NOTICE TO VENDORS

Meeting Facilitators for Integrated Care Initiatives

I. Definitions.

Service providers are DHHS and any other government to community organization that provides services to customers.

Service system is the continuum of Service Providers that provide services to customers.

Service delivery is the process of providing services to a customer.

Contractor – may be an individual or a company with eligible employees.

Facilitator – individual who meets the required qualification and facilitates an integrated practice team meeting as described in the sections below.

II. Background

Montgomery County, Maryland, through its Department of Health and Human Services (DHHS or the “Department”) is seeking applications from individual mental health therapists, substance abuse therapists, social workers, nurses and other human services professionals for the provision of services to facilitate integrated team meetings involving a customer, his or her service providers, and other meeting participants.

The purpose of DHHS is to promote and ensure the health and safety of the residents of Montgomery County and to build individual and family strength and self-sufficiency, safety and health.

Integrated service delivery, as guided by the Integrated Service Practice Model (ISPM), begins with the Department’s initial contact with an individual or family member – at any program point of entry – and is a continuous process over the life of that individual’s (“customer”) involvement with DHHS.

When multiple service systems are involved with a customer, successful integrated service delivery requires linking and coordinating systems (both formal and informal) to meet the customer’s needs, minimize duplication of activities and support continuous movement toward agreed upon goals. The Department is working to fulfill the promise of service integration, adhere to the guiding principles, and implement the case practice model, so that customers and staff in all service areas will expect to have:

(1) An integrated service delivery system.
(2) Team-based casework where multiple services are involved.
(3) Concurrent service delivery provided whenever possible.
(4) No wrong door and no wrong time for accessing an array of services.
(5) An empowered customer who participates in his/her treatment.
(6) A cooperative, capable, and empowered staff.
OPEN SOLICITATION #1015721

(7) Customers telling their story only once rather than over and over with each new service provider.
(8) Participation and responsibility of customers, staff and service providers as partners in goal setting and development and implementation of a service plan.
(9) Strategies and best practice rooted in research and evidence.

The facilitator function will support team-based case planning and service delivery through the effective use of team meetings involving DHHS staff, service providers and customers to understand the status of a case, plan and agree upon goals, determine actions to meet those goals, and ensure accountability to follow through on assigned actions. Pre-meeting preparation and post meeting follow up may be required.

A complete description of the Scope of Services required is listed in the Pre-Approved Form Contract of the Open Solicitation packet. You may obtain a packet by contacting the Contract Management Team at 240-777-4453 and requesting Open Solicitation #1015721, providing your name or a contact name, your complete address, and your telephone number.

The County reserves the option to cancel this Open Solicitation at any time.

Award of a Contract under this Open Solicitation is subject to fiscal appropriations.

All applicants meeting the mandatory requirements listed in the Pre-Approved Form Contract of this open solicitation will be awarded a contract for services. The County is unable to make any guarantee about the number of Customers who may need these services due to the dynamic nature of its clientele and their needs. The services to be provided under a contract resulting from this Open are driven by Customer needs. Providers will be placed on the list of current contractors for the DHHS and will be selected based on provider expertise in the meeting subject, the availability of the provider for the timeframe needed, a rotation of available providers meeting those criteria, and provider’s proximity to the meeting location.

The County sets the reimbursement rates for these services. The rates are published at http://www.montgomerycountymd.gov/hhstmpl.asp?url=/content/hhs/cmt/rates.asp, under Open Solicitation #1015721, labeled Integrated Services Meeting Facilitation Compensation Rate Sheet. Contractor guarantees for one year from acceptance, or for a longer period that is otherwise expressly stated in the County’s written solicitation, all goods, services, and construction offered, including those used in the course of providing the goods, services, and/or construction. This includes a guarantee that all products offered (or used in the installation of those products) carry a guarantee against any and all defects for a minimum period of one year from acceptance, or for a longer period stated in the County’s written solicitation. The contractor must correct any and all defects in material and/or workmanship that may appear during the guarantee period, or any defects that occur within one (1) year of acceptance even if discovered more than one (1) year after acceptance, by repairing, (or replacing with new items or new materials, if necessary) any such defect at no cost to the County and to the County’s satisfaction.

