# MONTGOMERY COUNTY EMPLOYEE RATES - FULL-SCOPE TEMPORARY EMPLOYEES

Effective January 1, 2022

## OPTIONAL LIFE INSURANCE

Effective January 1, 2022

### How to Calculate the Estimated Monthly Employee Cost (After-Tax)

- 1) Determine your coverage amount for Optional Life Insurance (subject to plan maximums):
  - Take your basic annual earnings (i.e., your annual full-time equivalent salary) and multiply by the level of Optional Life Insurance you are electing.  
*For example, if your annual full-time equivalent salary is \$26,700, and you want an additional two times your basic annual earnings in Optional Life Insurance, then \$26,700 x 2 = \$53,400.*
  - Round this amount to the next \$1,000.  
*For example, you would round \$53,400 to \$54,000.*
- 2) Divide the amount determined in 1) by \$1,000. *For example, \$54,000/\$1,000 = 54.*
- 3) From the table below, find the total monthly cost for your age band as of January 1 (if you are a new hire during the year, you should use your age as of your hire date). This is your monthly cost for each \$1,000 of Optional Life Insurance coverage you elect. If you move into a higher age band during the year, the new cost for that age band will apply as of that date.

AGE	TOTAL MONTHLY COST
	12 PAY PERIODS
<25	\$0.048
25-29	\$0.054
30-34	\$0.067
35-39	\$0.074
40-44	\$0.081
45-49	\$0.113
50-54	\$0.165
55-59	\$0.297
60-64	\$0.447
65-69	\$0.847
70-74	\$1.497
75-79	\$2.117
80-84	\$2.117
85-89	\$2.117
90-94	\$2.117
95+	\$2.117

*For example, if you are 44 as of January 1, the total monthly cost is \$0.081 for every \$1,000 of Optional Life Insurance you elect. Should you turn 45 during the year, your new monthly cost will be \$0.113 for every \$1,000 of Optional Life Insurance you elect.*

- 4) Multiply the total monthly cost determined in 3) by the amount determined in 2). This is your estimated monthly cost for the Optional Life Insurance you have elected.  
*For example, \$0.081 x 54 = \$4.37. This monthly cost would increase to \$0.113 x 54 or \$6.10 should you move into the next age band during the plan year.*

**Please note that salary adjustments during the year that change your coverage amount, will also change your monthly cost for Optional Life Insurance.**

## DEPENDENT LIFE INSURANCE

Effective January 1, 2022

### Estimated Total Employee Monthly Cost (After-Tax)

COVERAGE		TOTAL MONTHLY COST
		12 PAY PERIODS
\$2,000 - Spouse, \$1,000 - Child	100% Employee Paid	\$1.610
