

## Service Coordination for Housing Initiative Program

### Open Solicitation 1074957

*Effective January 1, 2024*

|         |                   |             |                    |
|---------|-------------------|-------------|--------------------|
| Singles | Low (35 or below) | Mid (36-49) | High (50 or above) |
|         | \$334.00          | 612.00      | \$724.00           |

|          |                   |             |                    |
|----------|-------------------|-------------|--------------------|
| Families | Low (33 or below) | Mid (34-47) | High (48 or above) |
|          | \$390.00          | \$668.00    | 835.00             |

The Department of Health and Human Services (DHHS) recognizes the need for outcome-based success payments for providers that exemplify the following positive outcomes:

- 1.) For each household that increases income within the fiscal year, the provider will receive \$100.00 to use as needed.
- 2.) For each household that remains housed in the same unit for the fiscal year, the provider will receive \$500.00

\*Income is defined as obtaining social security, verified employment, annuity, retirement etc.

Outcome-based success payments will be paid quarterly and must be invoiced no later than the following dates:

- July - September: invoices must be submitted by 10/15
- October - December: invoices must be submitted by 1/15
- January - March: invoices must be submitted by 4/15
- April - June: Invoices must be submitted by 7/7 (due to end of fiscal year)

**All providers are eligible to bill a minimum of \$334.00/\$390.00 for all participants so long as there is a documented attempt to provide a service in HMIS.**

#### HIP Billing Guidance – Supplemental Chart

##### Option A: Base Option

|             |   |
|-------------|---|
| Low Acuity  | 1 face-to-face (1 the home)             |
| Mid Acuity  | 3 face-to-face (at least 1 at the home) |
| High Acuity | 6 face-to-face (at least 1 at the home) |

##### Option B:

|             |                            |   |
|-------------|----------------------------|---|
| Low Acuity  | 1 face-to-face (at home)   | No Substitutions  |
| Mid Acuity  | 2 face-to-face (1 at home) | May use 1 of the ancillary, collateral, or video conferencing to meet Acuity    |
| High Acuity | 4 face-to-face (1 at home) | May use 2 of ancillary, phone, collateral, or video conferencing to meet Acuity |