B. Should a manufacturer’s or service provider’s warranty or guarantee exceed the requirements stated above, that guarantee or warranty will be the primary one used in the case of defect. Copies of manufacturer’s or service provider’s warranties must be provided upon request.

C. All warranties and guarantees must be in effect from the date of acceptance by the County of the goods, services, or construction.

D. The contractor guarantees that all work shall be accomplished in a workmanlike manner, and the contractor must observe and comply with all Federal, State, County and local laws, ordinances and regulations in providing the goods, and performing the services or construction.

E. Goods and materials provided under this contract must be of first quality, latest model and of current manufacture, and must not be of such age or so deteriorated as to impair their usefulness or safety. Items that are used, rebuilt, or demonstrator models are unacceptable, unless specifically requested by the County in the Specifications.
14. HAZARDOUS AND TOXIC SUBSTANCES
Manufacturers and distributors are required by federal "Hazard Communication" provisions (29 CFR 1910.1200), and the Maryland "Access to Information About Hazardous and Toxic Substances" Law, to label each hazardous material or chemical container, and to provide Material Safety Data Sheets to the purchaser. The contractor must comply with these laws and must provide the County with copies of all relevant documents, including Material Safety Data Sheets, prior to performance of work or contemporaneous with delivery of goods.

15. HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPAA) COMPLIANCE
In addition to the provisions stated above in Section 3, "Applicable Laws," contractor must comply with all requirements in the federal Health Insurance Portability and Accountability Act (HIPAA), to the extent that HIPAA is applicable to this contract. Furthermore, contractor must enter into the County’s standard Business Associate Agreement or Qualified Service Organization Agreement when contractor or the County, as part of this contract, may use or disclose to one another, to the individual whose health information is at issue, or to a third-party, any protected health information that is obtained from, provided to, made available to, or created by, or for, the contractor or the County.

16. IMMIGRATION REFORM AND CONTROL ACT
The contractor warrants that both the contractor and its subcontractors do not, and shall not, hire, recruit or refer for a fee, for employment under this contract or any subcontract, an alien while knowing the alien is an unauthorized alien, or any individual without complying with the requirements of the federal Immigration and Nationality laws, including any verification and record keeping requirements. The contractor further assures the County that, in accordance with those laws, it does not, and will not, discriminate against an individual with respect to hiring, recruitment, or referral for a fee, of an individual for employment or the discharge of an individual from employment, because of the individual's national origin or, in the case of a citizen or prospective citizen, because of the individual's citizenship status.

17. INCONSISTENT PROVISIONS
Notwithstanding any provisions to the contrary in any contract terms or conditions supplied by the contractor, this General Conditions of Contract document supersedes the contractor's terms and conditions, in the event of any inconsistency.

18. INDEMNIFICATION
The contractor is responsible for any loss, personal injury, death and any other damage (including incidental and consequential) that may be done or suffered by reason of the contractor's negligence or failure to perform any contractual obligations. The contractor must indemnify and save the County harmless from any loss, cost, damage and other expenses, including attorney's fees and litigation expenses, suffered or incurred due to the contractor's negligence or failure to perform any of its contractual obligations. If requested by the County, the contractor must defend the County in any action or suit brought against the County arising out of the contractor's negligence, errors, acts or omissions under this contract. The negligence of any agent, subcontractor or employee of the contractor is deemed to be the negligence of the contractor. For the purposes of this paragraph, County includes its boards, agencies, agents, officials and employees.

19. INDEPENDENT CONTRACTOR
The contractor is an independent contractor. The contractor and the contractor's employees or agents are not agents of the County.

20. INSPECTIONS
The County has the right to monitor, inspect and evaluate or test all supplies, goods, services, or construction called for by the contract at all reasonable places and times (including the contractor's place of business) and times (including the period of preparation or manufacture).

