- (e) a restriction on the use of confidential information obtained in performing a contract. Section 11B-52 (c).
- (f) a prohibition against contingent fees. Section 11B-53.

Furthermore, the contractor specifically agrees to comply with Sections 11B-51, 11B-52, 11B-53, 19A-12, and/or 19A-13 of the Montgomery County Code. In addition, the contractor must comply with the political contribution reporting requirements currently codified under the Election Law at Md. Code Ann., Title 14.

#### 13. GUARANTEE

- A. Contractor guarantees for one year from acceptance, or for a longer period that is otherwise expressly stated in the County's written solicitation, all goods, services, and construction offered, including those used in the course of providing the goods, services, and/or construction. This includes a guarantee that all products offered (or used in the installation of those products) carry a guarantee against any and all defects for a minimum period of one year from acceptance, or for a longer period stated in the County's written solicitation. The contractor must correct any and all defects in material and/or workmanship that may appear during the guarantee period, or any defects that occur within one (1) year of acceptance even if discovered more than one (1) year after acceptance, by repairing, (or replacing with new items or new materials, if necessary) any such defect at no cost to the County and to the County's satisfaction.
- B. Should a manufacturer's or service provider's warranty or guarantee exceed the requirements stated above, that guarantee or warranty will be the primary one used in the case of defect. Copies of manufacturer's or service provider's warranties must be provided upon request.
- C. All warranties and guarantees must be in effect from the date of acceptance by the County of the goods, services, or construction.
- D. The contractor guarantees that all work shall be accomplished in a workmanlike manner, and the contractor must observe and comply with all Federal, State, County and local laws, ordinances and regulations in providing the goods, and performing the services or construction.
- E. Goods and materials provided under this contract must be of first quality, latest model and of current manufacture, and must not be of such age or so deteriorated as to impair their usefulness or safety. Items that are used, rebuilt, or demonstrator models are unacceptable, unless specifically requested by the County in the Specifications.

14. HAZARDOUS AND TOXIC SUBSTANCES

Manufacturers and distributors are required by federal "Hazard Communication" provisions (29 CFR 1910.1200), and the Maryland "Access to Information About Hazardous and Toxic Substances" Law, to label each hazardous material or chemical container, and to provide Material Safety Data Sheets to the purchaser. The contractor must comply with these laws and must provide the County with copies of all relevant documents, including Material Safety Data Sheets, prior to performance of work or contemporaneous with delivery of goods.

15. HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPAA) COMPLIANCE

In addition to the provisions stated above in Section 3. "Applicable Laws," contractor must comply with all requirements in the federal Health Insurance Portability and Accountability Act (HIPAA), to the extent that HIPAA is applicable to this contract. Furthermore, contractor must enter into the County's standard Business Associate Agreement or Qualified Service Organization Agreement when contractor or the County, as part of this contract, may use or disclose to one another, to the individual whose health information is at issue, or to a third-party, any protected health information that is obtained from, provided to, made available to, or created by, or for, the contractor or the County.

16. IMMIGRATION REFORM AND CONTROL ACT

The contractor warrants that both the contractor and its subcontractors do not, and shall not, hire, recruit or refer for a fee, for employment under this contract or any subcontract, an alien while knowing the alien is an unauthorized alien, or any individual without complying with the requirements of the federal Immigration and Nationality laws, including any verification and record keeping requirements. The contractor further assures the County that, in accordance with those laws, it does not, and will not, discriminate against an individual with respect to hiring, recruitment, or referral for a fee, of an individual for employment or the discharge of an individual from employment, because of the individual's national origin or, in the case of a citizen or prospective citizen, because of the individual's citizenship status.

17. INCONSISTENT PROVISIONS

Notwithstanding any provisions to the contrary in any contract terms or conditions supplied by the contractor, this General Conditions of Contract document supersedes the contractor's terms and conditions, in the event of any inconsistency.

18. INDEMNIFICATION

The contractor is responsible for any loss, personal injury, death and any other damage (including incidental and consequential) that may be done or suffered by reason of the contractor's negligence or failure to perform any contractual obligations. The contractor must indemnify and save the County harmless from any loss, cost, damage and other expenses, including attorney's fees and litigation expenses, suffered or incurred due to the contractor's negligence or failure to perform any of its contractual obligations. If requested by the County, the contractor must defend the County in any action or suit brought against the County arising out of the contractor's negligence, errors, acts or omissions under this contract. The negligence of any agent, subcontractor or employee of the contractor is deemed to be the negligence of the contractor. For the purposes of this paragraph, County includes its boards, agencies, agents, officials and employees.

19. INDEPENDENT CONTRACTOR

The contractor is an independent contractor. The contractor and the contractor's employees or agents are not agents of the County.

20. INSPECTIONS

The County has the right to monitor, inspect and evaluate or test all supplies, goods, services, or construction called for by the contract at all reasonable places (including the contractor's place of business) and times (including the period of preparation or manufacture).

