

OUR MISSION

We want all children in Montgomery County to have equal access to high-quality early care and education and after-school programming. Our mission is to build a successful and knowledgeable child care workforce through professional development and individualized support.

MAKING A DIFFERENCE

Our personalized technical assistance will evaluate your program, identify areas for growth and offer support and solutions to help you meet your goals. If you are in need of training, our training department offers affordable and fun classes that meet state licensing standards, quality initiatives, and increase your competitive edge.

"The one-on-one support my staff and I received from our coach helped our program implement SEFEL strategies that can now be seen everywhere and everyday! Days run smoother, children are engaged and teachers are more confident!"
