## PROGRAM DESCRIPTIONS

Office of Racial Equity and Social Justice

After many years of spending on programs and initiatives to close racial disparities in Montgomery County, the Montgomery

County Council decided it was time to take an approach that looked at race as the primary determinant of disparities. In April of 2018, the County Council passed Resolution # 18-1095 to establish an equity framework for policy and decision making. The resolution required the County to perform a baseline study by the Montgomery County Office of Legislative Oversight (OLO) to describe current racial disparities in education, employment, housing, health, land use, and others. Following the completion of the study, the County Council passed Bill 27-19 to adopt a Racial Equity and Social Justice law. The new law mandates the creation of an Office of Racial Equity and Social Justice, that every employee in Montgomery County receive racial equity training, and that every department examine their policies, procedures and protocol for racial inequities.

In FY21, the Office of Racial Equity and Social Justice will partner with Montgomery County departments and non-profit organizations of the region and at the national level to accomplish the following actions mandated by the new law:

1. Perform an equity assessment to identify the County policies and practices that do not advance racial equity and that must be modified to address racial disparities;
2. develop metrics to measure the progress in redressing disparate outcomes base on race and social justice;
3. work diligently with each Montgomery County department to develop racial equity and social justice action plans to remedy issues adversely impacting county residents;
4. provide training to county employees of racial equity and social justice; and
5. develop long- and short-term goals for success in redressing disparate outcomes based on race and social justice as well as their own metrics to measure their success and progress.
