Comprehensive Community Guide to Public, Private, and Non-Profit Transportation

Transportation Network Directory
for People with Disabilities & Adults 50+

July 2023

www.montgomerycountymd.gov/tnd
The Connect-A-Ride, managed by the Jewish Council of the Aging of Greater Washington, is a free service that helps Montgomery County adults 50+ and adults of all ages with disabilities find the transportation they need. Certified Information and Mobility Specialists provide tailored transportation options and help with schedules, benefits, and eligibility requirements. Connect-A-Ride receives grant funding from Montgomery County Government.

Connect-A-Ride also offers the following programs and services:

**Ride Smart Workshops**

Travel Training is a free half-day workshop that helps Montgomery County residents aged 50+ get confident and comfortable taking public transportation. Participants learn how to read the Metro map, understand digital schedule signs, load a fare card, and where to find a station’s emergency and accessibility features. The workshop includes classroom training, a trip on a Ride On bus, a visit to a Metro station, and a one-station round-trip train ride. The workshop takes about three hours.

Advanced registration is required for Ride Smart workshops. To register or for more information, call 301-738-3252 (V) or email ConnectARide@AccessJCA.org.

**Escorted Transportation**

This program serves eligible low-income residents of Montgomery County who are unable to travel alone. Customers must require assistance due to physical, cognitive or emotional impairment. The program assists with transportation to medical appointments, grocery stores and other destinations.

Rides are provided by private driving organizations whose drivers act as escorts. Taxis may be used when a friend or relative can accompany the client. Travel is available to destinations in Montgomery County and nearby jurisdictions. Fees are based on household income level. Montgomery County Department of Health and Human Services pays the remainder of the cost.

For information or to enroll, call 240-395-0915 (V) or email Escorted.Transport@AccessJCA.org.
This *Transportation Network Directory for People with Disabilities and Adults 50+* has a comprehensive listing of public, private and non-profit transportation in the Washington Metropolitan Region, State of Maryland, and beyond that can be used by everyone in the community. The Commission on People with Disabilities of the Montgomery County Department of Health and Human Services and the Department of Transportation compiled this listing of useful transportation services to assist County residents to better coordinate their transportation needs. Now finding information about transportation services is easier than ever with this resource guide.

You will find that this guide is divided into 29 informative sections. The **Public Transportation** section covers such important services as: MetroAccess, Ride On Bus and Metrobus transportation. To assist us in alleviating traffic congestion, we encourage you to use public transportation whenever you can. These programs offer subsidies and reduced fares for older adults and people with disabilities. To find out more information about these services, read the brief description and call the offices listed for additional information.

If you need a companion to drive you where you want to go check out the **Escorted Transportation** section on page 32. Services listed include door-to-door (ride only with no additional support) and door-through-door (ride plus additional support).

The section on **Grocery Transportation** is filled with important resources to assist you in obtaining groceries. The sections **Commercial Bus and Rail, Airport Transportation** and **Regional Connections Cross County and Beyond** will assist you in traveling to places such as West Virginia, Baltimore, and other destinations in the United States and abroad.

Share this resource guide with friends and neighbors to assist them in their travel in and outside of Montgomery County. We also ask that you help us keep this document up to date by letting us know of changes or other transportation options. Our goal is to advise you of the many transportation options available in Montgomery County – on of the best places to live, work and retire.

Please note that inclusion of a provider listing in this guide does not constitute an endorsement. Consumers should ask private transportation providers whether they maintain active For Hire Driver's Licensure. Among other things, licensure requires drivers to undergo criminal background and driver record checks, and to provide proof of commercial liability insurance.

**Good news!** This guide is available in alternative formats such as Braille and large print by calling 240-777-1252 (V), MD Relay 711 or sending an email to MCCPWD@montgomerycountymd.gov.

RIDE ON TRIP PLANNER
DOWNLOAD ON GOOGLE PLAY OR APPLE APP STORE
www.montgomerycountymd.gov/dot-transit/trip-planner

The Ride On Trip Planner app is easy to use and can be downloaded from the Google Play or Apple app store. Riders can select their trip origin and destination and then pick the most desirable route that fits their travel plans. Once the route is chosen, the app will give the exact time the next bus will arrive, while providing step-by-step directions on how to get to the bus stop and how to get to the rider’s destination after getting off the bus. The app will also notify riders when it’s time to get off the bus, without having to worry about missing their stop. The Ride On Trip Planner app features a range of accessibility capabilities to benefit people with disabilities, including blindness or low vision, ambulatory impairments, and hand-motor disabilities, enabling them to use public transit confidently and maximize their opportunities in the workplace, education, and social life.
Ride On Real Time uses GPS technology to track your bus and estimate when it will arrive at your stop. Site updates every 5 seconds. ADA compliant. Also find a bus stop by bus number, by address or by location. **How to access Real Time bus arrival information from your cell phone:** Open your phone’s web browser to [https://rideon.app](https://rideon.app); click on Find A Stop, then Where Is My Bus – Real Time. Real Time will display the bus stop location and the estimated arrival times for the next bus. **Notify Me:** This function allows site visitors to subscribe for personalized vehicle arrival notifications and alerts via Email or SMS text messaging. Users must register and set up their notification profile by selecting stop number, service route and direction, day(s) of the week, and time of service.

---

**GOOGLE MAPS AND GOOGLE MAPS FOR MOBILE**

[www.google.com/maps](http://www.google.com/maps)

Google Maps includes Ride On transit route and schedule information. Use Google Maps as you normally would but select ‘By Public Transit’ to use public transportation for your trip. You can also select a future date and time by clicking the ‘Show options’ button. Metro service is also available on Google Maps so your trip planning request will show connecting Metrobus or Metrorail service. With your GPS-enabled smartphone and the Google Maps mobile application you can get Ride On trip information based on your current location and time.

Conditionally Eligible MetroAccess Users Ride Free on Fixed Routes

Conditionally eligible MetroAccess users and their companions **ride free** on MetroBus, Metrorail, DC Circulator, Montgomery County Ride On, Fairfax Connector, Arlington County ART, Prince George's County TheBus, and the City of Fairfax CUE. This is part of an effort to encourage conditionally eligible MetroAccess users to use the fixed route system whenever they can.

Please note: Only MetroAccess customers who are conditionally eligible can ride free on Metrobus and Metrorail. Fully eligible customers do not have this benefit because they have been determined not to be able to independently use the bus or train due to the severity of their disability and/or functionality. Conditionally eligible customers are those who have a SmarTrip® enabled MetroAccess ID.

Did you know that if you don’t qualify for MetroAccess, you may qualify for the Reduced Fare Programs for Adults 65+ or People with Disabilities? Visit [www.wmata.com/fares/reduced.cfm](http://www.wmata.com/fares/reduced.cfm) to learn about reduced fare programs.

