Dementia Friendly Initiative. The program had an official launch event in early December 2016 and the action team will now meet quarterly. Lylie Fisher will provide an overview of the Dementia Friendly Initiative during the CoA meeting next week. There was some discussion about Dementia Friendly becoming part of the AFMC Initiative.
Liaisons to Other Groups. With the departure of 9 Commissioners there is a need of CoA liaisons with the Guardianship Program which meets monthly, In Home Care which meets quarterly, and the Recreation Department Advisory Group which meets monthly.

Commission Business

Upcoming 2018 Budget Forums: Amoke and Dick to attend 1/24 forum. Syed, Mort and Bonnie to attend the 1/30 forum.

Stakeholders Planning Task Force: The Stakeholders meeting is scheduled for 3/29/17 from 9am-12:30pm at the Silver Spring Civic Building. The program is drafted and subject to revision.

Orientation Task Force: A group of interested Commissioners including Mary Petrizzo will work with Odile to build on the success of the current Commissioner orientation process.

Operations Manual: Isabelle is interested in developing an operations manual for the CoA. The Executive Committee agreed that an operations manual would be helpful. Work can begin on the manual when bylaws are finalized.

Organizing Liaison Reports for CoA meetings: Noelle is concerned about the lack of time for liaison reports and asked for suggestions about how to address the situation. After much
discussion the Executive Committee decided to send a survey monkey to the liaisons to obtain their input.

Attach Committee Minutes to the CoA Agenda: Since the minutes for each committee are already distributed to Commissioners the decision was made to not attach committee minutes to the CoA agenda.

Committee Recruitment: Noelle suggested that each Committee recruit for new members during the CoA meetings. Other ideas include Noelle contacting each of the non-participating members, committee sign ups with follow up from the committee chairs, send out committee scopes (Executive Committee members did not think we needed to send them out again), clearly state during the new commissioner interview process the expectation for Committee sign up and engaged participation and provide them with a copy of the CoA Annual Report.
