

VISION VOUCHER

U.S., Canada & Puerto Rico

A representative from the non-profit organization will need to contact an EssilorLuxottica retail location such as LensCrafters, Target Optical (US Only), or select Pearle Vision* stores to establish a relationship. This is to ensure that the store knows the organization will be referring recipients and that the store has an adequate supply of vouchers to support the need. Please ask to speak to the OneSight Captain or Store Manager at a location nearest the recipient.

**If you will be contacting a Pearle Vision store to establish a referral process, you will need to ask in advance if the store is a franchise location. At this time, not all Pearle Vision franchise stores are set up to participate in voucher program.*

Getting Started

1

Confirm retail location

Communicate the name of the optical store and address to the recipient. Provide directions if necessary.

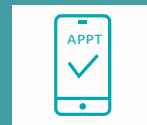

2

Write referral letter for recipient

On company letterhead
Include non-profit Tax ID#, contact name and phone number and give referral letter to the recipient. *See sample letter included.*

3

Book an appointment

The recipient or referring organization will contact the participating retail optical to schedule an appointment to obtain the voucher & eye exam if needed.

Please be advised that each recipient will need to have an updated prescription (less than 2 years old), as the voucher program does not include an eye exam. If a recipient needs an eye exam, the Store Manager can inform them about options through EssilorLuxottica's retail locations. If there is not a participating Optometrist with one of EssilorLuxottica's retail brands, then you may need to partner with other community organizations to obtain a free or discounted eye exam.

Receiving Care

The recipient arrives at the retail optical on their appointment day & informs the employee they have a referral letter for a vision voucher.

The employee confirms the appointment & collects the referral letter. The recipient will proceed to either the exam or frame selection.

If needed, a participating doctor will provide a complimentary eye exam & the recipient's vision Rx. The recipient will then proceed to select glasses based on the doctor's recommendations.

The recipient will select a new frame from a specific collection & the retailer will fill the prescription lenses. **No premium lens types or special coatings included.*

Same day or within 1 week the recipient receives new eyewear.

RE: Voucher Referral Letter

Organization: *(Replace with referring NGO)*

Tax ID #: *(NGO Tax ID Number)*

Date:

Recipient:

Please accept this referral letter on behalf of OneSight to receive a free pair of eyeglasses through the Vision Voucher Program in partnership with EssilorLuxottica.

How to receive care:

1. Please contact nearest participating EssilorLuxottica Retail location (LensCrafters, Target Optical or Pearle Vision corporate store) and ask to speak to the OneSight Captain or Store Market Manager and inform them that you have a referral letter for a Vision Voucher.
2. If you don't already have a valid prescription (one that is less than 2 years old), ask if the onsite doctor at the optical retailer is able to donate an eye exam; or reach out to Prevent Blindness for assistance.
3. Take the referral letter as well as a valid prescription (if applicable) to a participating EssilorLuxottica Retail location to receive a pair of glasses at no charge.

OneSight is a leading nonprofit organization dedicated to creating a world where lack of access to vision care is no longer a barrier to human achievement and potential. OneSight delivers quality eye exams and glasses to underserved populations throughout the United States and communities around the world. Over the past 30 years, the organization has served 10 million patients in more than 50 countries.
