

# Non-Departmental Accounts

## Mission Statement

Non-Departmental Accounts (NDAs) contain expenditure items essential to the operation of the County government which do not fall within the functional assignment of any department or agency, or which provide for expenditures related to more than one department or agency. In FY17, 43 NDAs were funded. Three NDAs were not funded: Inauguration & Transition, Montgomery County Employee Retirement Plans and Motor Pool Fund Contribution.

## Budget Overview

The total approved FY17 Operating Budget for the Non-Departmental Accounts is \$318,140,775, an increase of \$40,547,036 or 14.61 percent from the FY16 Approved Budget of \$277,593,739. Personnel Costs comprise 0.72 percent of the budget for 17 full-time position(s) and no part-time position(s), and a total of 4.18 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 99.28 percent of the FY17 budget.

## Program Descriptions

### Arts and Humanities Council

This NDA provides funding for the Arts and Humanities Council of Montgomery County (AHCRC), the County's designated local arts and humanities agency. FY17 taxpayer support of the AHCRC includes general operating grants to arts and humanities organizations; program grants to arts and humanities organizations not receiving general operating support; project grants to individuals, scholars, groups, or small organizations; technical assistance and other support services for individuals and other organizations in the County; matching funds for awardees designated to match private donations, such as by the Executive Ball for the Arts Committee or through power2give; and operating expenses for AHCRC. The County's contribution is implemented by a contract between the Department of Recreation and AHCRC.

Since 1976, AHCRC has been the County's designated local arts agency. The AHCRC, in partnership with the community, cultivates and supports excellence in the arts and humanities, expands access to cultural expression, and contributes to economic vitality in the region. AHCRC provides leadership that sustains arts and humanities organizations, artists and scholars, and inspires participation in our County's cultural assets. Through its programs and services, AHCRC provides the infrastructure and support necessary to maintain a robust creative community that includes over 500 cultural organizations and 2,000 artists and scholars. AHCRC annually distributes grants to organizations and individuals to help fund enriching cultural activities in our County ([www.creativemoco.com/grants/grants-awarded](http://www.creativemoco.com/grants/grants-awarded)).

AHCRC is headquartered in Silver Spring, Maryland, and receives support from the Maryland State Arts Council, corporations, organizations and, individuals.

Funding for maintenance of public art is allocated in the Public Arts Trust CIP project.

## Children's Opportunity Fund

The Children's Opportunity Fund provides funding to support policy priorities that address the social determinants that impact the achievement gap for vulnerable children and the barriers faced by their families. In FY16, the County initiated a funding of \$250,000 in equal parts from the MCPS and Department of Health and Human Services budgets to support the Children's Opportunity Fund. Additionally, to support a public-private partnership with the Rales Foundation, the County appropriated a supplemental \$750,750 in mid-FY16 for the NDA-Children's Opportunity Fund to support the Building Educated Leaders for Life (BELL) summer program.

It is anticipated that the Children's Opportunity Fund will be established at the Montgomery County Community Foundation in FY17. The fund at the Community Foundation will be supported by a Policy Leadership Group made up of the County Executive, the MCPS Superintendent, a member of the Board of Education, and a member of the County Council. This Policy Leadership Group will be staffed by the Director/Consultant of the Children's Opportunity Fund, and will advise the Fund's Steering Committee as to the policy priorities for the Fund. The Children's Opportunity Fund Steering Committee will make the actual competition and award decisions. The membership of the Steering Committee will be 9-11 members and must include the Director of the Department of Recreation, the Director of the Department of Health and Human Services, the MCPS Chief Academic Officer, the Executive Director of the Collaboration Council, the Executive Director of the Montgomery County Community Foundation and the Director/Consultant to the Children's Opportunity Fund who will be hired by the Montgomery County Community Foundation and will be an ex-officio member. Evaluation and data driven decision-making is critical to the work of the Fund. The Children's Opportunity Fund will direct resources to County inter-agency and cross system collaborations, promote public-private partnerships and identify new funding sources in collaboration with the Community Foundation to aggressively close the achievement gap in Montgomery County and impact the social-economic determinants that affect outcomes for children and their families.

## Compensation and Employee Benefits Adjustments

This NDA contains a General Fund and a non-tax appropriation, and provides funding for certain personnel costs related to adjustments in employee and retiree benefits, pay-for-performance awards for employees in the Management Leadership Service and non-represented employees, deferred compensation management, and unemployment insurance.

**Non-Qualified Retirement Plan:** This provides funding for that portion of a retiree's benefit payment that exceeds the Internal Revenue Code's §415 limits on payments from a qualified retirement plan. Payment of these benefits from the County's Employees' Retirement System (ERS) would jeopardize the qualified nature of the County's ERS. The amount in this NDA will vary based on future changes in the Consumer Price Index (CPI) affecting benefit payments, new retirees with a non-qualified level of benefits, and changes in Federal law governing the level of qualified benefits.

**Deferred Compensation Management:** These costs are for management expenses required for administration of the County's Deferred Compensation program. Management expenses include legal and consulting fees, office supplies, printing and postage, and County staff support.