21. INSURANCE

Prior to contract execution by the County, the proposed awardee/contractor must obtain at its own cost and expense the insurance specified in the applicable table (See Tables A and B) or attachment to these General Conditions, with one or more insurance company(s) licensed or qualified to do business in the State of Maryland and acceptable to the County's Division of Risk Management. Contractor must keep this insurance in full force and effect during the term of this contract, including all extensions. Unless expressly provided otherwise, Table A is applicable to this contract. The insurance must be evidenced by one or more Certificate(s) of Insurance and, if requested by the County, the proposed awardee/contractor must provide a copy of any and all insurance policies to the County. At a minimum, the proposed awardee/contractor must submit to the Director, Office of Procurement, one or more Certificate(s) of Insurance prior to award of this contract, and prior to any contract modification extending the term of the contract, as evidence of compliance with this provision. The contractor's insurance must be primary. Montgomery County, MD, including its officials, employees, agents, boards, and agencies, must be named as an additional insured on all liability policies. Thirty days written notice to the County of cancellation or material change in any of the policies is required, unless a longer period is required by applicable law. In no event may the insurance coverage be less than that shown on the applicable table, attachment, or contract provision for required insurance. The Director, Office of Procurement, may waive the requirements of this section, in whole or in part.

**22. INTELLECTUAL PROPERTY APPROVAL AND INDEMNIFICATION - INFRINGEMENT**

If contractor will be preparing, displaying, publicly performing, reproducing, or otherwise using, in any manner or form, any information, document, or material that is subject to a copyright, trademark, patent, or other property or privacy right, then contractor must: obtain all necessary licenses, authorizations, and approvals related to its use; include the County in any approval, authorization, or license related to its use; and indemnify and hold harmless the County related to contractor's alleged infringing or otherwise improper or unauthorized use. Accordingly, the contractor must protect, indemnify, and hold harmless the County from and against all liabilities, actions, damages, claims, demands, judgments, losses, costs, expenses, suits, or actions, and attorneys' fees and the costs of the defense of the County, in any suit, including appeals, based upon or arising out of any allegation of infringement, violation, unauthorized use, or conversion of any patent, copyright, trademark or trade name, license, proprietary right, or other related property or privacy interest in connection with, or as a result of, this contract or the performance by the contractor of any of its activities or obligations under this contract.

**23. NON-CONVICTION OF BRIBERY**

The contractor hereby declares and affirms that, to its best knowledge, none of its officers, directors, or partners or employees directly involved in obtaining contracts has been convicted of bribery, attempted bribery, or conspiracy to bribe under any federal, state, or local law.

**24. NON-DISCRIMINATION IN EMPLOYMENT**

The contractor agrees to comply with the non-discrimination in employment policies and/ or provisions prohibiting unlawful employment practices in County contracts as required by Section 11B-33 and Section 27-19 of the Montgomery County Code, as well as all other applicable state and federal laws and regulations regarding employment discrimination.

The contractor assures the County that, in accordance with applicable law, it does not, and agrees that it will not, discriminate in any manner on the basis of race, color, religious creed, ancestry, national origin, age, sex, marital status, disability, or sexual orientation.

The contractor must bind its subcontractors to the provisions of this section.

**25. PAYMENTS**

No payment by the County may be made, or is due, under this contract, unless funds for the payment have been appropriated and encumbered by the County. Under no circumstances will the County pay the contractor for legal fees. The contractor must not proceed to perform any work (provide goods, services, or construction) prior to receiving written confirmation that the County has appropriated and encumbered funds for that work. If the contractor fails to obtain this verification from the Office of Procurement prior to performing work, the County has no obligation to pay the contractor for the work.

If this contract provides for an additional contract term for contractor performance beyond its initial term, continuation of contractor's performance under this contract beyond the initial term is contingent upon, and subject to, the appropriation of funds and encumbrance of those appropriated funds for payments under this contract. If funds are not appropriated and encumbered to support continued contractor performance in a subsequent fiscal period, contractor's performance must end without further notice from, or cost to, the County. The contractor acknowledges that the County Executive has no obligation to recommend, and the County Council has no obligation to appropriate, funds for this contract in subsequent fiscal years. Furthermore, the County has no obligation to encumber funds to this contract in subsequent fiscal years, even if appropriated funds may be available. Accordingly, for each subsequent contract term, the contractor must not undertake any performance under this contract until the contractor receives a purchase order or contract amendment from the County that authorizes the contractor to perform work for the next contract term.

The County is expressly permitted to pay the vendor for any or all goods, services, or construction under the contract through either a procurement card ("p-card") or a Single Use Account ("SUA") method of payment, if the contractor accepts the noted payment method from any other person. In that event, the County reserves the right to pay any or all amounts due under the contract by using either a p-card (except when a purchase order is required) or a SUA method of payment, and the contractor must accept the County's p-card or a SUA method of payment, as applicable. Under this paragraph, contractor is prohibited from charging or requiring the County to pay any fee, charge, price, or other obligation for any reason related to or associated with the County's use of either a p-card or a SUA method of payment.

**26. PERSONAL PROPERTY**

All furniture, office equipment, equipment, vehicles, and other similar types of personal property specified in the contract, and purchased with funds provided under the contract, become the property of the County upon the end of the contract term, or upon termination or expiration of this contract, unless expressly stated otherwise.

