to their request.

### Maxi-Aids

42 Executive Boulevard  
Farmingdale, NY 11735  
1-800-522-6294 (V)  
631-752-0738 (TTY)  
[www.maxiaids.com](http://www.maxiaids.com)  
Products for those who are blind, low vision, deaf, hard of hearing, or have mobility impairments. Products for health and rehabilitation, household, and computer accessories.

### **Montgomery College -**

#### **American Sign Language Classes**

Pauline Laster, M.S., Assistant Professor of ASL  
301-637-2935 (Video Relay Services)

E-mail: [pauline.laster@montgomerycollege.edu](mailto:pauline.laster@montgomerycollege.edu)

#### **The Certificate Program in American Sign**

**Language** is designed to provide students with a foundation in ASL and would benefit those pursuing business or other service-oriented fields where they might be called upon to communicate directly with Deaf clients. The program also serves students preparing to enter an Interpreter Training Program, students whose first language is ASL and who desire to learn the structure and syntax of the language, and students desiring to improve their understanding of Deaf culture to better communicate with Deaf family, friends, neighbors, and community.

The **Associate of Arts degree program in American Sign Language** is designed for students who plan to enter fields in which they would work with Deaf people on a daily basis. Following program completion, students would transfer to a four-year degree program majoring in Deaf Education, Interpreter Education, or Social Work.

### **Montgomery County Association for Hearing-Impaired Children (MCAHIC), Inc.**

P. O. Box 6610

Silver Spring, MD 20916

E-mail: [contactmcahic@gmail.com](mailto:contactmcahic@gmail.com)

[www.mcahicmd.org](http://www.mcahicmd.org)

Hear Now is an application-based program that provides hearing help to low-income Americans. Each person they help is fit with new, top-of-the-line digital hearing aids that are customized to their hearing loss. Listen Carefully is a campaign to raise awareness about noise-induced hearing loss and prevent a hearing loss epidemic.

**TDI (formerly Telecommunications for the Deaf and Hard of Hearing, Inc.)**

PO Box 8009  
Silver Spring, MD 20907
