Gaithersburg Resident Accessibility Services

Program (GRASP): Provides 0% deferred loans to qualified residential property owners who wish to add accessibility modifications to their homes. Applications submitted by long-term renters who meet program requirements and have permission from the property owner will also be considered on a case by case basis. Some examples of eligible improvements include but are not limited to: providing ramps and no-step entrances to the property; installing an exterior or interior elevator, lift or stair-glide unit; widening interior and exterior doorways to a minimum of 32 inches; installing a walk-in or roll-in shower or tub; reinforcing bathrooms walls; and adding improvements to assist with sensory disabilities. For more information, e-mail lauren.sukal@gaithersburgmd.gov.

Homebuyer Assistance Loan Program: Provides closing cost and down payment assistance to eligible first-time homebuyers who purchase within the City of Gaithersburg corporate limits. Properties within the official city limits of Gaithersburg are eligible for up to \$12,000 or \$25,000 depending on location. These funds are available in a 0% deferred loan. The buyer will be required to sign a promissory note and second deed of trust at settlement. Homebuyers wishing to use these funds must use a City of Gaithersburg approved lender.

Healthy Neighborhoods

Purchase & Rehab Loan Program

410-332-0387 (V)

<https://healthyneighborhoods.org/our-loans/purchase-rehab/>

A nonprofit organization founded in 2004, helps strong but undervalued Baltimore neighborhoods increase home values, market their communities, create high standards for property improvements, and forge strong connections among neighbors. Available for eligible borrowers purchasing a home on a target block within a Healthy Neighborhood. Eligible Borrowers must also use this loan to make improvements to the property in conjunction with the purchase. The loan carries a fixed interest rate that's always 1% below the 60-day Fannie Mae rate but in no event less than 4%. After contributing 3% of the purchase price from their own funds, buyers may borrow the balance of funds needed to buy and renovate the home, as much as 110% of the after-rehabilitation appraisal of the property. No private mortgage insurance is required. Design assistance from an architectural firm is available at no cost to help buyers plan improvement and review contractor proposals. In combination with the Purchase and Rehab loan or Home Improvement loan, borrowers may be eligible for a matching grant of up to \$10,000.

Kensington, MD 20895
240-627-9400 (V)
www.hocmc.org/homeownership.html

Mortgage Purchase Program provides first-time homebuyers with information to help them make responsible financial decisions as they prepare for homeownership. Buyers must locate their own home to purchase. Borrowers apply directly to an HOC participating lender.

HOC Homeownership Program for HOC

Residents: HOC helps prepare residents to move from rental to homeownership. Residents must have an annual income of \$35,000 or higher to be eligible to participate in this initiative. This income level does not guarantee a mortgage or a home to purchase. Residents may choose to purchase a moderate priced dwelling unit (MPDU) from HOC through its random selection process in either program described below or locate a home independently.

Closing Cost Assistance: Offer downpayment and/or closing cost assistance which can be combined with the HOC first mortgage in the MPP. The assistance can be used only to pay for various closing fees or the downpayment.

Maryland Mortgage Program (MMP) provides 30-year fixed-rate home loans to eligible homebuyers purchasing in Maryland. The main loan product types available through MMP are Grant Assist, Loan Assist and Rate Assist. **Maryland SmartBuy** is a program that makes selected state-owned homes available for sale and allows eligible homebuyers to use special MMP financing to pay off their outstanding student debt as part of the home purchase. Other programs may be available for limited times for targeted locations or eligible groups. **Down Payment and Closing Cost Assistance:** Down payment and closing cost assistance is money that you can use to meet the requirements for securing a home loan, and which makes the purchase of a home more affordable. Funds available for down payment and closing costs may be provided in the form of a grant (Grant Assist Program) or as a deferred, no-interest loan (Loan Assist Program). **Maryland HomeCredit Program (Federal Tax Credits):** A Maryland HomeCredit, otherwise known generically as a "mortgage credit certificate" is issued to the homebuyer at the time of the purchase of a home and allows the homeowner to claim a federal tax credit of up to \$2,000 each year for the life of the loan. The amount that can be claimed each year is based on the amount of mortgage interest paid on the loan. Fees may apply. **Partner Match Program:** Many organizations and employers in Maryland have programs to help homebuyers including grants, loans and other helpful assistance. If you're using the Loan Assist Program, any financial assistance you receive from these organizations is matched (up to \$3,500) as additional down payment assistance. **HomeAbility:** A special product designed to assist disabled Maryland homebuyers to finance their home purchase. This is a Conventional Loan product and provides an 80% LTV first lien and up to 25% in a second lien to assist with down payment and closing costs. No mortgage insurance is required. To be eligible for HomeAbility, one of the borrowers is disabled OR one of the borrowers is a guardian for, resides with, and is the principal caregiver for an immediate family member who is disabled (regardless of age). HomeAbility replaces the Department's previous Homeownership for Individuals with Disability Program (HIDP) and is designed to assist more borrowers with disabilities.

Moderately Priced Dwelling Units (MPDUs)

MPH Law requires that between 12.5% and 15% of the houses in new subdivisions of 20 or more units be moderately priced dwelling units (MPDUs). The MPH Law requires that 40% of the MPDUs be offered to the Housing Opportunities Commission (HOC) and other non-profit housing agencies for use by low- and moderate-income families. DHCA does not provide financing to purchase an MPDU, or rental assistance to help you pay the rent in an MPDU. Participants must be able to qualify for financing and to pay down payment, settlement and other costs that are necessary to purchase a home.

Energy Efficiency Program: Free program through DHCA and administered by Habitat Metro Maryland aimed at reducing home energy usage for qualified PEPCO customers. Energy efficiency upgrades include attic insulation; heating and cooling upgrades; water heater replacement; LED light bulbs; programmable thermostat; solar powered attic fan; chimney sealing; and upgrades to major home appliances (refrigerator, washer, dryer, and dishwasher). Eligibility: Be a current resident of Montgomery County; own and occupy the home where services are requested; be a PEPCO customer; and meet household income requirements.