**27. PROTECTION OF PERSONAL INFORMATION BY GOVERNMENT AGENCIES**

In any contract under which Contractor is to perform services and the County may disclose to Contractor personal information about an individual, as defined by State law, Contractor must implement and maintain reasonable security procedures and practices that: (a) are appropriate to the nature of the personal information disclosed to the Contractor; and (b) are reasonably designed to help protect the personal information from unauthorized access, use, modification, disclosure, or destruction. Contractor's requirement to implement and maintain reasonable security practices and procedures must include requiring any third-party to whom it discloses personal information that was originally disclosed to Contractor by the County to also implement and maintain reasonable security practices and procedures related to protecting the personal information. Contractor must notify the County of a breach of the security of a system if the unauthorized acquisition of an individual's personal information has occurred or is reasonably likely to occur, and also must share with the County all information related to the breach. Contractor must provide the above notification to the County as soon as reasonably practicable after Contractor discovers or is notified of the breach of the security of a system. Md. Code Ann., State Gov't. § 10-1301 through 10-1308 (2013).

**28. TERMINATION FOR DEFAULT**

The Director, Office of Procurement, may terminate the contract in whole or in part, and from time to time, whenever the Director, Office of Procurement, determines that the contractor is:

- (a) defaulting in performance or is not complying with any provision of this contract;
- (b) failing to make satisfactory progress in the prosecution of the contract; or
- (c) endangering the performance of this contract.

The Director, Office of Procurement, will provide the contractor with a written notice to cure the default. The termination for default is effective on the date specified in the County's written notice. However, if the County determines that default contributes to the curtailment of an essential service or poses an immediate threat to life, health, or property, the County may terminate the contract immediately upon issuing oral or written notice to the contractor without any prior notice or opportunity to cure. In addition to any other remedies provided by law or the contract, the contractor must compensate the County for additional costs that foreseeably would be incurred by the County, whether the costs are actually incurred or not, to obtain substitute performance. A termination for default is a termination for convenience if the termination for default is later found to be without justification.

29. TERMINATION FOR CONVENIENCE

This contract may be terminated by the County, in whole or in part, upon written notice to the contractor, when the County determines this to be in its best interest. The termination for convenience is effective on the date specified in the County's written notice. Termination for convenience may entitle the contractor to payment for reasonable costs allocable to the contract for work or costs incurred by the contractor up to the date of termination. The contractor must not be paid compensation as a result of a termination for convenience that exceeds the amount encumbered to pay for work to be performed under the contract.

30. TIME

Time is of the essence.

31. WORK UNDER THE CONTRACT

Contractor must not commence work under this contract until all conditions for commencement are met, including execution of the contract by both parties, compliance with insurance requirements, encumbrance of funds, and issuance of any required notice to proceed.

32. WORKPLACE SAFETY

The contractor must ensure adequate health and safety training and/or certification, and must comply with applicable federal, state and local Occupational Safety and Health laws and regulations.

**THIS FORM MUST NOT BE MODIFIED WITHOUT THE PRIOR APPROVAL OF THE OFFICE OF THE COUNTY ATTORNEY.**

Wage Requirements for Services Contract  
Addendum to The General Conditions of Contract Between County and Contractor

- A. This contract is subject to the Wage Requirements Law, found at Section 11B-33A of the Montgomery County Code (“WRL” or “11B-33A”). A County contract for the procurement of services must require the contractor and any of its subcontractors to comply with the WRL, subject to the exceptions for particular contractors noted in 11B-33A (b) and for particular employees noted in 11B-33A (f).
- B. Conflicting requirements (11B-33A (g)): If any federal, state, or County law or regulation requires payment of a higher wage, that law or regulation controls. If any applicable collective bargaining agreement requires payment of a higher wage, that agreement controls.
- C. A nonprofit organization that is exempt from the WRL under 11B-33A (b)(3) must specify the wage the organization intends to pay to those employees who will perform direct, measurable work under the contract, and any health insurance the organization intends to provide to those employees. Section 11B-33A (c)(2).
- D. A contractor must not split or subdivide a contract, pay an employee through a third party, or treat an employee as a subcontractor or independent contractor, to avoid the imposition of any requirement in 11B-33A.
- E. Each contractor and subcontractor covered under the WRL must: certify that it is aware of and will comply with the applicable wage requirements; keep and submit any verifiable records necessary to show compliance; and conspicuously post notices approved and/or supplied by the County, informing employees of the wage requirements. Section 11B-33A (h).
- F. An employer must comply with the WRL during the initial term of the contract and all subsequent renewal periods, and must pay the adjusted wage rate increase required under 11B-33A (e)(2), if any, which is effective July 1 of each year. The County will adjust the wage rate by the annual average increase in the Consumer Price Index for all urban consumers for the Washington-Baltimore metropolitan area, or successor index, for the previous calendar year and must calculate the adjustment to the nearest multiple of 5 cents.
- G. An employer must not discharge or otherwise retaliate against an employee for asserting any right, or filing a complaint of a violation, under the WRL.
- H. The sanctions under Section 11B-33 (b), which apply to noncompliance with nondiscrimination requirements, apply with equal force and scope to noncompliance with the wage requirements of the WRL.
- I. The County may assess liquidated damages for any noncompliance by contractor or its subcontractor with the WRL based on the rate of 1% per day of the total contract amount, or the estimated annual contract value of a requirements contract, for each day of the violation. This liquidated damages amount includes the amount of any unpaid wages, with interest. In the event of a breach of contract under this paragraph, the Contractor must pay to the County liquidated damages noted above, in addition to any other remedies available to the County. Contractor and County acknowledge that damages that would result to the County as a result of a breach under this paragraph are difficult to ascertain, and that the liquidated damages provided for in this paragraph are fair and reasonable in estimating the damage to the County resulting from a breach of this paragraph by Contractor. If the County determines, as a result of a WRL audit that the Contractor has violated requirements of the WRL, including but not limited to the wage requirements, the County will assess the Contractor for the cost incurred by the County in conducting the audit. In addition, the contractor is jointly and severally liable for any noncompliance by a subcontractor. Furthermore, Contractor agrees that an aggrieved employee, as a third-party beneficiary, may by civil action against the violating contractor or subcontractor enforce the payment of wages due under the WRL and recover from the Contractor or subcontractor any unpaid wages with interest, a reasonable attorney’s fee, and damages for any retaliation by the Contractor or subcontractor arising from the employee asserting any right, or filing a complaint of violation, under the WRL.
- J. The County has established a program of random audits to assure compliance with the WRL. The Director may conduct an on-site inspection(s) for the purpose of determining compliance. Some of the documents that may be required during an audit are listed on the Wage Requirements Law FAQ web page: <http://www.montgomerycountymd.gov/PRO/DBRC/WRL.html>
- K. The Contractor is in breach of this contract if the Contractor fails to submit timely documentation demonstrating compliance with the WRL to the satisfaction of the Director, including: the Wage Requirements Law Payroll Report Form (PMMD-183), which is required to be submitted by the end of the month (January, April, July, October) following each quarter; documents requested in conjunction with a random or compliance audit being conducted by the County; or documents otherwise requested by the Director. In the event of a breach of contract under this paragraph, or for any other violation of the WRL, the County may assess against, or withhold from payment to, Contractor, the liquidated damages noted in paragraph I. above, in addition to any other remedies available to the County. Contractor and County acknowledge that damages that would result to the County as a

