Initiatives

- ★ Developed and hosted an orientation program for newly-elected State Legislators and Councilmembers, with presentations by County officials and officials from Montgomery College, Montgomery County Public Schools, the Washington Suburban Sanitary Commission, and the Maryland National Capital Park and Planning Commission.

Accomplishments

- ✔ Successfully advocated for FY15 federal appropriations directed toward assisting local governments such as ours in addressing health and education needs of unaccompanied migrant children entering the United States.
- ✔ Secured funding for every capital project included on the County's 2015 Session Priorities list, which included the Pre-Release Dietary Center renovation, two libraries, several hospitals, the National Cybersecurity Center of Excellence, the Music Center at Strathmore, Montgomery College, the Avery Road Treatment Center, and Universities at Shady Grove.
- ✔ Worked with the Maryland Congressional Delegation to secure \$100 million in federal transportation funding towards construction of the Purple Line.
- ✔ Advocated the passage of a targeted supplemental public school construction grant program that directs additional State capital funds to high enrollment growth subdivisions and those utilizing significant numbers of portable classrooms. Based on the delegation's successful advocacy to fund the program, Montgomery County Public Schools will be able to access about six million in additional State capital funds this year and into the future.
- ✔ State aid directed to Montgomery County increased by approximately \$13 million, from \$714 million to \$727 million.
- ✔ Assisted to get language included in the Budget Reconciliation and Financing Act to protect local governments and the State when the U.S. Supreme Court ruled against the State in *Wynne v. Comptroller*. While taxpayers will get their refunds as soon as their returns are processed, the reimbursement to the State for the local share of taxes will be spread over three fiscal years. In addition, the language clarifies that moving forward, State tax liability must be exhausted before credits are taken against County and municipal income taxes.
- ✔ Advocated to assist the Montgomery and Prince George's County Delegations sponsor a bill that required the Washington Suburban Sanitary Commission (WSSC) to establish a Customer Assistance Program. The program funded by WSSC revenues, provides financial assistance with water and sewer bills to eligible ratepayers beginning July 1, 2015.

Productivity Improvements

- ★ Attended and participated in regular National Association of Counties (NACo) Washington Representatives legislative strategy sessions, as well as increased involvement with the National Association of Counties Intergovernmental Relations Organization (NACIRO) and Association of Government Relations Professionals (AGRP).
- ★ Continued to meet with County directors and key staff to explain the State and federal priorities processes so as to maximize opportunities.
- ★ Updated and improved website information, making the information more accessible to the public and reducing the cost of printing.
- ★ Continued to participate in training, education, and networking opportunities at the local, State, and federal levels.
- ★ Enhanced the system to keep track of Council action on bills and resolutions to help ensure the Council's decisions are reflected accurately and appropriately in State advocacy.
- ★ Coordinated and worked with Department of Technology Services to implement IT improvements and support.
- ★ Continued to look for, and initiate changes in, the office day-to-day processes to improve efficiency at reduced costs in both the Rockville and Annapolis offices, including scanning of the legislative bill files so that the information is accessible at all time.