21. INSURANCE
Prior to contract execution by the County, the proposed awardee/contractor must obtain at its own cost and expense the minimum insurance specified in the applicable table (See Tables A and B) or attachment to these General Conditions, with one or more insurance company(s) licensed or qualified to do business in the State of Maryland and acceptable to the County’s Division of Risk Management. The minimum limits of coverage listed shall not be construed as the maximum as required by contractor or as a limitation of any potential liability on the part of the proposed awardee/contractor to the County, nor shall failure by the County to request evidence of this insurance in any way be construed as a waiver of proposed awardee/contractor’s obligation to provide the insurance coverage specified. Contractor must keep this insurance in full force and effect during the term of this contract, including all extensions. Unless expressly provided otherwise, Table A is applicable to this contract. The insurance must be evidenced by one or more Certificate(s) of Insurance and, if requested by the County, the proposed awardee/contractor must provide a copy of any and all insurance policies to the County. At a minimum, the proposed awardee/contractor must submit to the Director, Office of Procurement, one or more Certificate(s) of Insurance prior to award of this contract, and prior to any contract modification extending the term of the contract, as evidence of compliance with this provision. The contractor’s insurance must be primary. Montgomery County, MD, including its officials, employees, agents, boards, and agencies, must be named as an additional insured on all liability policies. Contractor must provide to the County at least 30 days written notice of a cancellation of, or a material change to, an insurance policy. In no event may the insurance coverage be less than that shown on the applicable table, attachment, or contract provision for required insurance. After consultation with the Department of Finance, Division of Risk Management, the Director, Office of Procurement, may waive the requirements of this section, in whole or in part.

Please disregard TABLE A. and TABLE B., if they are replaced by the insurance requirements as stated in an attachment to these General Conditions of Contract between County and Contractor.

22. INTELLECTUAL PROPERTY APPROVAL AND INDEMNIFICATION - INFRINGEMENT

If contractor will be preparing, displaying, publicly performing, reproducing, or otherwise using, in any manner or form, any information, document, or material that is subject to a copyright, trademark, patent, or other property or privacy right, then contractor must: obtain all necessary licenses, authorizations, and approvals related to its use; include the County in any approval, authorization, or license related to its use; and indemnify and hold harmless the County related to contractor’s alleged infringing or otherwise improper or unauthorized use. Accordingly, the contractor must protect, indemnify, and hold harmless the County from and against all liabilities, actions, damages, claims, demands, judgments, losses, costs, expenses, suits, or actions, and attorneys’ fees and the costs of the defense of the County, in any suit, including appeals, based upon or arising out of any allegation of infringement, violation, unauthorized use, or conversion of any patent, copyright, trademark or trade name, license, proprietary right, or other related property or privacy interest in connection with, or as a result of, this contract or the performance by the contractor of any of its activities or obligations under this contract.

23. INFORMATION SECURITY

A. Protection of Personal Information by Government Agencies:

In any contract under which Contractor is to perform services and the County may disclose to Contractor personal information about an individual, as defined by State law, Contractor must implement and maintain reasonable security procedures and practices that: (a) are appropriate to the nature of the personal information disclosed to the Contractor; and (b) are reasonably designed to help protect the personal information from unauthorized access, use, modification, disclosure, or destruction. Contractor’s requirement to implement and maintain reasonable security practices and procedures must include requiring any third-party to whom it discloses personal information that was originally disclosed to Contractor by the County to also implement and maintain reasonable security practices and procedures related to protecting the personal information. Contractor must notify the County of a breach of the security of a system if the unauthorized acquisition of an individual’s personal information has occurred or is reasonably likely to occur, and also must share with the County all information related to the breach. Contractor must provide the above notification to the County as soon as reasonably practicable after Contractor discovers or is notified of the breach of the security of a system. Md. Code Ann., State Gov’t., § 10-1301 through 10-1308 (2013).

B. Payment Card Industry Compliance:

In any contract where the Contractor provides a system or service that involves processing credit card payments (a “Payment Solution”), the Payment Solution must be Payment Card Industry Data Security Standard Compliant (“PCI-DSS Compliant”), as determined and verified by the Department of Finance, and must (1) process credit card payments through the use of a Merchant ID (“MID”) obtained by the County’s Department of Finance by and in the name of the County as merchant of record, or (2) use a MID obtained by and in the name of the Contractor as merchant of record.

24. NON-CONVICTION OF BRIbery

The contractor hereby declares and affirms that, to its best knowledge, none of its officers, directors, or partners or employees directly involved in obtaining contracts has been convicted of bribery, attempted bribery, or conspiracy to bribe under any federal, state, or local law.

