Otherwise, the amount owed will be deducted from your unused annual or compensatory leave balance or refund of retirement contributions.

All course work must be completed with a passing grade or documented by a course completion certificate. It is **your** responsibility to submit the original grade notice or copy of course completion certificate to the OHR training staff. **Final grade or certificate of completion must be provided to the Office of Human Resources upon completion of the course.** Future tuition assistance requests from you will not be processed until grade notices or certificates for prior courses have been received by the training staff.

**Q. What if I don't complete the course or if I fail the course?**

**A.** If you don't successfully complete an approved course, you're obligated to reimburse the County for any funds spent for the course. Future tuition assistance requests will be denied if you do not repay those funds to the County.

**Q. What if I am approved for tuition assistance and don't attend the training?**

**A.** If your tuition assistance has been approved by OHR and you decide not to register for the course, it is **your** responsibility to notify the training staff immediately so that the funds can be made available to another student.

Your notification of tuition assistance approval will ask whether you registered for the approved course and will ask you to respond to the training staff by a specific date. After that date, if you have not used the approved tuition assistance, the training staff will let you know that your funds will be canceled for that semester.
