## APPROVED FY21 BUDGET

\$53,050,173

## FULL TIME EQUIVALENTS

100.70

 ASEEM NIGAM, DIRECTOR

## MISSION STATEMENT

The mission of the Department of Housing and Community Affairs (DHCA) is to prevent and correct problems that contribute to the physical decline of residential and commercial areas; ensure fair and equitable relations between landlords and tenants; increase the supply of affordable housing; and maintain existing housing in a safe and sanitary condition.

## BUDGET OVERVIEW

The total approved FY21 Operating Budget for the Department of Housing and Community Affairs is \$53,050,173, a decrease of \$5,710,736 or 9.72 percent from the FY20 Approved Budget of \$58,760,909. Personnel Costs comprise 22.13 percent of the budget for 106 full-time position(s) and one part-time position(s), and a total of 100.70 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses and Debt Service account for the remaining 77.87 percent of the FY21 budget.

DHCA expects the total signed agreements for affordable housing projects through the PILOT program to abate \$19.1 million in taxes in FY21.

In addition, this department's Capital Improvements Program (CIP) requires Current Revenue funding.

## COUNTY PRIORITY OUTCOMES

While this program area supports all seven of the County Executive's Priority Outcomes, the following are emphasized:

-  **An Affordable, Welcoming County for a Lifetime**
-  **A Greener County**
-  **Effective, Sustainable Government**

## INITIATIVES

- 
- ★ Provide a continuity of services budget in FY21 by allocating \$61.85 million for affordable housing due to the fiscal and economic impact of the COVID public health emergency. This includes \$39.85 million in the Montgomery Housing Initiative (MHI) Fund and \$22 million in FY21 for the Affordable Housing Acquisition and Preservation CIP project. Those funds continue dedicated funding and provide for renovation of distressed housing, the acquisition and preservation of affordable housing units, creation of housing units for special needs residents, services to the "Building Neighborhoods to Call Home" and "Housing First" programs, and creation of mixed-income housing. Action on additional appropriation for affordable housing loans in the MHI and the new Affordable Housing Opportunity Fund has been deferred until the Council has further discussion of permanent financing housing initiatives.
  - ★ Continue to protect lower-income residents living near transit corridors from rent increases by working with non-profits to identify and preserve at-risk Naturally-Occurring Affordable Housing (NOAH) and actively engaging purchasers with rental agreements to preserve affordable rents.
  - ★ Continue to actively underwrite affordable housing loans to preserve and produce affordable housing. Four developments, including one senior and three family projects, have already been identified with another thirteen under consideration. These four developments would preserve or produce over 1,000 total and 800 affordable units.
  - ★ Create a Countywide Facade Easement Capital Improvement Program to revitalize commercial areas, with a focus on older commercial property, throughout Montgomery County to stimulate local economic growth. The objective is to provide support to small businesses and to encourage private investments. Improvements will include gateway signage, pedestrian lighting, connectivity, streetscape elements, plant material installation, acquisition of long-term facade and center signage easements, and other amenities. DHCA has initially identified five commercial areas, including Montgomery Village, Hillandale, Downtown Wheaton, Glenmont, and Layhill Shopping Centers. This program may also be expanded to other areas of the County.
  - ★ Collaborate with Health and Human Services (HHS) and the Housing Opportunities Commission (HOC) to provide rental assistance programs to the County's most vulnerable residents. Over 4,500 households are projected to be assisted in FY21. A renewed focus will be on eviction prevention including targeted assistance and financial literacy seminars in areas experiencing high evictions.
  - ★ Receive additional funding from Federal grants (i.e., Community Development Block Grant - CDBG, the HOME Investment Partnership Grant, and the Emergency Solutions Grant), which provide funding for affordable housing, housing rehabilitation, commercial revitalization, focused neighborhood assistance, public services, and preventing homelessness.

## INNOVATIONS AND PRODUCTIVITY IMPROVEMENTS

---

- ★ Hosted a developer's forum to provide clarity on the County's housing objectives and affordable housing project review process, and to solicit recommendations from development partners. With this information, DHCA developed a point-based affordable housing loan application scoring system, created a housing advisory committee to review and make county funding recommendations, and announced the County's first Notice of Funding Availability (NoFA). This innovative approach provides structure and transparency throughout the loan review process.
- ★ DHCA's technology team continues to update its core application portfolio with additional or improved functionalities to support new and existing business needs. Specific examples include implementing full-text search of the Commission on Common Ownership Communities (CCOC) decisions and creating a new system to support electronic citation writing and management. DHCA is currently undertaking a project to address the growing housing inspection volume through route optimization and workload management improvements.
- ★ Continued efforts to co-locate housing projects with County facilities with requirements that these projects provide units for very low and low income tenants.

- ✦ Planning the deployment of a new Internet-facing affordable housing search application called "Market Place". The Market Place leverages the most recent web application development standards providing users with an intuitive and efficient interface. The application emphasizes speed, accuracy, and responsiveness.
- ✦ Implemented the Code Enforcement Handbook to provide property owners and residents with detailed, illustrated information about housing code requirements and enforcement. The Code Enforcement Handbook will be available online to provide an easy access to resources and references.

### ✦ Affordable Housing Programs

This program creates and preserves affordable single-family housing units. It enforces Chapter 25A of the County Code to ensure that Moderately Priced Dwelling Units (MPDUs) are provided and monitored for resale control. The Code requires that 12.5 percent to 15.0 percent of an approved development of 20 dwelling units or more be MPDUs, depending on the amount of

density bonus achieved. The housing units produced are marketed at controlled prices, which makes them affordable to moderate-income households. Additional single-family housing programs provide funding to replace and rehabilitate single-family housing units, and provide energy efficiency solutions and savings. Also, this program is responsible for the Work Force Housing Program.

Approximately 80 percent of the single-family inspections result from tenant and/or neighbor complaints; other inspections are the result of concentrated code enforcement efforts in specific areas. The multi-family inspections are based on a requirement for triennial inspections and in response to tenant and/or neighbor complaints.
