Mission Statement

The Community Engagement Cluster (CEC) works to build stronger, more informed, and inclusive communities. The Cluster is responsible for strengthening Montgomery County's commitment to civic engagement and community service by engaging residents, organizations, businesses and other community groups. The Cluster maximizes communities' assets - time, talents, and other resources - working collaboratively to address and resolve community issues.

The cluster is a combination of the five Regional Services Centers, the Commission for Women, and the Office of Community Partnerships, including the Gilchrist Center and the Volunteer Center, that has been operating as one unit since July 1, 2011. As a cluster, these offices/functions have combined facilities, resources, and support staff while retaining staff expertise and experience, as well as most of the objectives of the separate entities involved.

Budget Overview

The total approved FY18 Operating Budget for the Community Engagement Cluster is \$3,839,370, an increase of \$146,733 or 3.97 percent from the FY17 Approved Budget of \$3,692,637. Personnel Costs comprise 78.25 percent of the budget for 18 full-time position(s) and six part-time position(s), and a total of 23.50 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 21.75 percent of the FY18 budget.