---

**Adults 65+ and Persons with Disabilities Ride FREE on Ride On and Select Metrobuses* at all times**

When riding with a Senior SmarTrip®, remember to **tap the card on the farebox**. Updates have been made to all fareboxes to ensure that rides within the County remain free at all times.

**Who is Eligible?**

- **Adults 65+** must have a Senior SmarTrip® Card or a Medicare Card and photo ID. Senior (Adults 65+) SmarTrip® Cards are available at any Montgomery County library for $2.00 with a valid photo ID and proof of age.
- Persons with disabilities with Metro Reduced Fare SmarTrip® Photo ID card and their attendants.
- MetroAccess Certified or Conditional Customers with ID.
- Companion of MetroAccess Certified or Conditional Customer with ID.
- Veterans granted by the Department of Veterans Affairs (VA) as having a 60% or greater disability are eligible for the Metro Reduced Fare SmarTrip® Photo ID Card. Qualifying Veterans must complete part A of the application, but do not need to have their healthcare provider complete Part B or C of the application. Veterans must submit their original letter of disability notification issued by the VA, a downloaded letter from the DVA website, or their DD Form 2765 - Uniformed Services ID Card for 100% Disabled Veterans to obtain a Metro Reduced Fare SmarTrip® Photo ID Card.
- Applicants who are deaf or hard of hearing with a pure tone average of 70dB or greater in both ears regardless of hearing aids may substitute an audiogram in lieu of an application; however, the audiogram can be no more than five years old. Applicants who do not have a recent audiogram will need to have a healthcare professional complete the application.

Metro Reduced Fare SmarTrip® Photo ID Cards are issued on a walk-in basis at the WMATA Transit Accessibility Center at 655 Virginia Avenue, SW, Washington, DC 20024, Monday, Wednesday, Thursday and Friday 8:15am to 3:50pm; Tuesday 8:15am to 2:20pm. Customers can also apply and re-certify for the Metro Reduced Fare SmarTrip® Photo ID Card for People with Disabilities at the Silver Spring Commuter Store, 8404 Colesville Road, Silver Spring, MD 20910 on the first and third Monday from 10am to 2pm (excluding holidays). A completed original application and valid government photo identification are required. For more information, contact the WMATA Transit Accessibility Center. For more information, call the WMATA Transit Accessibility Center at 202-962-2700, option 1 (V), 202-962-2033 (TTY), or email [eligibility@wmata.com](mailto:eligibility@wmata.com).

MetroAccess and Abilities-Ride

MetroAccess Paratransit – Washington Metropolitan Area Transit Authority (WMATA)

MetroAccess is a shared-ride, door-to-door public transportation service for people who are unable to use fixed-route public transit due to disability. "Shared ride" means that multiple passengers may ride together in the same vehicle. The service provides daily trips throughout the Transit Zone in the Washington Metropolitan region. The Transit Zone consists of the District of Columbia, Montgomery and Prince George’s Counties in Maryland, Arlington and Fairfax Counties and the cities of Alexandria, Fairfax and Falls Church in Northern Virginia. Rides are offered in the same service areas and during the same hours of operation as Metrorail and Metrobus. MetroAccess is a service of the WMATA (Metro) and is the region’s complementary paratransit service offered in accordance with the Americans with Disabilities Act (ADA).

Please note only MetroAccess customers who are conditionally eligible can ride free on Metrobus and Metrorail. Fully eligible customers do not have this benefit because they have been determined not to be able to independently use the bus or train due to the severity of their disability and/or functionality. Conditionally eligible customers are those that have the SmarTrip® enabled MetroAccess ID.

To be eligible for MetroAccess: You must be at least 5 years old AND have a disability as defined by the ADA, AND be unable, as a result of your disability, to utilize fixed-route transportation such as Metrobus or Metrorail, OR need to use a ramp or wheelchair lift to board or exit a public transit vehicle, but an accessible public transit vehicle is not being used at the time, date, and on the route you would travel (all Metrobuses are wheelchair accessible), OR be unable to travel to or from a bus stop or rail station due to a disability.

- Individuals must complete an application and have it certified by a health care professional.
- Applicants must be determined to be unable to use the accessible bus and rail systems some or all of the time due to their disability. Assessments are done by appointment only. Assessment testing for MetroAccess is located at the Metro Transit Accessibility Center - 655 Virginia Avenue, SW, Washington, DC 20024. MetroAccess will provide transportation to the interview free of charge and will arrange pick-up for this appointment. You also have the option of providing your own transportation should you choose.
- MetroAccess is a shared ride service so trips may take up to 50% longer than those that are not shared. MetroAccess provides a fully accessible paratransit van fleet.
- Customers on time-specific travel, be it a medical appointment, work, movie start time, etc., are encouraged to book their trips by appointment time. Also, for regular time-essential trips like work, customers are being encouraged to establish a subscription service.
- Fares are two times the fastest comparable fixed-route fare, with a maximum fare of $4.00 per one-way trip. The lowest available fare 15 minutes before and 15 minutes after the requested pick-up time will be provided during the booking process.
- Full and exact payment of MetroAccess fares is required for all trips. Payment should be pre-paid through EZ-Pay or presented in exact change, without request, to MetroAccess operators before a customer or their PCA and/or companions board the vehicle.
- MetroAccess operates 7 days a week, 365 days a year, providing service within a three-quarter mile corridor around existing fixed-route services such as Metrobus, Metrorail, and jurisdictional bus services, at least during all hours of operation that service is operated on these modes.
- Trips may be scheduled up to 7 days in advance but no later than 4:30pm one day before the trip (no same day reservations). If all vehicles are full at the time you want to travel, the reservation agent will work with you to select another time. (See Same-Day-Access Program for Certified MetroAccess users on page 21 for same day service.) Registered MetroAccess customers may also use the internet to book, cancel, or review trips.
- Customers are expected to cancel trips at least two hours before the beginning of their pick-up window. Trips not cancelled within two hours are subject to the no-show late cancellation policy.
• Eligible users can use paratransit throughout the United States with advance reservations when on travel for up to 21 days per year. To regularly use other Paratransit services in other parts of the state, persons need to get certified by that local provider.

**Abilities-Ride – An Alternative Transportation Option for MetroAccess Users**

Abilities-Ride is the safe, easy and flexible alternative to MetroAccess. The program offers MetroAccess customers the opportunity to allow MetroAccess to move some of their trips to local taxicab companies, sedan and van companies, and national transportation network companies.

When a customer’s trip is moved to one of the Abilities-Ride providers, the customer’s trip will be at a discounted fare; currently **free**. The customer may even get to enjoy a fast, direct trip to their destination; not shared with other passengers.

