### INSTRUCTIONS TO SUBMIT A MAJOR MEDICAL CLAIM

When you have enough charges to satisfy your deductible, you may file a Major Medical claim! You DO NOT have to wait until the end of the year. In fact, you will probably get faster service if you send charges quarterly throughout the year. Details about your deductible can be found in your benefit booklet.

When you complete the attached Major Medical Claim Form, please follow the instructions carefully.

**Unless every question is answered, we will return the form to you for the information. YOUR PAYMENT WILL THEN BE DELAYED.**

1. Separate all bills for each family member. A separate claim form is needed for each person on your contract.

2. Bills must include:
   - Physician or pharmacist’s signature
   - Provider’s tax identification number or NPI
   - Name and address (on letterhead stationery) of person, store or other provider of service or supply (hospital, doctor, pharmacy, etc.).
   - Patient’s full name.
   - Type of service or supply: Type of doctor’s visit (brief, intermediate, extended, etc.), type of x-ray (leg, chest, etc.).
   - Date each service or supply was provided.
   - Doctor’s diagnosis and/or patient’s chief complaint for each service.
   - Amount charged for each service or supply. (See examples below.)

The following are not acceptable: cash register receipts, cancelled checks, money order receipts, personal lists. You must submit the original bills, receipts and forms. Please keep copies; bills cannot be returned.

3. **BILLS FOR THE FOLLOWING SERVICES SHOULD HAVE THIS ADDITIONAL INFORMATION.**

   - Prescription Drugs: Prescription number, name of drug, name of prescribing doctor.
   - Private Duty Nurse: A Private Duty Nursing Certification Form must be submitted with each claim. Please contact our Claim and Benefit Service Division to obtain these forms. Please refer to your benefit card for the phone number.
   - Durable Medical Equipment: Durable medical equipment must be certified as medically necessary by your physician on a Durable Medical Equipment Certification Form. Please contact our Claim and Benefit Service Division to obtain these forms. Please refer to your benefit card for the phone number.
   - Blood Charges: Include the number of pints received, charges for each, and the number of pints replaced by donors.

When sending bills, please circle only the services or supplies you are claiming. If you have received any payment or rejection notices from CareFirst BlueCross BlueShield, Medicare or other insurance, please send them to us. These notices are usually called “Summary or Explanation of Benefits” sheets.

4. **STOP!**
