

Mental Health and Substance Use Disorder Programs

Well-being support for first responders

Few jobs are as mentally and physically stressful as that of a first responder. The constant pressure can be exhausting and take a toll on your mental health.

In fact, depression and PTSD affect nearly one-third of our nation's first responders. Left untreated, these conditions can lead to other serious health issues including insomnia, substance abuse or suicidal thoughts¹. The work you do helps us all. Please know that help is available for you, too.

Your CareFirst BlueCross BlueShield and CareFirst BlueChoice, Inc. (CareFirst) health plan gives you access to specialized services for depression, anxiety, drug or alcohol dependence, PTSD and other mental health conditions.

Our support team of specially-trained service representatives, registered nurses and licensed behavioral health clinicians are ready to:

- Help you find the right mental health provider(s) and schedule appointments

- Connect you with a care coordinator to create a tailored action plan
- Find support groups and resources to help you stay on track
- Provide information about CareFirst Video Visit options for therapy

If you're struggling with addiction, we can help you find a trusted Intensive Outpatient Program (IOP) that will:

- Provide personalized treatment in the right care setting
- Connect you with counselors who help address the triggers in your daily life
- Educate you and your doctors on the causes and treatment options for addiction

*If you're in crisis,
help is available 24/7 at
800-245-7013.*

To help you focus on your recovery rather than the cost of treatment, CareFirst offers a cost-share waiver*. If you are admitted to an approved IOP (see list below), you may be eligible for a waiver of in-network cost-sharing responsibilities—meaning no copays, coinsurance or deductibles**.

Approved intensive outpatient programs

If you're seeking treatment, contact our support team at 800-245-7013. We'll help schedule an appointment at one of our participating regional centers or find a provider if you live outside the region.