If you choose to [join the Abilities-Ride program](http://www.wmata.com/service/accessibility/metro-access/Abilities-Ride.cfm), you will continue to call MetroAccess to make trip reservations. MetroAccess will decide whether your trip will be moved to one of the Abilities-Ride providers or remain with MetroAccess. If the trip is moved, you will receive a text message and / or phone call from the Abilities-Ride provider. If the trip remains on MetroAccess, you will receive the normal MetroAccess reminder call.

**Key Points to Remember:**

- Joining the Abilities-Ride program does not guarantee that any of your MetroAccess reservations will be moved to an Abilities-Ride provider.
  - When booking a MetroAccess trip, you should always be prepared to be serviced by MetroAccess and pay the MetroAccess fare.
- Abilities-Ride providers offer **curb-to-curb service**, not door-to-door like MetroAccess.
- Abilities-Ride drivers are not required to carry customer bags or luggage.
- Abilities-Ride drivers are not required to wait with a customer for a “hand-off” at trip destination location.
- You are free to express your preferred Abilities-Ride provider, but there is no guarantee that all of your Abilities-Ride trips will be serviced by your preferred provider.
- Wheelchair-accessible vehicles are available for customers who require use of a wheelchair-accessible, ramp or lift equipped vehicle.

For more information about Abilities-Ride, please call 202-281-8984 or visit [www.wmata.com/service/accessibility/metro-access/Abilities-Ride.cfm](http://www.wmata.com/service/accessibility/metro-access/Abilities-Ride.cfm).
Ride On Bus – Transit Services – Montgomery County Department of Transportation (MCDOT)

Ride On has fixed bus routes operating in the County with routes connection to the rail system. All bus routes are accessible. Bus passes are sold Monday to Friday, 8am to 4pm at Montgomery County Division of Treasury, 27 Courthouse Square, Suite 200, Rockville, MD 20850.

Reduced Fares: Adults 65+ and people with disabilities ride free at all times. Adults 65+ must have a Senior SmarTrip® Card or a government-issued photo ID that includes your date of birth. Senior (Adults 65+) SmarTrip® Cards are available at any Montgomery County Public Library for $2.00 with a valid photo ID and proof of age. Persons with disabilities who are under age 65 can access Ride On for free by using a valid Metro Reduced Fare Photo ID Card, which is available from WMATA, or MetroAccess Certified or Conditional Customers with ID.

Please note: Conditionally eligible MetroAccess users ride free at all times. Fully eligible MetroAccess customers do not have this benefit because they have been determined not to be able to independently use the bus or train due to the severity of the disability and/or functionality. Conditionally eligible users are those that have the SmarTrip® enabled MetroAccess ID.

Veterans granted by the Department of Veterans Affairs (VA) as having a 60% or greater disability are eligible for the Metro Reduced Fare ID Card. Qualifying Veterans must complete part A of the application, but do not need to have their healthcare provider complete Part B or C of the application. Veterans must submit their original letter of disability notification issued by the VA, a downloaded letter from the DVA website, or their DD Form 2765 - Uniformed Services ID Card for 100% Disabled Veterans to obtain a Metro Reduced Fare ID Card.

Applicants who are deaf or hard of hearing with a pure tone average of 70dB or greater in both ears regardless of hearing aids may substitute an audiogram in lieu of an application; however, the audiogram can be no more than five years old. Applicants who do not have a recent audiogram will need to have a healthcare professional complete the application.

The Kids Ride Free program provides free rides all the time on Ride On buses, including Ride On Flex and Flash, and certain Metrobus routes within Montgomery County to kids ages 18 and under (older if still in high school) who are Montgomery County residents. The program, which is for students, operates year-round. The Youth Cruiser SmarTrip® Card is good on any regional transit system that accepts SmarTrip®, including Metrobus and Metrorail, but the card must have stored value. Students should show their Youth Cruiser SmarTrip® Card when boarding buses. Some schools, all Montgomery County libraries, TRiPS Stores and the Division of Treasury office offer the cards. There is currently no cost to get your first Youth Cruiser SmarTrip® card. Replacement cards cost $2.00. Please see the list of schools at: www.montgomerycountymd.gov/dot-transit/kidsridefree/schools.html.

Ride On Flex

Ride On Flex is MCDOT’s on demand transit program that helps you get around in defined Rockville and Glenmont/Wheaton zones. Ride On Flex has no fixed stops or fixed schedules – it comes when you book a ride during regular service hours. Best of all, you pay only standard Ride On fare to ride Flex - no more than $2! Flex operates in the Rockville zone from 9am to 3:30pm and in the Glenmont/Wheaton zone during peak periods (6am to 9am and 3:30pm to 7pm). Within the zones Flex offers connections between households, transit hubs, commercial centers, and public services. Flex:

- Connects riders in the zones to transit hubs, commercial centers, public services - and home.
- Uses mobile app-based booking for all rides through the Ride On Flex app.
- Features brand-new 11 passenger buses with wheelchair accessibility and free WiFi.
- Accepts reservations only for same-day, on demand service - you are offered the next available time.
- Accepts ride requests to and from any location within the serviced zone, including curb to curb for those with disabilities.
- A new call center option if no smartphone or a special need. Call 240-301-3842.
- Takes only cash and SmarTrip® cards, passes and tokens.

How Do I Ride Flex?

1. Download the Ride On Flex app for free from the Apple or Google store, or if no smartphone, contact the call center at 240-301-3842. Call Center hours are 6am to 7pm, Monday through Friday. **You must book rides only during the hours of operation in your selected zone.**
2. Enter your pickup and drop off location within the zone, and book.
3. Go to your pickup location. Then pay as you board!

Details

- The bus operator will ask for your name on boarding.
- Boarding is at designated corners, not fixed bus stops (curb to curb service for those with disabilities).
- Flex boarding at Metro stations: Wheaton: Bus Bay H; Rockville: Kiss & Ride lot (West); Glenmont: Kiss & Ride lot.
- No boarding without a booked reservation.
- No fixed schedule. Flex comes when you book a ride!
- The bus operator will wait one minute after arrival at your pickup location.
- No-show riders will have their registrations suspended after three no-shows.
- **You must have cash or fare on your SmarTrip® card before boarding.**

Metrobus – Washington Metropolitan Area Transit Authority (WMATA)

Fixed bus route service runs within the District of Columbia, Suburban Maryland, and Northern Virginia. Most bus routes are accessible. All buses are accessible and have a low floor ramp. Operator will call for another bus if lift fails.

