Progressive and anti-reflective tier classifications 2025

Anti-reflective with backside uv coating

Some lens manufacturers offer anti-reflective lenses with backside UV coating, which we consider an additional lens add-on.

Charge the member the appropriate member out-of-pocket cost as well as \$15 for the UV coating for the below products.

- | | | | |
|------------------------|---|-----------------------------------|---------------------------------------|
| • Costa C-Wall AR w/UV | • Crizal Sapphire® 360 UV | • Maui Jim Clearshell SRC AR w/UV | • Ray-Ban® Sun AR w/Mirror |
| • Costa C-Wall AR w/UV | • Crizal Sapphire HR | • Oakley Standard AR | • Super HiVision Meiryo EX4 |
| • Costa Premium AR | • Crizal SunShield™ UV (with or without mirrors) | • Oakley Stealth Pro AR | • Super HiVision Meiryo EX4 Backside |
| • Costa Standard AR | • Crizal® Previncia® | • Premium + AR | • Synergy Crystal UV |
| • Crizal Alize UV™ | • Glacier Plus™ UV | • Ray-Ban® Crizal Rock | • VISO Previncia |

| • Crizal Easy UV™ | | • Ray-Ban® Sun AR | |
| • Crizal Rock | | | |

Youth packages are available through Essilor labs use Crizal Kids UV™ or Crizal® Previncia® Kids. Both include backside UV, but don't charge extra for the coating when members choose these packages.

If you dispense a lens not on this list (including "house brands"), charge the member based on the lens that most closely matches the features and benefits of the lens dispensed. Please see the Luxottica Lab Services and Essilor product catalogs for the product available through network labs.

Lens materials with approved blue light benefit

Some lens manufacturers offer a blue light filtering benefit that is an add-on to the Lens Material. Please see the list of approved Blue Light Filtering Materials that will drive to a Blue Light Filtering Benefit.

- | | | |
|------------------------------|--------------------|---------------------|
| • Essential Blue Series | • KODAK UVBlue | • Clear Blue Filter |
| • Blue Tech Indoor & Outdoor | • Oakley® CL Blue | |
| | • ZEISS Blue Guard | |

EyeMed Vision Care has sole discretion of the placement of products and reserves the right to make changes to products within each tier and any member out-of-pocket amount.

*Fixed pricing is reflective of brands at the listed product level. All providers are not required to carry all brands at all levels.

**Progressive Tier 4 Lite does not currently have an associated product set; EyeMed will provide updates when products are reclassified.

***As always, confirm the member's benefit details within the online claims system. If Premium Tier 5 progressive is not listed, the member benefit should mirror Premium Tier 4 progressive.
