

Inspector General

MISSION STATEMENT

The mission of the Office of Inspector General is to promote the effectiveness and efficiency of programs and operations of County government and independent County agencies; prevent and detect fraud, waste, and abuse in government activities; and propose ways to increase the legal, fiscal, and ethical accountability of County government and County-funded agencies.

BUDGET OVERVIEW

The total recommended FY15 Operating Budget for the Office of Inspector General is \$757,046, a decrease of \$73,054 or 8.8 percent from the FY14 Approved Budget of \$830,100. ACCOMPLISHMENTS AND INITIATIVES

- ❖ **In addition to anticipated issues arising from complaints, the OIG will in FY 2015-2017 focus on two areas: acquisitions and procurements; and accountability of County Government, Independent County agencies, employees, and others receiving Montgomery County funds.**
- ❖ **Use data analytics to the fullest extent possible in our future activities to identify management/internal control weaknesses or deficiencies of organizations and technology systems; to allow auditors to review 100 percent of available data rather than just a smaller statistical sample; and to detect "needles in a haystack" instances of fraud. All OIG staff members received training in the use of data analytics tools during FY 2014.**
- ❖ **The OIG will use contract subject matter experts to assist in conduct of specific audits and investigations. As necessary and cost effective, we will supplement OIG staff with qualified external subject matter expert contractors where specific expertise is required by OIG in order to address technical issues beyond the expertise of OIG staff. The specific subject matter expertise required and the related costs will depend on external circumstances that the OIG can neither predict nor control. Accordingly, while the one-time, non-recurring cost associated with acquisition of expertise for a major review was appropriated and is included in FY 2014, this cost is not included in amounts projected for FY 2015-2017.**

-
- ❖ ***The OIG will leverage resources, continuing efforts to make our reviews a partnership between OIG staff and the audited entity which will ultimately be charged with the task of implementing changes in response to OIG findings and recommendations. This approach will enhance our mutual understanding of the issues without sacrificing our independence or objectivity.***