**Reduced Fare Program for Adults 65+ and People with Disabilities:**

Adults 65+ and people with disabilities, not eligible for MetroAccess who have a valid Metro Reduced Fare SmarTrip® ID card, may ride for $1.00 cash or paying with a Senior (Adults 65+) SmarTrip® card on regular Metrobus routes and for discounted fare on other participating bus service providers. Adults 65+ must have a Senior SmarTrip® Card or a valid government-issued photo ID that includes your date of birth. Senior (65+) SmarTrip® Cards are available at any Montgomery County library for $2.00 with a valid photo ID and proof of age. Persons with disabilities who are under age 65 and are not certified for MetroAccess may ride for $1.00 cash by using a valid Metro Reduced Fare SmarTrip® ID card, which are available from WMATA, or they can use a valid photo ID and Medicare card. Attendants ride free or at reduced fare depending upon the time of travel.

**Veterans** granted by the Department of Veterans Affairs (VA) as having a 60% or greater disability are eligible for the Metro Reduced Fare ID Card. Qualifying Veterans must complete part A of the application, but do not need to have their healthcare provider complete Part B or C of the application. Veterans must submit their original letter of disability notification issued by the VA, a downloaded letter from the DVA website, or their DD Form 2765 - Uniformed Services ID Card for 100% Disabled Veterans to obtain a Metro Reduced Fare SmarTrip® ID Card.

**Applicants who are deaf or hard of hearing** with a pure tone average of 70dB or greater in both ears regardless of hearing aids may substitute an audiogram in lieu of an application; however, the audiogram can be no more than five years old. Applicants who do not have a recent audiogram will need to have a healthcare professional complete the application.

**Metro Reduced Fare ID Cards:** Issued on a walk-in basis at the WMATA Transit Accessibility Center at 655 Virginia Avenue, SW, Washington, DC 20024, Monday, Wednesday, Thursday and Friday 8:15am to 3:50pm; Tuesday 8:15am to 2:20pm. Customers can also apply and re-certify for the Reduced Fare SmarTrip® ID Card for People with Disabilities at the Silver Spring Commuter Store, 8404 Colesville Road, Silver Spring, MD 20910 on the first and third Monday from 10am to 2pm (excluding holidays). A completed original application and valid government photo identification are required. For more information, contact the WMATA Transit Accessibility Center.

**Please note** only MetroAccess customers who are conditionally eligible can ride free on Metrobus and Metrorail. Fully eligible customers do not have this benefit because they have been determined not to be able to independently use the bus or train due to the severity of their disability and/or functionality. Conditionally eligible customers are those that have the SmarTrip® enabled MetroAccess ID.

**Metro Lift – Low Income Fare Program:** As of June 26, 2023, customers who qualify for the U.S. Department of Agriculture’s Supplemental Nutritional Assistance Program (SNAP) are eligible to enroll in Metro Lift. Customers will receive a 50% discount for any travel on Metrobus and Metrorail. Enrollment in the program is free. For more information, visit [www.wmata.com/metrolift](http://www.wmata.com/metrolift)

**Mobile SmarTrip® Card:** SmarTrip® in Apple Wallet or Google Pay allows you a contactless way to quickly purchase a transit card to pay for a train, bus or parking wherever SmarTrip® is accepted. Adding SmarTrip® to your mobile device keeps all your cards in one place and allows you to skip the fare vending machines in stations when you’re in a hurry. Create an account or log in to your existing SmarTrip® account to manage all of your cards (mobile or plastic), protect your balances, add value to multiple cards, make purchases with your SmartBenefits and find the closest transit service nearby.

MetroRail

MetroRail – Washington Metropolitan Area Transit Authority (WMATA)

Operating Hours: Monday through Thursday 5am to 12am; Friday 5am to 1am; Saturday 7am to 1am; and Sunday 7am to 12am. On certain holidays and events, Metro operates on a different service schedule, sometimes with altered hours. Serving 98 stations in Virginia, Maryland, and D.C. The Metrorail system has six color-coded rail lines: Red, Orange, Silver, Blue, Yellow, and Green. The layout of the system makes it possible to travel between any two stations with no more than a single transfer. All Metrorail stations and rail cars are accessible. Metrorail service level is based on time of day, line traveled and frequency of departure from end-of-the-line stations. Stations served by multiple Metrorail lines receive more frequent service. For schedules and travel directions use the online Trip Planner: www.wmata.com/schedules/trip-planner.

Reduced Fare Program for Adults 65+ and People with Disabilities:

Adults 65+ and people with disabilities may ride for half the peak fare. Adults 65+ must have a Senior SmarTrip® Card, which are available at any Montgomery County library for $2.00 with a valid photo ID and proof of age. Mobile SmarTrip® Card: Riders can now add a SmarTrip® card to iPhone and Apple Watch, and simply hold their device near the card reader to pay anywhere SmarTrip® is accepted. A rider can transfer a physical SmarTrip® or Senior SmarTrip® card and its contents to their iPhone or Apple Watch. Riders can easily view their stored value balance, passes and SmartBenefits in Apple Wallet on iPhone and Apple Watch, and can instantly reload funds with Apple Pay, removing the need to use a vending machine. To complement SmarTrip® in Apple Wallet, Metro has also launched the new SmarTrip® app in the App Store. In the app, Metro riders can add funds, check balances, set up Auto Reload, and even manage SmartBenefits from their employer.

Paratransit service, which is a curb-to-curb, on demand, and subscription service is available to all students, faculty, staff, and visitors with disabilities. The service is for academic purposes only. Each paratransit vehicle is equipped with a wheelchair lift. People with a permanent disability should register for Paratransit service through Accessibility & Disability Services (ADS). People with temporary disabilities, such as broken legs or sprained ankles, should register at the University Health Center (UHC). Private physicians can diagnose injuries, but these diagnoses must be verified by the UHC or ADS. In addition, passengers must register with the Department of Transportation Services (DOTS) Shuttle-UM. During the fall and spring academic semesters, paratransit service hours are 24 hours a day, seven days a week. Paratransit is available between
For rides before and after the Paratransit service hours please call 301-314-3687 (V). When the University is closed, none of the transit services are running, including paratransit. Paratransit scheduling occurs on a first come, first served basis. Priority is established by the date on which the trip is scheduled. DOTS Shuttle-UM prefers you request your ride at 48 hours in advance. However, ride requests can be made as late as one hour before your desired ride. Same day trips can be scheduled by contacting DOTS Shuttle-UM Dispatch. Rides may be also scheduled through the Paratransit Scheduling Application online.

