New Business

COVID-19 Emergency Response – Dr. Earl Stoddard, Dr. Travis Gayles

Dr. Stoddard and Dr. Gayles provided a question and answer session to the LEPC regarding the county's response to the COVID-19 emergency. They discussed the steps the county has taken to lessen COVID-19 transmission while supporting the emergency response and hospital systems with logistics needs as necessary. The process the county is using to obtain and distribute critical health care PPE was detailed and the actions regarding both county schools and private schools was discussed.

OEMHS Updates – Mitch Dinowitz / Chuck Crisostomo

Discussion was held on the actions taken regarding COVID logistics sourcing and distribution and the role OEMHS has been supporting in this effort. Chuck discussed the role OEMHS as a whole has been playing with supporting county response and assisting agencies with continuity operations during the COVID-19 emergency.

Hazmat Permitting Program – Barbara Moore

Hazmat Permitting process with staff not in the office was discussed. Barbara discussed how she was handling permitting during the pandemic and discussed plans moving forward.

LEPC Core Group Update – Randy Norman

All items on hold pending COVID-19. Will work to resume meetings of core group to work on ideas when the pandemic and emergency response eases.

Speakers/Presentation

- LEPC Revitalization – Timothy Gablehouse – former chair of NASTTPO.

Presentations will be posted online.

Moving Forward
