Open Enrollment: Benefits Voyage

Open Enrollment 2024: October 9 – October 27, 2023

Open Enrollment is your once-a-year opportunity to change your medical, prescription, dental, vision and optional life insurance elections for yourself and your dependents. All changes and supporting documentation must be received by **October 27, 2023, at 5 pm ET**. Any changes you make during the Open Enrollment period will take effect January 1, 2024.

Please take the time to understand your 2024 benefit options outlined in this guide. More information and resources are available on the Open Enrollment Website:

www.montgomerycountymd.gov/OE

(available by 10/9/2023).

Note for New Employees

Any benefit elections made during your New Hire enrollment were for the current plan year (2023). If you want to make changes to your medical, prescription, dental, vision and optional life insurance elections for plan year 2024, you must submit your elections during Open Enrollment.

Coast to Enrollment

How to Make Changes for 2024

1. Review the variety of online planning tools and resources available on the Open Enrollment website (www.montgomerycountymd.gov/oe) on October 9, 2023.
2. Obtain this information before you complete your changes:
 - Names of dependents to be added or removed
 - New dependent's Date of Birth & Social Security Number
 - Required dependent documentation (see page 4)
3. Make your benefits changes online via the Participating Agency online enrollment form, which can be found in the Enroll Now section of the Open Enrollment website (available 10/9/2023).
4. Before submitting your online form, upload any required paperwork, such as documentation for newly added dependents.
5. **Follow the steps above by the Open Enrollment deadline on Friday, October 27, 2023, by 5 pm.**

Not Making Changes?

Good News! If you are not making changes, no action is required.

What if I Do Not Make Changes?

Benefit Plan	If You Take No Action During Open Enrollment:
Medical	Your coverage will be the same as the election you had in place for the 2023 plan year. Any premiums changes from 2023 to 2024 will apply.
Prescription	
Dental	
Vision	
Optional Life Insurance	

Qualifying Life Events

The IRS has strict regulations in place for plans that allow pre-tax deductions. Therefore, outside of Open Enrollment, you may only make changes within 60 days of a qualifying life event. Financial hardship is not an IRS qualifying life event. Qualifying life events are as follows:

- Birth of a newborn, adoption, or placement for adoption or medical child support order
- Marriage or divorce
- Death of a dependent
- Becoming eligible for other coverage outside of the County
- Losing coverage outside of the County

Navigating Dependent Enrollment

Who Is Eligible?

- Your legal spouse or grandfathered domestic partner established prior to 6/28/16.
- Children (biological, legally adopted, stepchildren, or under your legal custody) under age 26.
- Disabled dependents over the age of 26.

Do I Need to Upload Documentation for my Dependents?

- **Not Enrolling New Dependents?**
Eligible dependents who are currently covered under medical, prescription, dental and vision plans do not require new eligibility documentation.
- **Enrolling New Dependents?**
If you are adding a new dependent to your medical, prescription, dental or vision plans, you are required to upload the following dependent eligibility documentation when submitting your Open Enrollment elections. If documentation is not received before the Open Enrollment deadline, your dependents will not be added for the 2024 plan year. Note: Dependent social security numbers and dates of birth are required when you enroll. Be sure to collect that important info before getting started. Individual Taxpayer Identification Numbers (ITIN) will be accepted.

If you want to...	You need to make your changes (online) and submit:
Add a dependent	<ul style="list-style-type: none"> • <i>Spouse</i>: Official State Marriage Certificate (certified by appropriate State or County Official) • <i>Biological Child</i>: State Birth Certificate • <i>Adopted Child</i>: Copy of Adoption or Placement for Adoption Papers • <i>Stepchild</i>: State Birth Certificate, Marriage Certificate and Divorce Decree or Custody Papers • <i>Disabled Child</i>: Medical plan verification of disability prior to age 26 • <i>Legal Custody</i>: Copy of Court Order granting legal custody
Remove a dependent	No additional documentation is needed during Open Enrollment

Required Documentation Tips:

- Gather any required documentation:
 - Marriage Certificates must be signed, dated and certified by the clerk of the court or other state or county official. Certificates signed by a clergy member (e.g., priest, minister, rabbi) are not acceptable. (If you were married outside of the U.S., OHR will accept a copy of your international Marriage Certificate).
 - Birth Certificates must show your dependent child or stepchild is your or your spouse's direct descendent.
 - Need to order your domestic certified Marriage Certificate or child's Birth Certificate? Access www.vitalchek.com any time or call 1-888-219-3786.
- Save these documents to whatever device you plan to use for your transaction (e.g., your computer, tablet, smartphone) so that you will have them ready to upload as you complete your online enrollment form.
- If you don't have access to a document scanner, take a photo of your document on your smartphone and either email it to yourself to download to your computer / tablet, or use your smartphone to make your elections.