25. NON-DISCRIMINATION IN EMPLOYMENT

The contractor agrees to comply with the non-discrimination in employment policies and/or provisions prohibiting unlawful employment practices in County contracts as required by Section 11B 33 and Section 27 19 of the Montgomery County Code, as well as all other applicable state and federal laws and regulations regarding employment discrimination.

The contractor assures the County that, in accordance with applicable law, it does not, and agrees that it will not, discriminate in any manner on the basis of race, color, religious creed, ancestry, national origin, age, sex, marital status, disability, or sexual orientation.

The contractor must bind its subcontractors to the provisions of this section.

26. PAYMENT AUTHORITY

No payment by the County may be made, or is due, under this contract, unless funds for the payment have been appropriated and encumbered by the County. Under no circumstances will the County pay the contractor for legal fees. The contractor must not proceed to perform any work (provide goods, services, or construction) prior to receiving written confirmation that the County has appropriated and encumbered funds for that work. If the contractor fails to obtain this verification from the Office of Procurement prior to performing work, the County has no obligation to pay the contractor for the work.

If this contract provides for an additional contract term for contractor performance beyond its initial term, continuation of contractor’s performance under this contract beyond the initial term is contingent upon, and subject to, the appropriation of funds and encumbrance of those appropriated funds for payments under this contract. If funds are not appropriated and encumbered to support continued contractor performance in a subsequent fiscal period, contractor’s performance must end without further notice from, or cost to, the County. The contractor acknowledges that the County Executive has no obligation to recommend, and the County Council has no obligation to appropriate, funds for this contract in subsequent fiscal years. Furthermore, the County has no obligation to encumber funds to this contract in subsequent fiscal years, even if appropriated funds may be available. Accordingly, for each subsequent contract term, the contractor must not undertake any performance under this contract until the contractor receives a purchase order or contract amendment from the County that authorizes the contractor to perform work for the next contract term.

27. P-CARD OR SUA PAYMENT METHODS

The County is expressly permitted to pay the vendor for any or all goods, services, or construction under the contract through either a procurement card (“p-card”) or a Single Use Account (“SUA”) method of payment, if the contractor accepts the noted payment method from any other person. In that event, the County reserves the right to pay any or all amounts due under the contract by using either a p-card (except when a purchase order is required) or a SUA method of payment, and the contractor must accept the County’s p-card or a SUA method of payment, as applicable. Under this paragraph, contractor is prohibited from charging or requiring the County to pay any fee, charge, price, or other obligation for any reason related to or associated with the County’s use of either a p-card or a SUA method of payment.

28. PERSONAL PROPERTY

All furniture, office equipment, equipment, vehicles, and other similar types of personal property specified in the contract, and purchased with funds provided under the contract, become the property of the County upon the end of the contract term, or upon termination or expiration of this contract, unless expressly stated otherwise.

29. TERMINATION FOR DEFAULT

The Director, Office of Procurement, may terminate the contract in whole or in part, and from time to time, whenever the Director, Office of Procurement, determines that the contractor is:

(a) defaulting in performance or is not complying with any provision of this contract;
(b) failing to make satisfactory progress in the prosecution of the contract; or
(c) endangering the performance of this contract.

The Director, Office of Procurement, will provide the contractor with a written notice to cure the default. The termination for default is effective on the date specified in the County’s written notice. However, if the County determines that default contributes to the curtailment of an essential service or poses an immediate threat to life,
health, or property, the County may terminate the contract immediately upon issuing oral or written notice to the contractor without any prior notice or opportunity to cure. In addition to any other remedies provided by law or the contract, the contractor must compensate the County for additional costs that foreseeably would be incurred by the County, whether the costs are actually incurred or not, to obtain substitute performance. A termination for default is a termination for convenience if the termination for default is later found to be without justification.

30. TERMINATION FOR CONVENIENCE
This contract may be terminated by the County, in whole or in part, upon written notice to the contractor, when the County determines this to be in its best interest. The termination for convenience is effective on the date specified in the County’s written notice. Termination for convenience may entitle the contractor to payment for reasonable costs allocable to the contract for work or costs incurred by the contractor up to the date of termination. The contractor must not be paid compensation as a result of a termination for convenience that exceeds the amount encumbered to pay for work to be performed under the contract.