Call-n-Ride (CNR) Program – Montgomery County Department of Transportation
County and State subsidized transportation program designed as a supplement to Montgomery County’s local transportation services. The program provides monthly transportation subsidy to eligible low income adults 63+ and persons with disabilities (18 to 62 years old), to utilize private taxicab services. The transportation is a curb-to-curb service, and trips may be made for any purpose within Montgomery County. Special exceptions have been made to allow transportation to certain approved medical facilities in designated locations. Participants are eligible to receive up to $120 value on their electronic swipe cards each month, which can be used towards taxicab rides. Subsidy assistance is provided on a sliding fee scale determined by total household income. Applications are available online at: www.montgomerycountymd.gov/DOT-transit/seniors.html. Medical certification of disability is required for ages 18 to 62. Once you are registered, you can log in online to add value to your Call-n-Ride (CNR) swipe card by paying with credit card or by sending in a check or money order by mail. There are a limited number of wheelchair accessible taxicabs in Montgomery County. It is recommended that participants requiring a wheelchair accessible vehicle make their reservation with a taxicab company 24 hours or more in advance. CNR participants schedule their trips with a taxicab company by providing their name, CNR swipe card, and pick up and drop off information. Office Hours: Monday through Friday, 8am to 4:30pm.

Same-Day-Access Program for Certified MetroAccess Users
Part of the Montgomery County Call-n-Ride program, designed to provide same day service regardless of income for certified MetroAccess participants who reside in Montgomery County and have a current MetroAccess Identification Card. All Montgomery County Residents who have current MetroAccess Identification cards qualify to add $60.00 of value to their Call-n-Ride swipe card for $30.00. All trips must begin and end in Montgomery County. Special exceptions have been made to allow transportation to approved medical facilities in Designated Service Areas. Transportation provided by private taxicab companies. Applications are available online at: www.montgomerycountymd.gov/DOT-transit/seniors.html.
Call N Ride Program – City of Rockville
Subsidized transportation program for City of Rockville who need transportation and cannot use existing public transportation services. The program provides a monthly transportation subsidy to eligible low income adults 60+ with and without disabilities. Transportation services are provided through private taxicab companies. Transportation is a curb-to-curb service and trips may be made for any purpose within Montgomery County. Participants are eligible to receive a monthly subsidy value of $34.00 through paper coupons. There are a limited number of wheelchair accessible taxicabs in Montgomery County. It is recommended that participants requiring a wheelchair accessible vehicle make their reservation with a taxicab company 24 hours or more in advance.

Medical Assistance Transportation Program
Medical Assistance Transportation Program – Montgomery County Department of Transportation
Provides transportation services for Medical Assistance (Medicaid) recipients who reside in Montgomery County and need transportation to access medically necessary services. This program is a non-emergency medical transportation program that transports Medicaid patients, who have no other means of transportation, to medically necessary appointments only. Transportation is provided by local cab companies and selected vendors that have accessible vehicles, stretcher and ambulance service. Transportation may be scheduled up to seven days in advance and requests must be made no later than 12pm on the working day before transportation is required.
Eligibility: The criteria for eligibility include the stipulation that the patient must reside in Montgomery County; have a certified medical necessity that prevents him/her from utilizing public transportation; and/or resides in a rural city within the County and has absolutely no means of getting to medical appointments. Proof of residency is required. The Maryland State Department of Health requires medical certification for all recipients. The recipient must demonstrate that they have no other available transportation, or that they are physically unable to utilize other existing transportation services. To be certified for participation in the program, each recipient must have their physician complete a Provider Certification form. Applications are available online at: www.montgomerycountymd.gov/DOT-transit/seniors.html.

Ridesharing
Commuter Connections
Provides complimentary information on a host of commuter programs to assist in determining which commuting option works best for you.
Ridesharing Program allows you to find out about others who live and work near you, have similar work schedules, and are interested in carpooling and/or vanpooling to and from work. Commuter Connections’ state-of-the-art ridesharing technology allows you to view an interactive and comprehensive list of all potential ridesharing partners in your area. Signing up for Ridesharing also allows you to use your account to pinpoint the closest transit stop to your home and work, closest park and ride lot, and closest telework center. Telework, bicycling, and walking information is available on the website.
Guaranteed Ride Home (GRH) Program provides commuters who regularly (two days a week or more) carpool, vanpool, bike, walk or take transit to work with a free and reliable ride home when one of life’s unexpected emergencies arise, including personal illness, sick child, or unscheduled overtime. Commuters may take advantage of GRH up to four times per year.
Commuter Connections is a program of the National Capital Region Transportation Planning Board at the Metropolitan Washington Council of Governments and is funded by the District, Maryland and Virginia Departments of Transportation as well as the U.S. Department of Transportation. Many of the local Commuter Connections members receive grant funding directly from their respective state government.

TAXICAB LICENSING AND REGULATION

Maryland Medicaid Transportation Provider Information
Transportation providers can call here to obtain information on becoming a Maryland Medicaid transportation provider.

Montgomery County Taxicab Regulation - Department of Transportation - Division of Transit Services
Provide general ride information and correct taxicab fares. Also accept complaints or compliments regarding taxicab companies. All other calls regarding immediate service should be directed to the taxi company.

TRANSPORTATION NETWORK COMPANIES

Transportation network companies provide on-demand transportation. Passengers download an app to their smartphones to request and pay for rides using a credit card or other account. Passengers request rides from nearby drivers via the app 24 hours day / 7 days a week. When a driver accepts the request, the app displays an estimated time of arrival and notifies the passenger when the driver is about to arrive. The app also provides information about the driver including, but not limited to, first name, vehicle type, and license plate number. Ride fares are based on distance, time, base charge, service fee and prime time. (Fares increase when rider demand is greater than normal.) Estimates are available once a ride is requested. When the ride is completed, the fare is automatically calculated and charged to the payment method linked to the passenger's account.

In Maryland, transportation network drivers are required to have a Transportation Network Operator's License or a Passenger for Hire License by the Public Service Commission. In addition, their vehicle must have a permit from the Commission authorizing its operation.

