## NEW UNEMPLOYMENT CLAIMS

Montgomery County had 2,099 new **regular** weekly unemployment claims for the week of July 4. The data for new Pandemic Unemployment Assistance claims reported for the week of July 4 by the federal and state Departments of Labor is identical to the data for last week – both at the state and county level – suggesting an error in the reported data. The U.S. and Maryland data for past weeks reflect revised numbers from the U.S. Labor Department.
