

# EARLY CARE & EDUCATION INITIATIVE

A four-year action plan to increase high quality early education opportunities for children birth to five.

## SUSTAINABILITY

Provide new and ongoing resources to sustain partnerships and high-quality early childhood education across settings.

## ACCESS & AFFORDABILITY

Provide ease of access and affordable options for families with children infants through age five.

## ALIGNMENT

Create partnerships and alignment of services for ease of access for families of young children, early educators and the public.

## EXPANSION

Expand the supply and options for high quality early education programs in multiple settings.