result of a breach under this paragraph are difficult to ascertain, and that the liquidated damages provided for in this paragraph are fair and reasonable in estimating the damage to the County resulting from a breach of this paragraph by Contractor.

A. Wage Requirements Compliance

This Contractor, as a “covered employer”, will comply with the requirements under County Code Section 11B-33A, “Wage Requirements” (“Wage Requirements Law” or WRL”). Contractor and its subcontractors will pay all employees not exempt under the WRL, and who perform direct measurable work for the County, the required wage rate effective at the time the work is performed. The offer price(s) submitted under this solicitation include(s) sufficient funds to meet the requirements of the WRL. A “covered employer” must submit (preferably via email) quarterly (by the end of January, April, July, and October for the quarter ending the preceding month) certified payroll records for each payroll period and for all employees of the contractor or a subcontractor performing services under the County contract governed by the Wage Requirements Law, to the Division of Business Relations and Compliance, Attn: Wage Requirements Law Program Manager. These payroll records must include the following: name; position/title; gender/race (for contracts awarded after October 1, 2015); daily straight-time hours worked; daily overtime hours worked; straight-time hourly pay rate; overtime hourly pay rate; both employer and employee share of health insurance premium; and total gross wages paid for each period. A sample of the Payroll Report Form can be found at the link below.

(<http://www.montgomerycountymd.gov/PRO/DBRC/WRL.html>). In lieu of the quarterly Payroll Report Form, payroll registers generally satisfy the requirement. Late submission or non-submission of this information, or any other violation of the WRL, may result in the County withholding contract payments and additional actions by the County, including but not limited to: assessing liquidated damages, terminating the contract, or otherwise taking action to enforce the contract or the Wage Requirements Law. The Contractor must ensure that NO Social Security number of any person, other than the last four digits, is included on the quarterly report.

B. Exemption Status (if applicable)

This Contractor is exempt from Section 11B-33A, “Wage Requirements,” because it is:

- 1. Reserved – [Intentionally left blank].
- 2. a contractor who, at the time a contract is signed, has received less than \$50,000 from the County in the most recent 12-month period, and will be entitled to receive less than \$50,000 from the County under that contract in the next 12-month period. Section 11B-33A (b)(1);
- 3. a public entity. Section 11B-33A (b)(2).
- 4. a non-profit organization that has qualified for an exemption from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Section 11B-33A (b)(3) (**must complete item C below**).

5. an employer expressly precluded from complying with the WRL by the terms of any federal or state law, contract, or grant. Section 11B-33A (b)(7) (**must specify the law, or furnish a copy of the contract or grant**).

C. Nonprofit Wage & Health Information  
 This Contractor is a non-profit organization that is exempt from coverage under Section 11B-33A (b)(3). Accordingly, the contractor has completed the 501 (c)(3) Nonprofit Organization’s Employee’s Wage and Health Insurance Form, which is attached. See Section 11B-33A (c)(2).

