### **Adult Protective Services (APS) - Montgomery County Department of Health and Human Services**

240-777-3000 (24 Hour Line)  
240-777-4815 (TTY)

State mandated program that investigates allegations of abuse, neglect, self neglect and/or exploitation of vulnerable adults age 18 and older. The program provides professional services to reduce risk factors and promote protection of the health, safety and welfare of endangered, vulnerable adults. A vulnerable adult is one who lacks the physical or mental capacity to provide for his/her daily needs. A staff person will make a risk assessment of the person's safety and health needs. There may be one to three visits to determine this and staff will need to speak to the person who is being assessed. The APS staff person may ask other family members to give the staff person and the client time alone and if the family is present, will ask questions of the family members in regard to the client. Recommendations will be made for prevention and protection of the vulnerable adult.

Staff and volunteers provide supportive listening, information and resource referrals, and crisis intervention (including suicide assessments) for individuals through telephone, text, and chat services. Services are free and confidential.

**Youth Services:** Licensed clinicians and interns provide help for school-age youth (ages 9 and older) dealing with behavioral issues at school and home such as truancy, anger management, and bullying – to cultivate healthy behaviors and improve coping skills. Also provide individual and family counseling, as well as groups, in school and community-based settings, to improve the wellbeing of students and families.

**Adult Services:** Case management services for homeless adults include shelter referrals, outreach, engagement, needs and housing assessments, entitlements and beneficiary referrals, advocacy, education, and connection to resources with a goal of connecting clients to shelter or permanent housing options. The Montgomery County Housing Initiative Program (HIP) provides service coordination to connect clients to needed advocacy, education, and connection to resources so clients can remain stably housed and maintain self-sufficiency. SOAR is a program designed to increase access to Supplemental Security Income / Social Security Disability Income (SSI / SSDI) for eligible adults who are experiencing or are at risk of homelessness and have a mental illness, medical impairment, and/or co-occurring substance use disorder. Friendly Visitor program provides friendship and emotional support to older adults who are homebound, isolated, and lonely – to reduce feelings of loneliness and isolation, help individuals remain in the community, and maintain a safe home environment. Representative Payee program provides money management services to individuals with a disability or mental illness who are unable to manage their own finances – to ensure clients have enough funding for food, clothing, shelter, medication, and other needs.

**Military & Veterans:** Provide education, information, referrals and coordination of resources for Veterans, service members and their families.

Stepping Stones Shelter provides a continuum of  
services (emergency shelter, permanent supportive  
housing, and post-shelter support) for homeless  
families with children in order to help move them from  
the crisis of homelessness to a stable home  
environment. The emergency shelter program offers  
safe shelter, food, clothing, support services, and  
educational programming (focus on housing,  
employment, and financial literacy). Case managers  
work with families, referring them to needed services,  
and helping them increase their income and identify  
options. Tutors work with the school-age children, and  
employment counselors work one-on-one with  
residents to provide intense employment counseling  
and GED tutoring. Stepping Stones also provides  
support to former resident families in the community as  
well as permanent housing and on-going support  
services for two families, each with a disabled head of  
household through their Hope Housing collaboration  
with the Montgomery County Coalition for the  
Homeless.