31. TIME
Time is of the essence.

32. WORK UNDER THE CONTRACT
Contractor must not commence work under this contract until all conditions for commencement are met, including execution of the contract by both parties, compliance with insurance requirements, encumbrance of funds, and issuance of any required notice to proceed.

33. WORKPLACE SAFETY
The contractor must ensure adequate health and safety training and/or certification, and must comply with applicable federal, state and local Occupational Safety and Health laws and regulations.

THIS FORM MUST NOT BE MODIFIED WITHOUT THE PRIOR APPROVAL OF THE OFFICE OF THE COUNTY ATTORNEY.

Title
Minority-Owned Business Addendum to General Conditions of Contract Between County and Contractor

A. This contract is subject to the Montgomery County Code and the Montgomery County Procurement Regulations regarding participation in the Minority-Female-Disabled Person (MFD) procurement program.

B. Contractor must subcontract a percentage goals listed below of the total dollar value of the contract, including all modifications and renewals, to certified minority owned businesses. The MFD subcontracting goal may be waived under appropriate circumstances by submission of a letter to the Minority Business Program Manager. The letter must explain why a waiver is appropriate. The Director of the Office of Procurement or designee may waive, in whole or in part, the MFD subcontracting goal if the Director determines that a waiver is appropriate under Section 7.3.3.5 of the Montgomery County Procurement Regulations. In determining if a waiver should be granted, the Director may require the Contractor to submit additional information; the Director may require the Contractor to submit some or all of this information on forms approved by the Director.

For Goals by each purchasing category, please refer to [www.montgomerycountymd.gov/mfd](http://www.montgomerycountymd.gov/mfd)

C. The attached MFD Subcontractor Performance Plan, which must be approved by the Director, is an integral part of the contract between County and Contractor. In a multi-term contract, Contractor must submit a MFD Subcontract Performance Plan to be in effect for the life of the contract, including any renewal or modification.

D. Contractor must include in each subcontract with a minority owned business a provision that requires the use of binding arbitration with a neutral arbitrator to resolve disputes between the Contractor and the minority owned business subcontractor. This arbitration provision must describe how the cost of dispute resolution will be apportioned; the apportionment must not, in the judgment of the Director, attempt to penalize a minority owned business subcontractor for filing an arbitration claim.

E. County approval of the MFD Subcontractor Performance Plan does not create a contractual relationship between the County and the minority owned business subcontractor.

F. Contractor must notify and obtain prior written approval from the Director regarding any change in the MFD Subcontractor Performance Plan.

G. Before receiving final payment under this contract, Contractor must submit documentation showing compliance with the MFD Subcontracting Performance Plan. Documentation may include, at the direction of the Director, invoices, copies of subcontracts with minority owned businesses, cancelled checks, affidavits executed by minority owned business subcontractors, waivers, and arbitration decisions. The Director may require Contractor to submit periodic reports on a form approved by the Director. The Director may conduct an on-site inspection for the purpose of determining compliance with the MFD Subcontractor Performance Plan. If this is a multi-term contract, final payment means the final payment due for performance rendered for each term of the contract.

If the Contractor fails to submit documentation demonstrating compliance with the MFD Subcontractor Performance Plan, to the satisfaction of the Director, after considering relevant waivers and arbitration decisions, the Contractor is in breach of this contract. In the event of a breach of contract under this addendum, the Contractor must pay to the County liquidated damages equal to the difference between all amounts the Contractor has agreed under its Plan to pay minority owned business subcontractors and all amounts actually paid minority owned business subcontractors with appropriate credit given for any relevant waiver or arbitration decision. Contractor and County acknowledge that damages which would result to the County as a result of a breach under this addendum are difficult to ascertain, and that the liquidated damages provided for in this addendum are fair and reasonable in estimating the damage to the County of a breach of this addendum by Contractor. In addition, the County may terminate the contract. As the result of a breach under this addendum, The Director of the Office of Procurement must find the Contractor non-responsible for purposes of future procurement with the County for the ensuing three years.
MINORITY BUSINESS PROGRAM & OFFEROR’S REPRESENTATION

It is the policy of the County to recruit actively, minority-owned businesses to provide goods and services to perform governmental functions pursuant to Section 11B-57 of the County Code. Minority-owned businesses are described in County law as Minority/Female/Disabled Person owned businesses (MFD). MFD businesses include certain non-profit entities organized to promote the interests of persons with a disability demonstrating (on a contract by contract basis) that at least 51% of the persons used by the non-profit entity to perform the services or manufacture the goods contracted for by the County, are persons with a disability. MFD firms also include those firms that are 51% owned, controlled and managed by one or more members of a socially or economically disadvantaged minority group, which include African Americans who are not of Hispanic origin, Hispanic Americans, Native Americans, Asian Americans, Women and Mentally or Physically Disabled Persons.