D. Nonprofit’s Comparison Price(s) (if desired)  
 This Contractor is a non-profit organization that is opting to pay its covered employees the hourly rate specified in the wage requirements. Accordingly, Contractor is duplicating the blanket-cost quotation sheet on which it is submitting its price(s) in the RFP, and is submitting on this duplicate form its price(s) to the County had it not opted to pay its employees the hourly rate specified in the WRL. For proposal evaluation purposes, this price(s) will be compared to price(s) of another nonprofit organization(s) that is paying its employees an amount consistent with its exemption from paying the hourly rate under the WRL. This revised information on the duplicate cost sheet must be clearly marked as your nonprofit organization comparison price(s). In order for the County to compare your price(s), the revised information on the duplicate cost sheet must be submitted with your offer on or before the offer opening date, must show how the difference between your nonprofit organization price(s) and other organization comparison price(s) was calculated. Section 11B-33A (c)(2).

E. Sole Proprietorship  
 Sole Proprietorships are subject to the WRL. In order to be excused from the posting and reporting requirements of the WRL, the individual who is the sole proprietor must sign the certifications below in order to attest to the fact that the Sole Proprietorship:

- (1) is aware of, and will comply with, the WRL, as applicable;
- (2) has no employees other than the sole proprietor; and
- (3) will inform the Montgomery County Office of Business Relations and Compliance if the sole proprietor employs any workers other than the sole proprietor.

## Minority-Owned Business Addendum to General Conditions of Contract Between County and Contractor

A. This contract is subject to the Montgomery County Code and the Montgomery County Procurement Regulations regarding participation in the Minority-Female-Disabled Person (MFD) procurement program.

B. Contractor must subcontract a percentage goals listed below of the total dollar value of the contract, including all modifications and renewals, to certified minority owned businesses. The MFD subcontracting goal may be waived under appropriate circumstances by submission of a letter to the Minority Business Program Manager. The letter must explain why a waiver is appropriate. The Director of the Office of Procurement or designee may waive, in whole or in part, the MFD subcontracting goal if the Director determines that a waiver is appropriate under Section 7.3.3.5 of the Montgomery County Procurement Regulations. In determining if a waiver should be granted, the Director may require the Contractor to submit additional information; the Director may require the Contractor to submit some or all of this information on forms approved by the Director.

For Goals by each purchasing category, please refer to [www.montgomerycountymd.gov/mfd](http://www.montgomerycountymd.gov/mfd)

C. The attached MFD Subcontractor Performance Plan, which must be approved by the Director, is an integral part of the contract between County and Contractor. In a multi-term contract, Contractor must submit a MFD Subcontract Performance Plan to be in effect for the life of the contract, including any renewal or modification.

D. Contractor must include in each subcontract with a minority owned business a provision that requires the use of binding arbitration with a neutral arbitrator to resolve disputes between the Contractor and the minority owned business subcontractor. This arbitration provision must describe how the cost of dispute resolution will be apportioned; the apportionment must not, in the judgment of the Director, attempt to penalize a minority owned business subcontractor for filing an arbitration claim.

E. County approval of the MFD Subcontractor Performance Plan does not create a contractual relationship between the County and the minority owned business subcontractor.

F. Contractor must notify and obtain prior written approval from the Director regarding any change in the MFD Subcontractor Performance Plan.

G. Before receiving final payment under this contract, Contractor must submit documentation showing compliance with the MFD Subcontracting Performance Plan. Documentation may include, at the direction of the Director, invoices, copies of subcontracts with minority owned businesses, cancelled checks, affidavits executed by minority owned business subcontractors, waivers, and arbitration decisions. The Director may require Contractor to submit periodic reports on a form approved by the Director. The Director may conduct an on-site inspection for the purpose of determining compliance with the MFD Subcontractor Performance Plan. If this is a multi-term contract, final payment means the final payment due for performance rendered for each term of the contract.

If the Contractor fails to submit documentation demonstrating compliance with the MFD Subcontractor Performance Plan, to the satisfaction of the Director, after considering relevant waivers and arbitration decisions, the Contractor is in breach of this contract. In the event of a breach of contract under this addendum, the Contractor must pay to the County liquidated damages equal to the difference between all amounts the Contractor has agreed under its Plan to pay minority owned business subcontractors and all amounts actually paid minority owned business subcontractors with appropriate credit given for any relevant waiver or arbitration decision. Contractor and County acknowledge that damages which would result to the County as a result of a breach under this addendum are difficult to ascertain, and that the liquidated damages provided for in this addendum are fair and reasonable in estimating the damage to the County of a breach of this addendum by Contractor. In addition, the County may terminate the contract. As the result of a breach under this addendum, The Director of the Office of Procurement must find the Contractor non-responsible for purposes of future procurement with the County for the ensuing three years.

MINORITY BUSINESS PROGRAM & OFFEROR'S REPRESENTATION

It is the policy of the County to recruit actively, minority-owned businesses to provide goods and services to perform governmental functions pursuant to Section 11B-57 of the County Code. Minority-owned businesses are described in County law as Minority/Female/Disabled Person owned businesses (MFD). MFD businesses include certain non-profit entities organized to promote the interests of persons with a disability demonstrating (on a contract by contract basis) that at least 51% of the persons used by the non-profit entity to perform the services or manufacture the goods contracted for by the County, are persons with a disability. MFD firms also include those firms that are 51% owned, controlled and managed by one or more members of a socially or economically disadvantaged minority group, which include African Americans who are not of Hispanic origin, Hispanic Americans, Native Americans, Asian Americans, Women and Mentally or Physically Disabled Persons.