Remember, **it is your responsibility to make sure your covered dependents are eligible for the plans.** Electing or continuing benefits for someone who is not entitled is considered fraud. Misrepresenting your eligibility, or failure to remove ineligible dependents, could lead to repayment of claims. Be sure to review your covered dependents and take the necessary steps to remove any dependents who are no longer eligible.

Rate and Plan Changes for 2024

Medical, Prescription, Dental, Vision and Life Insurance vendors and plan designs are staying the same in 2024.

Your employer will provide information pertaining to your new rates for the 2024 plan year.

Controlling Health Care Costs

The rising cost of health insurance is a concern for all of us. Here are tips on how you can help keep increases to a minimum:

- Seek out preventive care, such as annual exams and age-based screenings.
- Visit in-network doctors.
- Use urgent care facilities/convenience care clinics for non-emergent services, rather than the ER.
- Choose generic prescription drugs when available.
- Take advantage of your disease management, health coaching and other wellness resources available through your MCG medical insurance carriers and LiveWell programs.

Need Support?

Wellness and EAP

Exploring Your Benefit Choices

Survey your resources in this guide as you explore your benefit plan choices for 2024.

Medical:

Which Plan is Right for You?

It may not be an obvious choice, but it's an important one. Here is a Benefits-at-a-Glance snapshot of what each of the plans covers for in-network services. To see how out-of-network services with CareFirst are covered, please refer to the complete summaries available on the Open Enrollment website.

Benefit	Kaiser Permanente HMO + Rx	United Healthcare HMO	CareFirst BCBS Standard POS	CareFirst BCBS High POS
Plan Type	HMO	HMO	Point-of-Service	Point-of-Service
Primary Care Physician (PCP) Required	Yes	Yes	No	No
Out of Network Benefits	No	No	Yes	Yes
Provider Network	Regional (MD/DC/VA)	National	National	National
Referrals Required	Yes	No	No	No
Annual Deductible	None	None	None	None
Dr. Office Visits PCP/Specialist	\$5 copay	\$5 / \$10 copay	\$15 / \$30 copay	\$10 copay
Virtual Visits	Covered in full.	\$5 / \$10 copay	\$15 / \$30 copay	\$10 copay
Urgent Care	\$5 copay	\$15 copay	Covered in full.	Covered in full.
Emergency Room	\$50 copay; waived if admitted	\$25 copay; waived if admitted	\$35 copay; waived if admitted	\$25 copay; waived if admitted
Inpatient Hospitalization	Covered in full.	Covered in full.	\$150 per admission	Covered in full.
Prescriptions	\$5 copay at Kaiser pharmacy; \$15 copay at other participating pharmacies	None; except diabetic supplies	None; except diabetic supplies	None; except diabetic supplies

What are we talking about? There are a lot of acronyms used in benefits. Here are some frequently used terms and their definitions to help break it down for you:

- **PCP:** Your primary care physician who practices general medicine and is your first stop medical care, such as preventive care and routine illnesses.
- **Copay:** A fixed amount that you pay for services.
- **Network:** The providers and facilities that an insurance company uses to provide covered services. Providers can drop in and out of networks at any time. If your provider drops out of your plan, it is not considered a qualifying life event that would allow you to change plans mid-year.
- **Referral:** A written order from your Primary Care Physician (PCP) to see a specialist (like a cardiologist or orthopedic) or to get certain medical services (like an MRI).

Prescription:

If you elect either the CareFirst or UHC medical plans, you are **not** automatically enrolled in prescription coverage. If you want to participate, you must enroll in the CVS Caremark prescription program separately.

Kaiser members may not enroll in the CVS Caremark prescription program, as prescription coverage is already included in the Kaiser medical plan.

Deductible and Copays

There is a \$50 annual deductible that your family unit must satisfy before the Caremark Standard Option prescription plan begins paying its share. You will pay the discounted retail cost of the prescriptions until you have reached the \$50 deductible. After, you are only responsible for your copay. Your copay depends on the approved formulary drug tier.