Section 7 - “Minority Contracting”, Montgomery County Procurement Regulations specifies the procedure to be followed and will govern the evaluation of offers received pursuant to this solicitation. A copy of Section 7 of the Procurement Regulations is available upon request.

Prior to awarding contracts with a value of $50,000 or more, a prospective Contractor must demonstrate that a minimum percentage of the overall contract value as set by the County, will be subcontracted to certified MFD businesses. A decision as to whether the prospective Contractor has demonstrated a good faith effort to meet this subcontracting requirement will be made by the Director, Office of Procurement, or his/her designee, who may waive this requirement.

A sample of the MFD Report of payment Received is attached. This form is mailed to the MFD Subcontractor to complete for documentation of payment by the Primary Contractor. It is not to be completed by the Prime Contractor nor submitted with the MFD Subcontractor Performance Plan.

The Director, Office of Procurement, or his /her designee determines whether a waiver of MFD subcontracting would be appropriate, under Section 7.3.3.5 of the Procurement Regulations.

For further information regarding the MFD Business Program, please contact the MFD Program Manager, Division of Business Relations and Compliance at (240) 777-9912.

Requirements for Services Contract
Addendum to The General Conditions of Contract Between County and Contractor

A. This contract is subject to the Wage Requirements Law, found at Section 11B-33A of the Montgomery County Code (“WRL” or “11B-33A”). A County contract for the procurement of services must require the contractor and any of its subcontractors to comply with the WRL, subject to the exceptions for particular contractors noted in 11B-33A (b) and for particular employees noted in 11B-33A (f).

B. Conflicting requirements (11B-33A (h)): If any federal, state, or County law or regulation requires payment of a higher wage, that law or regulation controls. For an existing County Contract, if an applicable collective bargaining agreement (CBA) that existed prior to May 10, 2016, governs the parties, then that CBA controls. If the term of the CBA mentioned in the preceding sentence ends during the Contract, the WRL will then control.

C. A nonprofit organization that is exempt from the WRL under 11B-33A (b)(3), must specify, in each bid or proposal, the wage the organization intends to pay to those employees who will perform direct, measurable work under the contract, and any health insurance coverage the organization intends to provide to those employees. Section 11B-33A (c)(2).

D. A contractor must not split or subdivide a contract, pay an employee through a third party, or treat an employee as a subcontractor or independent contractor, to avoid the imposition of any requirement in 11B-33A. Section 11B-33A (c)(3).

E. Each contractor and subcontractor covered under the WRL must: certify that it is aware of and will comply with the applicable wage requirements; keep and submit any records necessary to show compliance; and conspicuously post notices approved and/or supplied by the County, informing employees of the requirements in 11B-33A. Section 11B-33A (i).

F. An employer must comply with the WRL during the initial term of the contract and all subsequent renewal periods, and must pay the adjusted wage rate increase required under 11B-33A (e)(2), if any, which is effective July 1 of each year. The County will adjust the wage rate by the annual average increase in the Consumer Price Index for all urban consumers for the Washington-Baltimore metropolitan area, or successor index, for the previous calendar year and must calculate the adjustment to the nearest multiple of 5 cents. Section 11B-33A (e)(2).

G. An employer must not discharge or otherwise retaliate against an employee for asserting any right, or filing a complaint of a violation, under the WRL. Section 11B-33A (i)(3).

H. The sanctions under Section 11B-33 (b), which apply to noncompliance with nondiscrimination requirements, apply with equal force and scope to noncompliance with the wage requirements of the WRL. Section 11B-33A (i)(4).