Section 7 - "Minority Contracting", Montgomery County Procurement Regulations specifies the procedure to be followed and will govern the evaluation of offers received pursuant to this solicitation. A copy of Section 7 of the Procurement Regulations is available upon request.

Prior to awarding contracts with a value of \$50,000 or more, a prospective Contractor (who is not a certified MFD firm) must demonstrate that a minimum percentage of the overall contract value as set by the County, will be subcontracted to certified MFD businesses. A decision as to whether the prospective Contractor has demonstrated a good faith effort to meet this subcontracting requirement will be made by the Director, Office of Procurement, or his/her designee, who may waive this requirement.

A sample of the MFD Report of payment Received is attached. This form is mailed to the MFD Subcontractor to complete for documentation of payment by the Prime Contractor. It is not to be completed by the Prime Contractor nor submitted with the MFD Subcontractor Performance Plan.

The Director, Office of Procurement, or his /her designee determines whether a waiver of MFD subcontracting would be appropriate, under Section 7.3.3.5 of the Procurement Regulations.

For further information regarding the MFD Business Program, please contact the MFD Program, Office of Business Relations and Compliance at (240) 777-9912.

### **II. DEFINITIONS.**

A. The terms used in this Agreement have the same meaning as the definitions of those terms in HIPAA. In the absence of a definition in HIPAA, the terms have their commonly understood meaning.

1. "Breach" is defined at 45 CFR § 164.402.

### **III. PERMISSIBLE USE AND DISCLOSURE OF PHI**

A. Except as otherwise limited in this Agreement, or by privilege, protection, or confidentiality under HIPAA, MCMRA, or other applicable law, Business Associate may use or disclose (including permitting acquisition or access to) PHI to perform applicable functions, activities, or services for, or on behalf of, Covered Entity as specified in the Underlying Agreement. Moreover, the provisions of HIPAA are expressly incorporated by reference into, and made a part of, this Agreement.

B. Business Associate may use or disclose (including permitting acquisition or access to) PHI only as permitted or required by this Agreement or as Required By Law.

C. Business Associate is directly responsible for full compliance with the relevant requirements of HIPAA.

D. Business Associate must not use or disclose (including permitting acquisition or access to) PHI other than as permitted or required by this Agreement or HIPAA, and must use or disclose PHI only in a manner consistent with HIPAA. As part of this, Business Associate must use appropriate safeguards to prevent use or disclosure of PHI that is not permitted by this Agreement or HIPAA. Furthermore, Business Associate must take reasonable precautions to protect PHI from loss, misuse, and unauthorized access, disclosure, alteration, and destruction.

E. Business Associate must implement and comply with administrative, physical, and technical safeguards governing the PHI, in a manner consistent with HIPAA, that reasonably and appropriately protect the confidentiality, integrity, and availability of the PHI that it creates, receives, maintains, or transmits on behalf of Covered Entity.

F. Business Associate must immediately notify Covered Entity, in a manner consistent with HIPAA, of: (i) any use or disclosure of PHI not provided for by this Agreement, including a Breach of PHI of which it knows or by exercise of reasonable diligence would have known, as required at 45 CFR §164.410; and, (ii) any Security Incident of which it becomes aware as required at 45 CFR §164.314(a)(2)(i)(C). Business Associate's notification to Covered Entity required by HIPAA and this Section III.F must:

Be made to Covered Entity without unreasonable delay and in no case later than 14 calendar days after Business Associate: a) knows, or by exercising reasonable diligence would have known, of a Breach, b) becomes aware of a Security Incident, or c) becomes aware of any use or disclosure of PHI not provided for by this Agreement;

2. Include the names and addresses of the Individual(s) whose PHI is the subject of a Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement. In addition, Business Associate must provide any additional information reasonably requested by Covered Entity for purposes of investigating the Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement;

3. Be in substantially the same form as Exhibit A hereto;

4. Include a brief description of what happened, including the date of the Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement, if known, and the date of the discovery of the Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement;

5. Include a description of the type(s) of Unsecured PHI that was involved in the Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement (such as full name, Social Security number, date of birth, home address, account number, disability code, or other types of information that were involved);

6. Identify the nature and extent of the PHI involved, including the type(s) of identifiers and the likelihood of re identification;

7. If known, identify the unauthorized person who used or accessed the PHI or to whom the disclosure was made;

8. Articulate any steps the affected Individual(s) should take to protect him or herself from potential harm resulting from the Breach, Security Incident, or use or disclosure of PHI not permitted by this Agreement;

9. State whether the PHI was actually acquired or viewed;

10. Provide a brief description of what the Covered Entity and the Business Associate are doing to investigate the Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement, to mitigate losses, and to protect against any further Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement;

11. Note contact information and procedures for an Individual(s) to ask questions or learn additional information, which must include a toll-free telephone number of Business Associate, along with an e-mail address, Web site, or postal address;

and

12. Include a draft letter for the Covered Entity to utilize, in the event Covered Entity elects, in its sole discretion, to notify the Individual(s) that his or her PHI is the subject of a Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement that includes the information noted in Section III.F.4 – III.F.11 above.

