

Montgomery County, Maryland

SCHOOL HEALTH COUNCIL MEMBERSHIP

The mission of the Montgomery County School Health Council (SHC) is to enhance the academic achievement, health and well-being of Montgomery County students and to support the development and promotion of effective and coordinated school health programs. The SHC provides for a forum for discussion and support of relevant school health problems and programs of the Montgomery County Public Schools (MCPS) and the Montgomery County Department of Health and Human Services (MCDHHS). Membership is composed of representatives from broad segments of the community.