Filing A Complaint: State and federal law generally prohibit transportation providers from denying service to riders because of their service animals, and from otherwise discriminating against riders with service animals. Lyft and Uber are regulated by the State of Maryland. Formal complaints can be filed online through the Maryland Public Service Commission:
https://webapp.psc.state.md.us/newIntranet/Transport/transComplaint_new.cfm

GoGoGuardian Program
Provide transportation, groceries, home services and more for older adults. Transportation service provided by transportation network companies. Screen drivers, find preferred vehicle sizes, manage pickups and driver GPS for safety and reliability. Families can arrange trips for loved ones and receive text updates on transportation requests and by-the-minute ride updates. Rides can be ordered 15 minutes prior to ride need or in advance. Riders can set up automatic rides for fixed appointments. For pricing, visit https://gogograndparent.com/#pricing.

https://gogograndparent.com • Email: support@gogograndparent.com
Lyft
Riders can schedule rides up to 7 days in advance. Mobile application available for iPhone, Android, and other platforms. To check pricing, view the online fare estimator: [www.lyft.com/fare-estimate](http://www.lyft.com/fare-estimate). Drivers on the Lyft platform may not deny service or otherwise discriminate against riders because they are accompanied by a service animal. If you a rider with a service animal and believe you were denied a ride or discriminated against because of your service animal, please contact Lyft’s Service Animal Hotline: 1-844-250-3174. [www.lyft.com](http://www.lyft.com)

Uber
Riders may schedule a ride up to 30 days in advance. Mobile application available for iPhone, Android, and other platforms. Uber’s policy prohibits drivers who use the Uber Driver App from denying service to a rider because of the rider’s service animal. If a rider has an issue related to his or her service animal - including issues regarding ride cancellations, harassment, or improper cleaning fees - Uber requests that the rider please report the issue to Uber. To file a report from the Uber Rider App, navigate to the “I Want To Report A Service Animal Issue” screen, which is available through both the trip details screen and the account menu button by selecting Help, then selecting Accessibility. Commercial Bus and Rail

Amtrak
**Reduced Fares for People with Disabilities:** Amtrak offers a 10% rail fare discount to adult passengers with a disability. Passengers with a disability travelling on Downeaster trains (Boston, MA to Portland, ME) are eligible for a 50% discount. Child passengers with a disability are eligible for the everyday 50% child discount plus an additional 10% off the discounted child’s fare, regardless of the service on which they travel. Amtrak also offers a 10% discount for persons traveling with a passenger with a disability as a companion. Those designated as companions must be 18 years of age or older. You must provide written documentation of disability at the ticket counter and when boarding the train. Acceptable documentation includes: transit system ID card for persons with a disability; membership card from a disability organization; letter from a physician; Medicare card (if under 65); Veteran’s Administration ID with “Service Connected”; or Disabled/Accessible parking placard issued by a state Department of Motor Vehicle (photocopy is acceptable).

**Making Reservations for Passengers with a Disability:** Reservations for one-way and round-trip train travel can be made on Amtrak.com and in the mobile app for passengers who travel with service animals; passengers who are deaf or have a hearing loss; passengers who are blind or have a vision loss; passengers who need space for a wheeled mobility device, access to the transfer accessible seat or an accessible room; or passengers with a disability who do not need assistance. Reservations can also include one adult companion. Ticket agents at staffed stations are available to sell tickets during regular ticket office hours. To ensure that you get the space and accommodations you require, you must make a reservation for any of the following: wheeled mobility device space, transfer accessible seats (for when you travel in a seat and stow your wheelchair), and/or accessible room accommodations. Amtrak requires that you make reservations for such accommodations on all trains, including on "unreserved trains" (on which reservations for ordinary seats are not required). Accessible space is limited. Please make your reservation as far in advance of travel as possible.

**Reduced Fares for Adults 65+:** Amtrak travelers 65 years of age and over are eligible to receive a 10% discount on most rail fares on most Amtrak trains. On cross-border services operated jointly by Amtrak and VIA Rail Canada, a 10% discount is applicable to travelers 60 years of age and over. Valid proof of age is required when purchasing your ticket and onboard the train. The discount is not valid with Saver or Flexible Fares or on the Auto Train. The discount does not apply to non-Acela Business class, first class or sleeping accommodation. These upgrades are permitted upon payment of the full accommodation charges. The discount is not valid for travel on certain Amtrak Thruway connecting services and may not be combinable with other discount offers.

**Stations:** Amtrak stations are located in Rockville (Metro Station), Washington DC (Union Station), Baltimore (Penn Station), and BWI Airport.

Greyhound Bus

Travelers with Disabilities: When booking your trip online, make sure to self-select as a passenger traveling in a wheeled mobility device if that is the case. If booking your trip in a terminal, notify the ticket agent if you need assistance and if you will be traveling in a wheeled mobility device. Each bus can only accommodate two passengers traveling in a wheeled mobility device and there are capacity limitations on every bus for all passengers. Contact the Greyhound Customers with Disabilities Travel Assistance as far in advance as possible so that Greyhound is better able to help you during your trip.

Greyhound personnel can assist with getting on and off the bus, including help with luggage and storage and retrieval of wheeled mobility devices. You may travel alone on Greyhound only if you are able to travel independently and do not require assistance of a personal nature during travel. Portable oxygen and respirators may accompany passengers.

Airport Transportation

When making airline reservations, be sure to inform your travel agent or airline representative of any assistance needed while at the airport or onboard the aircraft. In all cases, tell the airline of your needs and requests and they will be documented as part of your reservation. It is recommended that persons needing special assistance arrive at the airport three hours before their scheduled domestic flight and four hours before an international flight. Please inform the airline service providers to meet you at the outer roadway curb.

Transportation Security Administration (TSA) Cares Helpline for Air Travelers with Disabilities and Medical Conditions

Travelers may call TSA Cares prior to traveling with questions about screening policies, procedures and what to expect at the security checkpoint. TSA recommends that passengers call 72 hours ahead of travel for information about what to expect during screening. Travelers requiring special accommodations or concerned about checkpoint screening may request a Passenger Support Specialist ahead of time or can ask a checkpoint officer or supervisor for a Passenger Support Specialist when at the checkpoint. Passenger Support Specialists receive specialized disability training provided by TSA's Office of Civil Rights and Liberties, Ombudsman and Traveler Engagement. Training for Passenger Support Specialists include how to assist with individuals with special needs, how to communicate with passengers by listening and explaining, and disability etiquette and disability civil rights.

Online Form – Requests for TSA Cares Assistance: www.tsa.gov/contact-center/form/cares

Hours: Monday through Friday, 8am to 11pm EST, and weekends and holidays from 9am to 8pm EST. Travelers who are deaf or hard of hearing can use a relay service (711) or email TSA-ContactCenter@tsa.dhs.gov.

Baltimore-Washington International (BWI) Airport

Parking: Parking for those with disabilities is available in all BWI Marshall Parking facilities. All shuttle buses to and from BWI Marshall are wheelchair accessible. No waiting or parking is allowed curbside drop off and pick up. For those people wishing to escort passengers with disabilities to airline check-in it is recommended they park in the hourly garage which is located in front of the terminal. Rates are $2.00 per half hour for the first hour, then $4.00 per hour or any part up to a daily maximum of $22.00. All rates are subject to change without notice.
**Traveling with Animals:** Trained service animals are allowed in the airport at any time. Maryland state law requires all non-service animals to be transported in a carrier while inside the terminal. Visit this page for more on airport regulations. Please contact your airline for details of their animal regulations. Travelers who are accompanied by service or other domestic animals can enjoy the convenience of four Animal Relief Areas while at the airport – two are pre-security and two are post-security.