G. Business Associate must, and is expected to, directly and independently fulfill all notification requirements under HIPAA.

H. In the event of a Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement, Business Associate must mitigate, to the extent practicable, any harmful effects of said disclosure that are known to it.

I. In accordance with 45 CFR §§ 164.502(e)(1)(ii) and 164.308(b)(2), Business Associate agrees to ensure that any agent, subcontractor, or employee to whom it provides PHI (received from, or created or received by, Business Associate on behalf of Covered Entity) agrees to the same restrictions, conditions, and requirements that apply through this Agreement to Business Associate with respect to such information.

J. Business Associate must ensure that any contract or other arrangement with a subcontractor meets the requirements of paragraphs 45 CFR §164.314(a)(2)(i) and (a)(2)(ii) required by 45 CFR § 164.308(b)(3) between a Business Associate and a subcontractor, in the same manner as such requirements apply to contracts or other arrangements between a Covered Entity and Business Associate.

K. Pursuant to 45 CFR § 164.502(a)(4)(ii), Business Associate must disclose PHI to the Covered Entity, Individual, or Individual's designee, as necessary to satisfy a Covered

Entity's obligations under § 164.524(c)(2)(ii) and (3)(ii) with respect to an individual's request for an electronic copy of PHI.

L. To the extent applicable, Business Associate must provide access to PHI in a Designated Record Set at reasonable times, at the request of Covered Entity or as directed by Covered Entity, to an Individual specified by Covered Entity in order to meet the requirements under 45 CFR § 164.524.

M. A Business Associate that is a health plan, excluding an issuer of a long-term care policy falling within paragraph (1)(viii) of the definition of health plan, must not use or disclose PHI that is genetic information for underwriting purposes, in accordance with the provisions of 45 CFR 164.502.

N. To the extent applicable, Business Associate must make any amendment(s) to PHI in a Designated Record Set that Covered Entity directs or agrees to, pursuant to 45 CFR § 164.526, at the request of Covered Entity or an Individual.

O. Business Associate must, upon request with reasonable notice, provide Covered Entity access to its premises for a review and demonstration of its internal practices and procedures for safeguarding PHI.

P. Business Associate must, upon request and with reasonable notice, furnish to Covered Entity security and privacy audit results, risk analyses, security and privacy policies and procedures, details of previous Breaches and Security Incidents, and documentation of controls.

Q. Business Associate must also maintain records indicating who has accessed PHI about an Individual in an electronic designated record set and information related to such access, in accordance with 45 C.F.R. § 164.528. Business Associate must document such disclosures of PHI and information related to such disclosures as would be required for a Covered Entity to respond to a request by an Individual for an accounting of disclosures of PHI in accordance with 45 C.F.R. § 164.528. Should an Individual make a request to Covered Entity for an accounting of disclosures of his or her PHI pursuant to 45 C.F.R. § 164.528, Business Associate must promptly provide Covered Entity with information in a format and manner sufficient to respond to the Individual's request.

R. Business Associate must, upon request and with reasonable notice, provide Covered Entity with an accounting of uses and disclosures of PHI that was provided to it by Covered Entity.

S. Business Associate must make its internal practices, books, records, and any other material requested by the Secretary relating to the use, disclosure, and safeguarding of PHI received from Covered Entity available to the Secretary for the purpose of determining compliance with HIPAA. Business Associate must make the aforementioned information available to the Secretary in the manner and place as designated by the Secretary or the Secretary's duly appointed delegate. Under this Agreement, Business Associate must comply and cooperate with any request for documents or other information from the Secretary directed to

Covered Entity that seeks documents or other information held or controlled by Business Associate.

T. Business Associate may use PHI to report violations of law to appropriate Federal and State authorities, consistent with 42 C.F.R. § 164.502(j)(1).

U. Except as otherwise limited in this Agreement, Business Associate may disclose PHI for the proper management and administration of Business Associate or the Underlying Agreement, provided that disclosures are Required By Law, or Business Associate obtains reasonable assurances from the person to whom the information is disclosed that it will remain confidential and be used or further disclosed only as Required By Law or for the limited purpose for which it was disclosed to the person, and the person must agree to notify Business Associate of any instance of any Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement of which it is aware in which the confidentiality of the information has been breached.

V. Business Associate understands that, pursuant to 45 CFR § 160.402, the Business Associate is liable, in accordance with the Federal common law of agency, for a civil money penalty for a violation of the HIPAA rules based on the act or omission of any agent of the Business Associate, including a workforce member or subcontractor, acting within the scope of the agency.

#### **IV. TERM AND TERMINATION.**

A. Term. The Term of this Agreement shall be effective as of the effective date of the Underlying Agreement, and shall terminate: (1) when all of the PHI provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity; or, (2) if it is infeasible to return or destroy PHI, in accordance with the termination provisions in this Article IV.

