2018-2019 Commission on Child Care Priorities

The Commission will advance its mission in FY 19 through a focus on two top priorities:

Priority 1:

Communicate crucial child care issues to the new leadership of Montgomery County by creating and distributing publications on pertinent child care topics to the County Council and County Executive.

Priority 2:

Work with early childhood groups and stakeholders to learn about and communicate pressing child care needs to the community.

The Commission greatly appreciates your consideration of its priorities when making policy and budget decisions.