I. In the event of a breach of this contract as a result of a contractor’s or subcontractor’s violation of the WRL, the County may seek its available remedies, which include but are not limited to liquidated damages, withholding of payment, and recoupment of audit costs that are described below. The Contractor is jointly and severally liable for any noncompliance by a subcontractor. An aggrieved employee, as a third-party beneficiary, may, by civil action against the violating Contractor or subcontractor, enforce the payment of wages due under the WRL and recover from the Contractor or subcontractor any unpaid wages with interest, a reasonable attorney’s fee, and damages for any retaliation by the Contractor or subcontractor arising from the employee asserting any right, including filing a complaint under the WRL. Section 11B-33A (i)(5).

Furthermore, the contractor expressly acknowledges that the County may assess liquidated damages against the Contractor in the event that it, as a covered employer, fails to pay the required wage, or violates the wage reporting or payroll records reporting requirement found at 11B-33A (g), including providing late or inaccurate payroll records.
(i) Liquidated Damages

The County may assess liquidated damages for any noncompliance by contractor or its subcontractor at the rate of 1% per day of the total contract amount, or the estimated annual contract value of a requirements contract, for each day of the violation. This liquidated damages amount in addition to the amount of any unpaid wages, with interest. The Contractor must pay to the County liquidated damages noted above, in addition to any other remedies available to the County. Contractor and County acknowledge that damages that would result to the County as a result of a breach under the WRL are difficult to reasonably ascertain, and that the liquidated damages provided for in this paragraph is a fair and reasonable estimate of damages the County would incur as a result of contractor’s or subcontractor’s violation of the WRL.

(ii) Withholding of Payment

If the Director determines that a provision of the WRL has been violated, the Director must issue a written decision, including imposing appropriate sanctions and assessing liquidated damages (as outlined above) and audit costs (as outlined below), and may withhold from payment due the contractor, pending a final decision, an amount sufficient to: (a) pay each employee of the contractor or subcontractor the full amount of wages due under the WRL; (b) reimburse the County for audit costs; and (c) satisfy a liability of a contractor or subcontractor for liquidated damages.

(iii) Audit Costs

If the County determines, as a result of a WRL audit, that the Contractor has violated requirements of the WRL, the Contractor must reimburse to the County the cost incurred by the County in conducting the audit. Section 11B-33A (i)(2)(C).

J. The County must conduct, and the contractor or subcontractor must comply with, random or regular audits to assure compliance with the WRL. Section 11B-33A (i)(2). The Director may conduct an on-site inspection(s) for the purpose of determining compliance. Some of the documents that may be required during an audit are listed on the Wage Requirements Law FAQ web page: http://www.montgomerycountymd.gov/PRO/DBRC/WRL.html

K. The Contractor is in breach of this Contract if the Contractor fails to submit timely documentation demonstrating compliance with the WRL to the satisfaction of the Director, including: the Wage Requirements Law Payroll Report Form (PMM-183), which is required to be submitted by the 14th day of the month following the end of each quarter (January, April, July, October); documents requested in conjunction with a random or regular audit by the County; or, documents otherwise requested by the Director. Section 11B-33A (g)(2).

If a contractor or subcontractor fails to submit, or is late in submitting, copies of any payroll record or other report required to be submitted under the WRL, the County may deem invoices unacceptable until the contractor or subcontractor provides the required records or reports, and may postpone processing payments due under the contract or under an agreement to finance the contract.

In the event that you, the “Offeror,” are awarded the contract and become a Contractor, please check ☑ the box(es) below that apply, and leave all of the other boxes blank.