B. Termination for Cause. Upon Covered Entity's knowledge of a material breach of this Agreement by Business Associate, Covered Entity shall:

1. Provide an opportunity for Business Associate to cure the breach or end the violation and, if Business Associate does not cure the breach or end the violation within the time specified by Covered Entity, have the right to terminate this Agreement and to terminate the Underlying Agreement, and shall report the violation to the Secretary;

2. Have the right to immediately terminate this Agreement and the Underlying Agreement if Business Associate has breached a material term of this Agreement and cure is not possible, and shall report the violation to the Secretary; or

3. If neither termination nor cure is feasible, report the violation to the Secretary.

4. This Article IV, Term and Termination, Paragraph B, is in addition to the provisions set forth in Paragraph 27, Termination for Default of the General Conditions of Contract Between County and Contractor, attached to the Underlying Agreement, in which "Business Associate" is "Contractor" and "Covered Entity" is "County" for purposes of this Agreement.

C. Effect of Termination.

1. Except as provided in Section IV.C.2, upon termination or cancellation of this Agreement, for any reason, Business Associate must return or destroy all PHI received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision applies to PHI that is in the possession of a subcontractor(s), employee(s), or agent(s) of Business Associate. Business Associate must not retain any copies of the PHI.

2. In the event that Business Associate determines that returning or destroying the PHI is infeasible, Business Associate must provide to Covered Entity written notification of the nature of the PHI and the conditions that make return or destruction infeasible. After written notification that return or destruction of PHI is infeasible, Business Associate must extend the protections of this Agreement to such PHI and limit further use(s) and disclosure(s) of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. Notwithstanding the foregoing, to the extent that it is not feasible to return or destroy such PHI, the terms and provisions of this Agreement survive termination of this Agreement with regard to such PHI.

3. Should Business Associate violate this Agreement, HIPAA, the Underlying Agreement, the MCMRA, or other applicable law, Covered Entity has the right to immediately terminate any contract then in force between the Parties, including the Underlying Agreement.

**V. CONSIDERATION.** Business Associate recognizes that the promises it has made in this Agreement shall, henceforth, be reasonably, justifiably, and detrimentally relied upon by Covered Entity in choosing to continue or commence a business relationship with Business Associate.

**VI. CAUSES OF ACTION IN THE EVENT OF BREACH.** As used in this paragraph, the term "breach" has the meaning normally ascribed to that term under the Maryland law related to contracts, as opposed to the specific definition under HIPAA related to PHI. Business Associate hereby recognizes that irreparable harm will result to Covered Entity in the event of breach by Business Associate of any of the covenants and assurances contained in this Agreement. As such, in the event of breach of any of the covenants and assurances contained in this Agreement, Covered Entity shall be entitled to enjoin and restrain Business Associate from any continued violation of this Agreement. Furthermore, in the event of breach of this Agreement by Business Associate, Covered Entity is entitled to reimbursement and indemnification from Business Associate for Covered Entity's reasonable attorneys' fees and expenses and costs that were reasonably incurred as a proximate result of Business Associate's breach. The causes of action

contained in this Article VI are in addition to (and do not supersede) any action for damages and/or any other cause of action Covered Entity may have for breach of any part of this Agreement. Furthermore, these provisions are in addition to the provisions set forth in Paragraph 18, "Indemnification", of the General Conditions of Contract Between County and Contractor, attached to the Underlying Agreement in which "Business Associate" is "Contractor" and "Covered Entity" is "County", for purposes of this Agreement.

**VII. MODIFICATION; AMENDMENT.** This Agreement may be modified or amended only through a writing signed by the Parties and, thus, no oral modification or amendment hereof shall be permitted. The Parties agree to take such action as is necessary to amend this Agreement, from time to time, as is necessary for Covered Entity to comply with the requirements of HIPAA, including its Privacy, Security, and Notice Rules.

**VIII. INTERPRETATION OF THIS AGREEMENT IN RELATION TO OTHER AGREEMENTS BETWEEN THE PARTIES.** Should there be any conflict between the language of this Agreement and any other contract entered into between the Parties (either previous or subsequent to the date of this Agreement), the language and provisions of this Agreement, along with the Underlying Agreement, shall control and prevail unless the Parties specifically refer in a subsequent written agreement to this Agreement, by its title, date, and substance and specifically state that the provisions of the later written agreement shall control over this Agreement and Underlying Agreement. In any event, any agreement between the Parties, including this Agreement and Underlying Agreement, must be in full compliance with HIPAA, and any provision in an agreement that fails to comply with HIPAA will be deemed separable from the document, unenforceable, and of no effect.

**IX. COMPLIANCE WITH STATE LAW.** The Business Associate acknowledges that by accepting the PHI from Covered Entity, it becomes a holder of medical records information under the MCMRA and is subject to the provisions of that law. If HIPAA conflicts with another applicable law regarding the degree of protection provided for Protected Health Information, Business Associate must comply with the more restrictive protection requirement.

**X. MISCELLANEOUS.**

A. Ambiguity. Any ambiguity in this Agreement shall be resolved to permit Covered Entity to comply with HIPAA.

B. Regulatory References. A reference in this Agreement to a section in HIPAA means the section in effect, or as amended.

C. Notice to Covered Entity. Any notice required under this Agreement to be given Covered Entity shall be made in writing to:

F. Penalties for HIPAA Violation. In addition to that stated in this Agreement, Business Associate may be subject to civil and criminal penalties noted under HIPAA, including the same HIPAA civil and criminal penalties applicable to a Covered Entity.