For a 30-day supply at a participating retail pharmacy, you pay:

- Generic Drugs: \$10 Copay
- Preferred Brand-Name Drugs: \$20 Copay
- Non-Preferred Brand Name Drugs: \$35 Copay

Resource Tip

CVS Caremark has a **Check Drug Cost Tool** that determines if your prescription drug is covered and what it will cost under your plan. Access the Check Drug Cost Tool on the Open Enrollment website.

Vision:

If you are enrolled in either the UHC or Kaiser medical plans, there is a vision discount built in. However, the stand-alone EyeMed vision program will provide more comprehensive vision benefits.

In-Network Cost Summary

Below is a snapshot of the in-network benefits you will receive when you enroll in the EyeMed vision program:

Benefit	Cost
Exam with Dilation as Necessary (Covered every year)	No Copay
Retinal Imaging	\$39 Copay
Prescription Lenses (Covered every year) Single Vision, Bifocal, Trifocal, or Lenticular Progressive	No Copay Copay Ranges \$65 to \$110
Frames (Covered every two years)*	No Copay; \$130 Allowance
Contact Lenses (Covered every two years)* Standard Contact Lens Exam Contact Lenses Medically Necessary Contact Lenses	Contact lens fit and follow up visits are available only after a comprehensive eye exam have been completed. No Copay; \$40 Allowance No Copay; \$100 Allowance No Copay; Paid in Full
*Either contacts OR frames covered every 2 years. For a complete vision summary, visit the Open Enrollment website (www.montgomerycountymd.gov/OE).	

EyeMed members receive great discounts and deals for a variety of vision related products and services. Members should check the “member perks” section of the EyeMed member portal at www.eyemed.com for details.

Dental:

Choose between the Cigna DHMO and PPO plans. Both plans cover preventive, basic restorative, major restorative, and orthodontia care.

Did You Know? Costs associated with diagnostic and preventive care—like your annual cleanings, oral exams and x-rays—are covered in full under both of MCG’s dental plans.

Which Plan is Right for You?

- The DHMO only pays benefits when you see an in-network provider with Cigna’s Care Access Plus network.
- The PPO allows you to receive care from any dentist. Your out-of-pocket costs will be lower when you see a provider in the Total Cigna PPO network.

	DHMO	PPO
Required to Use an Assigned Provider	Yes; Primary Dental Office	No
Out-of-Network Benefits Available	No	Yes
Referral Required to See a Specialist	Yes	No
Orthodontic Benefits Available	Yes (Any Age)	Yes (Any Age)
Orthodontia Maximum (Lifetime)	Unlimited Amount; Treatment Limited to 24 Months	\$1,000
Annual Maximum	Unlimited	\$2,000
Deductible	None	\$50 / \$150; Waived for Preventive Care

Access the complete dental benefit summaries on the Open Enrollment website (www.montgomerycountymd.gov/OE).

Need help choosing a plan? Contact Cigna’s pre-enrollment help line at 800-564-7642 and let them know your employer is Montgomery County Government.

Transitioning from Another Dental Plan?

- If you are in the middle of dental treatment when your new MCG coverage begins, such as root canals, crowns, bridgework or dentures, your former dental plan should assume responsibility. Cigna will only cover dental treatment started and completed after your effective date.
- However, if you are in the middle of orthodontic treatment when you switch to MCG’s Cigna dental plans, your new MCG dental plan may help to pay some of the costs.
- To learn more about how “in-progress” orthodontic treatments are covered during the transition, view the orthodontics in progress flyer on the Open Enrollment website.

Life Insurance

Open Enrollment is your opportunity to increase or purchase optional life insurance for yourself or your dependents.

Statement of Health

Newly elected or increased employee Optional Life insurance during Open Enrollment is not guaranteed. Coverage is subject to Statement of Health (SOH) and approval from MetLife.

If you elect to enroll for the first time or increase your coverage during Open Enrollment, you will receive a notice from MetLife to complete the SOH after Open Enrollment.

To learn more about SOH, see the SOH FAQ on the Open Enrollment website.

Included Value-Added Services

If you enroll in either Optional Life for yourself or Dependent Life for your dependents, you will have access to the following value-added services with MetLife.

MetLife Value-Added Services
Will preparation services WillsCenter.com (online services for will, living will, Power of Attorney, HIPAA Authorization) Estate resolution services Funeral assistance services Grief counseling

How Much Life Insurance Do You Need?

Check out the life insurance calculator on the Open Enrollment website. Life insurance helps cover:

- Funeral burial costs
- Medical bills
- Taxes & living expenses (e.g., mortgages, childcare, debt)

How Much Does Optional Life Insurance Cost?