**Management Leadership Service Performance-Based Pay Awards:** In FY99, the County implemented the Management Leadership Service (MLS) which includes high level County employees with responsibility for developing and implementing policy and managing County programs and services. The MLS was formed for a number of reasons, including improving the quality and effectiveness of service delivery through management training, performance accountability, and appropriate compensation; providing organizational flexibility to respond to organizational needs; allowing managers to seek new challenges; and developing and encouraging a government-wide perspective among the County's managers. MLS employees are not eligible for service increments. Performance-Based awards for MLS employees are funded in FY17.

**Unemployment Insurance:** The County is self-insured for unemployment claims resulting from separations of service. Unemployment insurance is managed by the Office of Human Resources through a third party administrator who advises the County and monitors claims experience.

## Conference and Visitors Bureau

The Conference and Visitors Bureau (CVB) promotes Montgomery County as a destination for meetings/conferences, student group travel, group tours, leisure travel, and amateur sports events. The CVB develops and distributes publications on points of interest to tourists; implements public information campaigns promoting tourism and event facilitation in Montgomery County; and attends trade shows and sales missions in target markets. The CVB also serves as a resource center assisting small and large hospitality businesses considering new product development and/or expansions. The CVB coordinates with the State Department of Tourism, State Film Office, Capital Region USA (CRUSA), TEAM Maryland, and national and regional events to promote tourism growth, increased visitor spending and visitation in Montgomery County. The CVB manages the tourism marketing grant provided annually by the Maryland Tourism Development Board. The CVB operates on contract with the Department of Economic Development. ## Conference Center

Prior to FY06, the Conference Center NDA primarily provided for pre-opening expenses. Since the Conference Center opened in November 2004, the NDA has expanded its scope to fund:

- a full-time position to manage the operational and fiscal oversight of the Conference Center complex;
- non-routine repairs, alterations, improvements, renewals, and replacements; and
- the designated reserve required by the management agreement with Marriott International, Inc.

Funding is also included to reimburse the contractor for costs not covered by operations during accounting periods when losses occur. These costs will be offset by contractor payments to the County during accounting periods with operating gains. To ensure fiscal and operational accountability, a management audit is conducted every two years and the program budget is increased by \$50,000 during the year such audit is scheduled. Revenues consisting of net operating income from the Conference Center and land rent from the hotel are deposited into the general fund. Twenty percent of the County's net proceeds from Conference Center operations is retained for investment in marketing and facility improvements to increase Conference Center usage. All proposed investment expenditures are reviewed and approved by the Conference Center Management Committee.

This NDA funds payments required in accordance with State law. The 1968 Session of the General Assembly revised the tax structure to include a County income tax. As part of this restructuring, the shared tax on banks and financial institutions was eliminated, and a provision was adopted which requires counties to pay annually to municipalities the amount (\$28,020) which had been received by the municipalities in FY68.

## Group Insurance for Retirees

Group insurance is provided to an estimated 6,242 retired County employees and survivors, as well as retirees of participating outside agencies. Employees hired before January 1, 1987, are eligible upon retirement to pay 20 percent of the premium for health and life insurance for the same number of years (after retirement) that they were eligible to participate in the group insurance plan as an active employee. The County government pays the remaining 80 percent of the premium. Thereafter, these retirees pay 100 percent of the premium. Employees hired before January 1, 1987, are also offered the option at retirement to convert from the 20/80 arrangement to a lifetime cost sharing option.

Employees hired after January 1, 1987, are eligible upon retirement for a lifetime cost sharing option under which the County pays 70 percent of the premium and the retiree pays 30 percent of the premium for life for retirees who were eligible to participate in the County group insurance plan for 15 or more years as active employees. Minimum participation eligibility of five years as an active employee is necessary to be eligible for the lifetime plan. The County will pay 50 percent of the premium for retirees with five years of participation as an active employee. The County contribution to the payment of the premium increases by two percent for each additional year of participation up to the 70 percent maximum.

On March 5, 2002, the County Council approved a one-time opportunity for retirees still under the 20/80 arrangement with an expiration date to elect the lifetime cost sharing arrangement. The new percentage paid by the County for those electing this arrangement ranges from 50 percent to 68 percent, depending upon years of active eligibility under the plan and years since retirement. The cost sharing election process has been completed. The budget does not include employer contributions from participating outside agencies.

## Homeowner's Association Road Maintenance Reimburse

This NDA provides a partial reimbursement to homeowners' associations (HOAs) for their maintenance of certain privately-owned roadways. The payment is currently restricted to through roadways, accessible to the public, which are one-quarter mile or longer and which

provide vehicular access to more than four dwelling units. In FY97, an Executive Regulation was enacted allowing homeowners' associations to request that their roadways be deemed "private maintenance roads." This designation qualifies the HOAs for State reimbursement of their roadway maintenance costs. The County annually submits to the State its estimate of reimbursable miles, including those accepted as private maintenance roads. The State then reimburses the County and, subsequently, the County forwards the funds to HOAs.