**Services for the Visually Impaired:** BWI Marshall Airport has teamed up with Aira. The service connects blind and low-vision individual to highly trained, remotely-located agents via a smart phone app. Learn more by reviewing this flyer or by watching this YouTube video.

**Telecommunications Devices for the Deaf (TDD):** There are public telephones equipped with Telecommunications Devices for the Deaf (TDD) throughout the airport. There are also TDD phones at the information desks located on the upper level Concourse A/B, lower level in the Southwest Airlines baggage claim 1-5 area, lower level Concourse E as well as the MAA Pathfinders office.

**Free Video Calls for the Deaf and Hard of Hearing:** Free video calls are available using the Purple Video Relay Service (VRS). The phone is located in the Central Terminal Back Hallway adjacent to Dunkin Donuts.

**Restrooms:** Unisex bathrooms are especially equipped for people with disabilities. It is possible for a person with a disability to use them with or without an attendant. Two pre-security unisex bathrooms are located to the right (just past Hudson News) and to the left of Concourse D security, behind the airline ticket counters. Three of the 12 family restrooms at BWI Marshall Airport are equipped with an adult changing station. One is located before security in Terminal A, one inside security in the connector between terminals B and C, and another in concourse D at gate D7.

**Reservations:** When making your airline reservations, be sure to inform your travel agent or airline representative of any assistance needed while at the airport or onboard the aircraft. It is recommended that persons who need assistance arrive at the airport three hours before their scheduled domestic flight and four hours before an international flight.

**Wheelchair Service:** Airlines provide wheelchair service for passengers. Airlines request passengers request service at time of reservation. For those needing to make arrangements, please contact your airline to add that request to your reservation. For last-minute arrangements, please use one of the contact numbers below. Wheelchair providers vary by airline.

Passengers of Southwest, Sun Country and United can request wheelchair assistance via Prospect Air Wheelchair Services by calling 410-981-1251. Hours of operation are 6:00am to 1:30am, 7 days a week. Prosegur serves all other airlines at BWI Marshall Airport. Passengers interested in requesting wheelchair service should call 410-841-9915. Hours of operation are 4:00am to 12:00am, 7 days a week.

When dropping off departing passengers, please inform your service provider to meet the passenger at the outer curb.

Airport Transportation – Getting To and From the Airport

Amtrak – BWI and Reagan Airports

BWI Airport: Amtrak Trains provide service to the BWI Marshall Rail Station, where free shuttles serve the airport terminal. Shuttle service operates 24 hours per day, 365 days per year. Shuttles run approximately every 10 minutes except between the hours of 1am and 5am where service operates every 25 minutes. At the MARC/Amtrak station, shuttles stop adjacent to the rail station garage, directly across from the rail station. At the BWI Marshall Airport terminal, shuttles drop you off near each designated airline check-in counter. Shuttles pick up on the lower level, outside of baggage claim at four designated stops to take you back to the rail station.

BWI Marshall Rail Station

Reagan Airport: Reagan National Airport is located near two Amtrak rail stations and both are easily accessed using Metrorail. Amtrak Union Station can be accessed by using Metrorail’s Red Line. Amtrak Alexandria Station is adjacent to the King Street Station on Metrorail’s Blue Line and Yellow Line – the same Metrorail lines which serve Reagan. View the Metrorail Map for more details: www.flyreagan.com/parking-transportation/metrorail-station.

Amtrak Schedules and Info

BWI Taxi Service – BWI Airport

ESCORTED TRANSPORTATION

This section is divided by providers that charge a fee ("private") and volunteer programs that offer free rides. Volunteer transportation programs use volunteers who provide rides in their personal vehicles. Whether a private company or a volunteer program, each provider sets its own guidelines. When contacting different programs, ask who they serve and how they operate, including their driver screening and training policies. Describe your personal needs in addition to information about the trip. Such needs might include assistance getting out of the car or navigating to the doctor’s office.) Note that most volunteer driving programs are unable to accommodate wheelchairs/scooters.

** Providers with an asterisk * offer wheelchair accessible vehicles. **

Adventist Rehabilitation Hospital of Maryland – Driver Rehabilitation Program

Provide a clinical evaluation which includes an assessment of vision, visual perception, cognition, reaction time, and motor skills related to driving. Also provide a behind-the-wheel evaluation, which is done in a vehicle equipped with an instructor brake so the therapist can gain control of the car if needed. Vehicle is equipped with adaptive controls (i.e. brake, accelerator, etc.). Training is provided if it is determined the client needs special equipment or adaptive strategies. A prescription for a driving rehabilitation evaluation is needed from a doctor. This program is unable to accommodate new drivers or those who will need to drive from a wheelchair. Clients must be able to transfer in and out of a car and tolerate sitting in a car. Medicare and secondary insurances do not pay for driving rehabilitation evaluations, training or equipment needed for the client’s vehicle. If applicable, Worker’s Compensation or the Maryland Division of Rehabilitation Services may pay for evaluations. Services are provided by Brant’s Driving School.

Ascension Saint Agnes - Driver Rehab Program

Driving evaluations for people with disabilities or age related issues. A pre-driving clinical assessment is conducted to determine if an individual has the skills needed to be a safe driver. An On-Road Evaluation is recommended following successful completion of the pre-driving screening and is conducted by a Certified Driver Rehabilitation Specialist. Assessment is conducted in a vehicle equipped with a variety of adaptive controls to accommodate drivers with a variety of disabling conditions. A driving education component is included in all aspects of the driver rehab program including counseling, support, instruction in the use of a variety of adaptive equipment and community resources if return to safe driving may not be possible. A physician’s prescription is required in order to participate in the program. Valid driver’s license or eligibility for a license with restrictions is required. Referral may be initiated by the driver, family member, MVA or other agency. Service is not typically covered by Medicare or other insurance agencies.

Drivers Assessment and Adapted Driving

Certified driving instructors evaluated individuals with disabilities to determine their ability to drive motor vehicles. Staff also determine what adaptive equipment individuals with disabilities will need to get a driver’s license and then provide training on how to use the adaptive equipment. DORS Counselors will discuss whether a special license is required, the time needed to obtain a license, the role of the MVA Medical Advisory Board, what help DORS can provide in preparing an individual for the Learner’s Permit and/or the driving test, where testing and/or training can take place, and what type of testing is administered.

Driver Education: Deaf and Autism Spectrum Disorder

Customized driver education for individuals who are Deaf or are diagnosed with an Autism Spectrum Disorder. This includes the MVA 30-hour Driver’s Education classroom course and 6 hours of behind-the-wheel training. After students complete the course, staff can assist in transporting them to the MVA to take the learner’s permit examination.

