Large network provides choice and convenience

Our large national network of private practice and retail providers gives our members freedom of choice and convenience, including weekend and evening hours.

Finding a provider is easy. Go to myuhcvision.com and use the provider locator tool for a complete listing and directions. Call **1-800-638-3120** to speak with a customer care professional.

As a member, you also have access to discounts on laser vision correction

With your UnitedHealthcare Vision plan, you have access to up to 35% off national pricing through our partnership with QualSight® Lasik. When you choose QualSight Lasik, you get a free LASIK consultation, access to over 800 locations nationwide, and more. To learn more about laser vision correction, and to find a network surgeon, visit uhc.qualsight.com or call **1-855-321-2020**.

Plus get preferred pricing on custom programmed hearing aids

Hearing loss can happen at any age, and treating it early can help improve overall well-being. Through your UnitedHealthcare Vision plan, you can get up to 50% off hearing aids from UnitedHealthcare Hearing when using promo code **UHCMYVISION**. These hearing aids use advanced technology to enhance speech understanding and comfort. Visit uhchearing.com to learn more.

A window into your whole health

While regular eye exams can detect vision and eye disease, they can also detect early warning signs of Type 2 diabetes, hypertension, high cholesterol and vascular disease, making them an important part of your preventive care.

*Frame discounts do not apply when prohibited by frame manufacturer.

¹ Discount pricing is only available at network provider locations. Please consult your vision care provider for discount pricing on additional lens styles, materials and options (e.g., coatings, tints, etc.). For more information, call Member Services or visit our website at myuhc.com.

² Standard lenses: non-aspheric, glass/plastic (CR39), clear, all powers, all sizes, standard scratch-resistant coating. Lower prices on standard lenses and contacts will apply at some participating retail locations.

³ The price is the same at both private practice and retail chain providers; however, at network retail chains, you will pay either the discount price or the chain's price, whichever is less.