## Leases

This NDA provides the funds necessary to lease privately owned real estate to accommodate County programs. Real property leased by the County includes office, warehouse, and retail space; hangar facilities; child care space in schools; parking spaces; and space for communication antennas. Leasing property allows the County the flexibility to locate programs in the communities they serve and provides space for programs to operate when there is no County-owned space available. Further, it is an economical way to procure highly specialized, location sensitive, or temporary space. Currently, there are approximately 61 leased facilities. The inventory of leases is constantly shifting as new leases are added and existing leases are terminated.

## Municipal Tax Duplication

The Montgomery County Tax Duplication Program, authorized by Chapter 30A of the Montgomery County Code, reimburses municipalities for those public services they provide that would otherwise be provided by the County. This goes beyond State law, Section 6-305, which requires the County to provide to municipalities only the Property Tax funded portion of those costs. County Council Resolution No. 9-1752, enacted April 27, 1982, increased the scope of program coverage from street-related expenditures to include other public services, such as police supplemental aid; animal control; elderly transportation; parks maintenance; Board of Appeals; and Human Rights.

This program was reviewed in FY96 and technical formula amendments proposed. The changes were approved, and payment calculations since then are prepared in accordance with County Council Resolution No. 13-650, adopted September 10, 1996. Specifically, as the exact payment amount for the current year cannot be determined until both municipal and County books are closed, reimbursements are based on the final audited cost of performing eligible services during the fiscal year two years prior to the budget year.

All payments are subject to appropriation under Sec. 30A-4, which states "All expenditures by the county under the authority of this chapter shall be subject to the limits of the funds appropriated by the County Council."

Also budgeted here are payments to Municipalities of a share of the net revenues from County operated Speed Cameras in their jurisdictions. Payments are based on Memoranda of Understanding with each Municipality.

Finally, payments to municipalities are also made from other sources, including Cable TV Franchise Fees, Grants in Lieu of Shares Tax, Non-Departmental Accounts, and as part of the County's Community Development Block Grant.

**Public Election Fund**

Article IV of Chapter 16 of the County Code requires the Director of Finance to create a Public Election Fund to provide public campaign financing for qualified candidates for County Executive or County Council. The law is intended to encourage more candidates who do not

have access to large contributions from interest groups or individuals to run for County elective offices. This NDA provides for the distribution of public contributions to qualified candidates in a contested election.

## Public Technology, Inc.

Funds are budgeted each year to continue membership in Public Technology, Inc. (PTI) as the County's research and development link with the National Association of Counties. Annual dues cover research and development assistance for innovative projects; access to a computerized information-sharing network; and membership in the Urban Consortium. The County participates in, and has received grants as a result of, initiatives in task forces on energy, solid waste, and telecommunications. PTI, as an organization, specializes in the research and assessment of ideas of interest to local governments for increasing efficiency, reducing costs, improving services, and solving problems. A current emphasis is on public enterprise, toward helping local governments identify and capture potential sales from products and information that are outcomes of government investment.

## Retiree Health Benefits Trust

Consolidated Retiree Health Benefits Trust: Beginning in FY08, the County implemented a plan to set aside funds for retiree health benefits, similar to the County's 50 year-old practice of prefunding for retiree pension benefits. The reasons for doing this are simple: Due to exponential growth in expected retiree health costs, the cost of funding these benefits, which were being paid out as the bills came due, would soon become unaffordable. Setting aside money now and investing it in a Trust Fund, which is invested in a similar manner as the pension fund, not only is a prudent and responsible approach, but will result in significant savings over the long term.

One approach used to address retiree health benefits funding is to determine an amount which, if set aside on an annual basis and actively invested through a trust vehicle, will build up over time and provide sufficient funds to pay future retiree health benefits and any accrued interest on unfunded liability. This amount, known as an Annual OPEB Cost or "AOC", consists of two pieces - the annual amount the County would usually pay out for health benefits for current retirees (the pay as you go amount), plus the additional amount estimated as needed to fund retirees' future health benefits (the pre-funding portion). The pay as you go amount can be reasonably projected based on known facts about current retirees, and the pre-funding portion is estimated on an actuarial basis.

The County has committed to an approach of "ramping up" to the AOC amount over several years, with the amount set aside each year increasing steadily until the full AOC is reached. In FY 2011, the County Council enacted Bill 17-11 which established the Consolidated Retiree Health Benefits Trust. The bill amended existing law and provided a funding mechanism to pay for other post employment benefits for employees of Montgomery County Public Schools and Montgomery County College. In FY15, the County and all other agencies implemented the Medicare Part D Employer Group Waiver Program for Medicare eligible retirees/survivors effective January 1, 2015. This will reduce retiree drug insurance costs and the County's OPEB liability. The County achieved full pre-funding in FY15, consistent with Council resolution No. 16-555. In FY16, these contributions were \$43.5 million (County General Fund), \$61.7 million (MCPS Consolidated Trust), and \$1.4 million (Montgomery College Consolidated Trust).

Special and Enterprise Funds, as well as outside agencies and other jurisdictions, contribute to the Self-Insurance Fund directly. A listing of these member agencies and the amounts contributed can be found in the Department of Finance, Risk Management Budget Summary.
