

# Opti-Vision Vision Care Brochure

## Introduction

The administrator of your plan is Nation Vision Administrators. As an innovative leader in the field of vision administration, NVA has designed the program with your convenience in mind. Its' staff is composed of qualified professional administrative personnel who are available to assist you if needed. Please read this brochure completely and keep it for future reference.

## Where To Get Benefits

NVA has a network of participating Ophthalmologists, Optometrists and Opticians to serve you. You must utilize an NVA participating provider in order to obtain vision care benefits. To find out who is participating you can access our website at WWW.E-NVA.COM or call our Customer Service Department at 1-800-672-7723. When you enroll you will receive a listing of participating providers.

## How The Program Works

National Vision Administrators has designed the program to be simple to use. When you enroll all you or your eligible dependent have to do is present your NVA Identification card to a participating provider to receive a discount on eye exams, corrective lenses and frames. After you enroll, the identification card you receive will have the Sponsor name and number, the retiree identification number, the name of the retiree and coverage for any eligible family member.

NVA participating providers will service you and any eligible family member according to the following schedule of benefits based on the region where the services are rendered.

## Lens Options

The NVA participating providers will charge you up to the wholesale cost, plus fifty percent (50%) on each option selected, or their usual, customary and reasonable fee, whichever is less.

## Standard Lens Options Include:

Photochromatic, Scratch Resistant, Fashion or Gradient Tints, Progressive or No-line Multifocals, Anti-reflective, Polycarbonate and Prescription Sunglasses.

## Frames

The NVA participating providers will charge you up to the wholesale cost, plus fifty percent (50%) on each option selected, or their usual, customary and reasonable fee, whichever is less. This pricing structure greatly reduces your out-of-pocket expenses. Eye care providers normal retail prices on frames are often as much as three times (3x) the wholesale cost.

## Contact Lenses

The Participating provider will charge his or her usual, customary and reasonable fee, less twenty-five percent (25%) for contact lenses, including the contact lens examination. Important: Disposable Contact Lenses are limited to a "one time only" discount.

## Lenticular Lenses

The Participating provider will charge his or her usual, customary and reasonable fee, less twenty-five percent (25%).

## Eligibility

All retirees and any eligible family members may receive the eye care benefit. Except for disposable contact lenses as noted above, there is no limit to the number of times you may use your identification card to obtain services or eyewear.

**Important:** *This card cannot be used in conjunction with any other offer (including, but not limited to, coupons, special promotions, etc.).*

## Exclusions

The following services and materials are not covered under this program: Medical or surgical treatments of the eye/drugs or medications/non-prescription lenses/examination or material not listed as a covered service/services or materials provided by Federal, State, Local Government or Workers' Compensation/Low Vision Aids.
