Virtual OHR Computer Lab hours
Q & A Sessions for Instructors/HR Liaisons

The Office of Human Resources is pleased to announce “Computer Lab Hours” on the second Wednesday of each month. These are open Question & Answer sessions focused on:

- MCG Learning Instructor responsibilities in Oracle Learning Management (OLM), and
- Class Enrollment Business Intelligence (BI) Dashboard for HR Liaisons and Instructors.

OLM and the BI dashboard are tools to assist instructors and Human Resources Liaisons in monitoring departmental training compliance. To support Human Resources Liaisons in utilizing the “Class Enrollment” Dashboard and instructors in monitoring their classes most effectively, OHR’s Training and Organizational Development Staff will be available to answer any questions and provide one-on-one coaching as needed. No pre-registration is needed, just click here to join for a quick Q & A and coaching session.