Montgomery College Driver Education – Additional Supports
Montgomery College’s Driving School and its instructors are Maryland MVA licensed and certified. Additional support instructors are dually certified in Special Education. This course, in a small classroom environment, prepares rookie drivers to test for a Maryland driver’s license. Their 36-hour course consists of 10 three-hour classroom sessions, and 3 two-hour individual sessions using our own cars. This course provides the exact same MVA curriculum as SFT-043 Driver Education, but with built-in supports. Rookie drivers MUST be accompanied by mentor (parent, guardian, etc.) at the first class / orientation and MUST bring a learner’s permit to the first class / orientation. Montgomery College educates mentors on how to manage the learning-to-drive experience through their mentor / parental involvement expectations, our 12 driver readiness indicators with self-assessments, and a collaborative approach between mentor and instructor(s). Additional Supports include, but are not limited to: differentiated instruction, supplemental aids and supports including a multi-sensory approach to learning; behind the wheel is one-on-one instruction with a dually certified MVA and MSDE Special Education Educator; smaller class size; quizzes and tests are read aloud; extra time is granted to students for quizzes and tests; manipulatives (toy cars) are used to better explain situations; and a copy of all powerpoints and instructor notes is provided to student. Contact Natalie Martinez, Disability Supports Services Counselor, at least four weeks prior to the start of class to arrange for accommodations and/or assistive technology. If this procedure is not followed, services may be delayed.

Rehabilitation of Frederick, Inc. – Driver Evaluation and Drivers Education

**Adaptive Driver Evaluation:** Services include a clinical and behind-the-wheel evaluation in adaptive vehicles to evaluate an individual's potential to drive. Driving evaluation assesses the individual’s vision, visual perception state, physical disability, and cognitive functioning for the task of driving. Offer three different adaptive vehicles for evaluation. Services can be provided at consumer's location with appropriate travel reimbursement.

**Driver Safety Evaluations:** Evaluate a consumer's ability to continue or resume driving. Consists of clinical and behind the wheel testing to determine if community mobility is an achievable goal. Driver safety evaluations are provided for individuals who are experiencing mild cognitive impairment, recovery of stroke/TIA, recent hospitalization, or a number of disabilities including vision, visual perceptual, neuromuscular, and cognitive disabilities. Identifies if a consumer can continue to drive or resume driving following a hospitalization or rehabilitation stay.

**Drivers Education for Individuals with Disabilities:** Maryland MVA Certified Drivers Education program. Licensed and certified to teach the Maryland standardized curriculum for novice drivers with special requirements. Provide adaptive behind-the-wheel drivers education for all disabilities including adaptive car, adaptive van, and adaptive truck needs. A restricted Learners Permit is required to provide services as part of the graduated license system requirement for the state of Maryland. Serve MD, VA, and WV.

**Sinai Hospital - Driver Evaluation and Training Program**

Assessment consists of a pre-driving clinic evaluation and a behind-the-wheel evaluation. The clinic evaluation includes assessment of vision, reaction time, cognition, memory, physical function and possible need for adaptive equipment. The behind-the-wheel evaluation and training is completed in a Sinai Hospital–owned and –insured vehicle. Adaptive equipment may be added to this vehicle and used if needed. The driving route is designed to assess the driver’s skills under normal driving conditions. If needed, training will be provided on the use of adaptive equipment. Results of the evaluation will be discussed with you. Recommendations will be made regarding driving safety, the need for further training or the application of new driving techniques. A written copy of the evaluation will be forwarded to you, your primary care physician and, if applicable, to the Motor Vehicle Administration. Medicare and most health insurance plans do not cover the cost of evaluation or training. These evaluations are charged by the hour and most evaluations are completed in two to three hours. Driver training is usually one to two hours in duration.

Maryland Relay (MD Relay)
With Maryland Relay, people who are Deaf, Hard of Hearing, late-deafened, Deaf-Blind or have cognitive, mobility or speech difficulty can easily communicate through TTY (text telephone) with anyone using a standard phone. Either a TTY user or a person using a standard phone may initiate a call through Maryland Relay. The spoken words are relayed by an Operator (OPR) who types them, word for word, to the person on the other end of the line. Then the OPR speaks to the hearing person everything that the TTY user types back. The Maryland Accessible Technology (MAT) program distributes free amplified phones, ring signalers, TTYs and other assistive devices to qualified applicants who have difficulty using the telephone. To qualify, applicants must be receiving one or more state or federal benefits or show that they have a limited income and their home must be equipped with home phone service, high speed/WiFi, or applying for phone service and/or high speed/WiFi. In
addition, applicants must have a disability that makes it difficult for them to access a standard telephone. Free training on the use of your equipment will be provided, if necessary. Administered by Telecommunications Access of Maryland.

**Maryland State Highway Administration (SHA)**
With a few exceptions, SHA owns and maintains all non-toll roads in Maryland that have a number as well as a name, such as I-495 (Capital Beltway), MD 355 (Rockville Pike) and US 29 (Columbia Pike), except those in Baltimore City. Roads without a number are maintained by the county or municipality. Toll roads (including I-95, the Bay Bridge, Fort McHenry Tunnel) are owned and maintained by the Maryland Transportation Authority (MDTA). Please report all highway emergency situations not requiring police assistance, such as traffic signal outages or sinkholes to the Statewide Operations Center. All other service requests, submit online via the customer service form: [https://mdotsha.my.salesforce-sites.com/customercare/request_for_service](https://mdotsha.my.salesforce-sites.com/customercare/request_for_service)

Accessible Parking in Montgomery County

Did you know?

✓ Only the individual whose name is on the Motor Vehicle Administration (MVA) registration for the placard/plate may park in the accessible parking space and that individual must be in the car when it is being used. It is not legal to borrow or loan a placard.

✓ You must always have your copy of the white MVA Disability Parking Certification card in your possession whenever you use the placard or plates. This certification must be presented to law enforcement upon request. Police Officers and Montgomery County Security Guards have the authority to enforce accessible parking laws and write parking tickets.

✓ The fine for illegally parking in an accessible parking space is up to $250.00 and this includes using a placard that is not issued to you.

✓ Disability Tags or Placards are required to be displayed properly. Placards must be hung on the inside rearview mirror. If the vehicle does not have an inside mirror, or the inside mirror is not visible from the rear, you may display the placard on top of the dashboard on the driver’s side. Please make sure the placard side displayed shows the expiration date of the disability placard. You must remove hanging placards from rearview mirror while your vehicle is in motion.

✓ The striped area adjacent to and between accessible spaces is there so that wheelchair lifts may load or unload passengers. When you park in a striped area “just for a minute” a lift cannot be used.

Please respect accessible parking laws and regulations.