- **A. Wage Requirements Compliance**

  This Contractor, as a “covered employer”, must comply with the requirements under Montgomery County Code Section 11B-33A, “Wage Requirements” (“Wage Requirements Law” or “WRL”). Contractor and its subcontractors must pay all employees not exempt under the WRL, and who perform direct measurable work for the County, the required gross wage rate effective at the time the work is performed. For employees who are not paid an hourly wage, Contractor’s compliance with the WRL must be measured by dividing the amount paid to the employee each pay period by the number of hours worked by that employee during each pay period. A covered employer must not make any deduction for any item necessary for an employee to perform the essential job function unless the deduction is permitted by Executive Regulation. The offer price(s) submitted under this solicitation include(s) sufficient funds to meet the requirements of the WRL. A “covered employer” must submit, within 14 days after the end of each quarter (by the 14th of January, April, July, and October, for the quarter ending the preceding month), certified payroll records for each payroll period and for all employees of the contractor or a subcontractor performing services under the County contract governed by the WRL. The payroll records must contain a statement signed by the contractor or subcontractor certifying that the payroll records are correct and the wage rates paid are not less than those required by the WRL. These payroll records must include the following: name, address and telephone number of the contractor or subcontractor; the name and location of the job; and each employee’s name, current home address, daily straight time and overtime hours, total straight time and overtime hours for the payroll period, rate of pay, fringe benefits by type and amount, gross wages, race and gender of the employee, and the employer and the employee share of any health insurance premium provided to the employee. The Contractor must ensure that NO Social Security number of any person, other than the last four digits, is included on the quarterly report. A sample, blank Payroll Report Form, for your use and completion, can be found at: [http://www.montgomerycountymd.gov/PRO/DBRC/WRL.html](http://www.montgomerycountymd.gov/PRO/DBRC/WRL.html). The above must be submitted to the
Division of Business Relations and Compliance, Attn: Wage Requirements Law Program Manager (preferably via email to WRL@montgomerycountymd.gov).

Each Contractor must: keep payroll records covering work performed on a contract covered by the WRL for not less than 5 years after the work is completed; and, subject to reasonable notice, permit the County to inspect the payroll records at any reasonable time and as often as the County deems necessary. If the Contractor or subcontractor fails to submit, or is late in submitting, copies of any payroll record or other report required to be submitted under the WRL, the County may deem invoices unacceptable until the Contractor or subcontractor provides the required records or reports, and may postpone processing payments due under the contract or under an agreement to finance the contract. A violation of the WRL, including the late submission or non-submission of the information noted above, may result in action by the County, including: (a) withholding contract payments, reducing payment amounts, or otherwise assessing damages against Contractor, in an amount sufficient to: (i) pay each employee of the Contractor or subcontractor the full amount of wages due under the WRL; (ii) reimburse the County for audit costs; or (iii) satisfy a liability of a contractor or subcontractor for liquidated damages; (b) terminating the contract; or, (c) otherwise taking action to enforce the contract or the WRL. Violation of the WRL may also result in a finding of non-responsibility for a future contract, or may form the basis for debarment or suspension.

B. Exemption Status (if applicable)
This Contractor is exempt from Section 11B-33A, “Wage Requirements,” because it is:
1. Reserved – [Intentionally left blank].
2. a contractor who, at the time a contract is signed, has received less than $50,000 from the County in the most recent 12-month period, and will be entitled to receive less than $50,000 from the County under that contract in the next 12-month period. Section 11B-33A (b)(1).
3. a public entity. Section 11B-33A (b)(2).
4. a non-profit organization that has qualified for an exemption from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Section 11B-33A (b)(3) (must also complete item C below).
5. an employer expressly precluded from complying with the WRL by the terms of any federal or state law, contract, or grant. Section 11B-33A (b)(7) (must specify the law, or furnish a copy of the contract or grant).

C. Nonprofit Wage & Health Information
This Contractor is a non-profit organization that is exempt from coverage under Section 11B-33A (b)(3). The contractor must provide proof of its 501(c)(3) status (i.e. Letter from the IRS). Accordingly, the contractor has completed the 501(c)(3) Non-profit Organization’s Employee’s Wage and Health Insurance Form which is attached. See Section11B-33A(c)(2). (must also complete box B.4. above)
D. **Sole Proprietorship**

Sole Proprietorships are subject to the WRL. In order to be excused from the posting and reporting requirements of the WRL, the individual who is the sole proprietor must sign the certifications below in order to attest to the fact that the Sole Proprietorship:

1. is aware of, and will comply with, the WRL, as applicable;
2. has no employee other than the sole proprietor; and
3. will inform the Montgomery County Division of Business Relations and Compliance if the sole proprietor employs any worker other than the sole proprietor.

**Note:** A schedule C from the employer’s federal tax return may be required for verification purposes.

It is the prime contractor’s responsibility to collect these payroll reports and submit them to wrl@montgomerycountymd.gov on a quarterly basis.

☐ I intend to use Sub-Contractors if I am awarded a contract as a result of this solicitation.
