

Children's Eye  
Foundation of **aapos**

ALL CHILDREN SEE

# Did you know? 80% of all vision impairment among children could be **PREVENTED OR CURED?**

\*Source: Center for Disease Control and Prevention.

## **ALL CHILDREN SEE CAN HELP!**

Volunteer ophthalmologists provide **free eye exams** and care to eligible children under the age of 18.

\*\*ACS volunteers are members of the American Association for Pediatric Ophthalmology & Strabismus
