

How You Can Continue Your Group Term Life Insurance - (Portability)

What is Portability?

Portability or porting is an optional feature chosen by your former employer. It allows employees and dependents to continue their Group Term Life and Accidental Death and Dismemberment (AD&D) insurance under a separate group policy. The attached medical questions (Statement of Health Form) do not need to be answered to enroll, however you or your spouse/domestic partner must complete them in order to apply for Preferred Life Rates (lower). If approved by MetLife, you will be billed using the Preferred Life Rates (lower).

If you do not complete the medical questions or do not satisfy MetLife's underwriting requirements, portable coverage will still be issued based on the Non-Preferred Rates (higher).

Once enrolled MetLife will mail you a portable certificate and your initial bill including instructions on how to set up the monthly Electronic Funds Transfer (EFT). The instructions to set up EFT can be found on the back of your bill.

➤ Your first bill will also include any retroactive premium due from the effective date of your portable coverage and an administrative fee. The current administrative fee is \$1.00 per statement if your total portable life insurance coverage is \$20,000 or more and \$3.00 per statement if your total portable life insurance coverage is less than \$20,000. If you only port dependent term life or AD&D, regardless of the amount of coverage, your administrative fee will be \$3.00 per statement. If you enroll for EFT the monthly administrative fee is no longer charged

Why is Portable Coverage Important?

Portable coverage provides security and helps eliminate gaps in coverage that you may experience during a time of transition, even if your employment ends.

How Much Time Do I Have To Elect Portability?

 If the Date of This Notice (see Part A on page 1 of the attached Election of Portable Coverage Form) is within 15 days after your coverage ends or is reduced, you will have 31 days after your coverage ended to enroll.

Example:

if coverage ended	Date of This Notice	to enroll for portable coverage,	your portable coverage
ii coverage criaca	Date of This Notice	you will have until	will be effective
July 31	August 8	August 31	September 1
July 31	August 15	August 31	September 1

 If the Date of This Notice (see Part A on page 1 of the attached Election of Portable Coverage Form) is given more than 15 days after your coverage ended or is reduced, you will have 45 days from the Date of This Notice to enroll.

Example:

if coverage ended Date of This Notice		to enroll for portable coverage,	your portable coverage
ii coverage ended	Date of This Notice	you will have until	will be effective
July 31	August 16	September 30	September 1
July 31	August 23	October 7	September 1

 Under <u>no</u> circumstances will the option to port be extended past 91 days after the date coverage ended under your former employer's plan.
