- FY18 Approved budget from all revenue sources = $312,961,396 and a total of 1,648.71 work years (5% increase from FY16 level of $299,047,357).

- The Department manages 758 active contracts valued at $115.1M.

- There are 102 grants totaling $78,876,559 supporting the Department’s mission.
Key Themes

Our transformation work will focus on four key themes. These themes will organize goals, objective and strategies over the next three years. They are:

- Service Delivery Transformation
- Effective and Equitable Service Delivery
- Capable and Engaged Workforce
- Strong Collaborative Relationships

The following sections outline our strategic themes in more detail. The strategic themes and goals specify what we want to achieve. The objectives and high-level priorities lay-out how we plan to achieve our goals. The following diagram shows how the elements fit together.

Our vision:
We envision a healthy, safe and strong community.

Our mission:
To promote and ensure the health and safety of the residents of Montgomery County and to build individual and family strength and self-sufficiency.

<thead>
<tr>
<th>GOALS</th>
<th>Key elements of each goal</th>
</tr>
</thead>
</table>
| GOAL ONE: An integrated service delivery system supported by technology, which enables staff to share information and work collaboratively. | • Implement technology that supports a fully integrated system  
• Establish a clear set of expectations that outline how we will work collaboratively |
| GOAL TWO: Align people and financial assets so that we are investing the necessary level of resources to ensure effective and equitable service delivery. | • Provide staff with information and tools that support collaboration  
• Use data to inform decisions: client, program & organizational  
• Ensure investment in programs that focus on the community’s safety, health and well-being |
| GOAL THREE: Recruit, develop and maintain a workforce that is engaged, accountable, responsible, respected, recognized and prepared for critical and emerging roles within the Department and is representative of the community we serve. | • Redesign human resources processes  
• Provide training and development opportunities focused on use of technology, collaboration and practice/clinical issues |
| GOAL FOUR: Strengthen internal and external relationships to offer a full range of coordinated programs and services focused on reducing redundancy, improving client outcomes, and eliminating disparities. | • Further define, refine and develop partnerships that will reduce redundancy, improve client outcomes, and eliminate disparities  
• Implement DHHS Contract Management process reforms  
• Strengthen Partnerships with our public and private partners |

Behavioral Health & Crisis Services
HIGHLIGHTS

- Add funds for the Stop, Triage, Engage, Educate, and Rehabilitate (STEER) deflection program. STEER is an initiative that works to connect people to substance abuse treatment rather than arrest and pre-trial programming. Through prevention and intervention deflection, the goal of STEER is to direct people in need of substance abuse treatment away from jail to an intervention program, $300,000.

- Add funds to implement the Monitored Exchange and Supervised Visitation Center (MESV) program. MESV provides a monitored safe exchange of children and/or supervised visitations for families where a supervised visitation or monitored exchange service has been required by a judge. This program offers a neutral and secure setting for children to be exchanged for visits and for supervised visits to be conducted, $250,000.

- Add funds to the disproportionate Minority Contact Reduction Coordinator for the Collaboration Council, $100,000.
Positive Youth Development

- Add funds to support full-year service enhancements for youth at-risk of gang violence, $305,403.

- Creation of the Safe Space Program within the Street Outreach Network at four locations in the County to provide critical services to highest risk youth, $474,238.

- Electronic Health Record (eHR)
- Electronic Integrated Case Management System (eICM)

**Work ahead:**
- Continue to deepen User Acceptance
- Improve Analytics Capabilities
- Provider Portal
- Mobile Workforce
What does FY19 hold for us?

- Possible reductions to programs due to County government-wide budget constraints
- Continued increase in the urgency and complexity of cases from our customers/clients and patients
- Continued partnering around a shared problem solving agenda on how to deliver on the value proposition – Poverty, Early Childhood, Continue to improve access to care – health and behavioral health, Manage Federal/State policy and budget Risks
- Imperative to move upstream – increase our prevention incentive
- Implement and take advantage of all our technology modernization and data analytics capacity
- Continue our efforts to become more outcomes focused, more efficient, and more effective in our service delivery and demonstrate a strong return on investments as funding diminishes – become more evidence informed
- Sustainability/Sustainability/Sustainability!!!!