To find out how much your employee or dependent optional life will cost, check with your participating agency employer.

Legal Notices

For the 2024 Plan Year

Please keep the following legal notices with your important benefits documentation.

Notice of Creditable Coverage

Important Notice from Montgomery County About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Montgomery County and prescription drug coverage available for people with Medicare. It also explains the options you have under Medicare prescription drug coverage and can help you decide whether or not you want to enroll. At the end of this notice is information about where you can get help to make decisions about your prescription drug coverage.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Montgomery County has determined that the prescription drug coverage offered by MCG's group insurance plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 to December 7. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

You should compare your current coverage, including which drugs are covered, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area.

What Happens to Your Current Coverage If You Decide to Join a Medicare Drug Plan?

At this time, MCG offers Medicare eligible retirees the following prescription plans:

- Caremark Standard Option Prescription Plan
- Prescription coverage available through the Kaiser's Medicare Plus plan

If you (and/or your dependents) are eligible for Medicare (including due to disability) and elect to participate in the Caremark High Option Prescription Plan or Standard Option Prescription Plan, you (and/or your dependents) will automatically be enrolled in Medicare Part D. Medicare requires that you have a 21-day period to opt out of Medicare Part D participation. However, if you opt out, you (and your dependents, if applicable) will not have any prescription drug coverage through MCG's prescription drug plans. If you elect to participate in the Kaiser plan, this is not applicable.

If you or your Medicare eligible dependent decide to join a Medicare drug plan, coverage under the MCG plan will terminate for that individual. Therefore, please note that if **you** join a Medicare drug plan, and as a result your County coverage is terminated, **coverage for your dependents will also terminate.**

If you decide to join a Medicare drug plan and you decide to drop your current County coverage, be aware that you and your dependents will only be able to elect coverage at Open Enrollment.

When Will You Pay a Higher Premium (Penalty) To Join a Medicare Drug Plan?

You should also know that if you drop or lose your coverage with MCG and don't enroll in Medicare prescription drug coverage within 63 days after your current coverage ends, you may pay more (a penalty) to enroll in Medicare prescription drug coverage later.

If you go 63 days or longer without prescription drug coverage determined to be Creditable Coverage, your monthly premium may go up at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without coverage, your premium may always be at least 19% higher than the Medicare Base beneficiary premium. You'll have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to enroll.

NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Montgomery County changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage

More detailed information about Medicare plans that offer prescription drug coverage is in the *Medicare & You* handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare prescription drug plans. For details about Medicare prescription drug plans:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see your copy of the *Medicare & You* handbook for their telephone number) for personalized help.
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

For people with limited income and resources, extra help paying for Medicare prescription drug coverage is available. Information about this extra help is available from the Social Security Administration (SSA) online at www.socialsecurity.gov, or you call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Notice of Grandfathered Health Plan Status

Montgomery County Government believes the Plan is a grandfathered health plan under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that the Plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the OHR Health Insurance Team by contacting MC311, Monday through Friday, 8 a.m. to 5 p.m.: 240-777-0311; any questions MC311 cannot answer are immediately routed via a service request to the OHR Health Insurance Customer Care Center, Monday through Friday, 8 a.m. to 4 p.m. You may also contact the U.S. Department of Health and Human Services at <https://www.healthcare.gov/health-care-law-protections/grandfathered-plans/>.

Women's Health Care and Cancer Rights Act (WHCRA)

The Plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy, including lymphedema. Call your plan provider for more information.

Availability of Other Important Legal Documents

Other legal documents are available free of charge at <http://www.montgomerycountymd.gov/HL> Summary of Benefits and Coverage, Group Insurance Summary Description and HIPAA Privacy Notice. A paper copy of these documents can be provided free of charge by contacting the OHR Health Insurance Team via MC311, Monday through Friday, 8 a.m. to 4 p.m.: 240-777-0311.

*The County expects to continue its group insurance plans, but it is the County's position that there is no implied contract **between individual employees and the County** to do so. The County reserves the right to change or discontinue any terms of the plans, subject to applicable laws and the County collective bargaining agreements. The County may amend the plans, either prospectively or retroactively, as required by Federal or State law. In the event of a conflict between this Open Enrollment flyer, the County Code, the Summary Description and/or the Plan documents, the County Code, then the plan document and then the Summary Plan Description will govern.*
